SECTION 1

THE STATE BAR OF CALIFORNIA

1.1 OVERVIEW

The State Bar of California (hereafter referred to as the State Bar) was created in 1927 as a public corporation and was placed in the Judicial Article of the California Constitution in 1966. It was created to assist the Supreme Court in matters pertaining to the admission, regulation, and discipline of attorneys.

This Policy Manual (commonly known and referred to as the “Board Book”) sets forth high-level descriptions of the basic rules governing the actions of the State Bar’s Board of Trustees, its individual Board members, and State Bar committees and subentities in carrying out the State Bar’s mission. It is intended to be a resource primarily for Board, committee and subentity members. Where more detailed material would assist Board members in fulfilling their responsibilities, appendices provide supplemental information. Staff is responsible for updating the appendices to ensure that they remain current and is authorized to do so without Board action. Amendments to this Policy Manual requires a majority vote of members who are present and voting.

Material outside the scope of this Policy Manual includes, but is not limited to: State Bar staff administrative policies and procedures; policies and procedures governing individual divisions and offices of the State Bar; detailed legal analyses; contracts and memoranda of understanding; and appointments, policies, and procedures.

1.2 GOVERNING AUTHORITY

The governing authority for the State Bar to carry out its role can be found in:

- State Bar Act (Bus. & Prof. Code section 6000 et seq.)
- California Rules of Court (Cal. Rules of Court, Title 9)
- Rules of the State Bar
- Supreme Court decisions

1.3 MISSION

The State Bar’s mission is to protect the public and includes the primary functions of licensing, regulation, and discipline of attorneys; the advancement of the ethical and competent practice of law; and support of efforts for greater access to, and inclusion in, the legal system. Diversity and inclusion are an integral part of the State Bar’s public protection mission to build and retain a profession of attorneys capable of providing high-quality legal services and representative of the rich diversity of California’s population.

SECTION 2

BOARD OF TRUSTEES

2.1 COMPOSITION

The State Bar is governed by its Board of Trustees. The Board consists of 13 members. Five attorney members are appointed by the Supreme Court; one attorney member and one public (nonattorney) member are appointed by the Speaker of the Assembly; and one attorney member and one public member are appointed by the Senate Committee on Rules. Four public members are appointed by the governor and are subject to Senate confirmation. See [here](#) for the current Board membership.

APPOINTING AUTHORITY	ATTORNEY MEMBER	PUBLIC MEMBER (NONATTORNEY)
California Supreme Court	5	0
Speaker of Assembly	1	1
Senate Committee on Rules	1	1
Governor	0	4

To ensure both the talent and diversity needed for optimal functioning of the Board, the State Bar maintains a Trustee Skills Matrix to help identify gaps in Trustee experience and ability. Staff provides appointing authorities with information about the composition of the Board for their consideration when recruiting and appointing Trustees.

A full-time employee of a public agency serving as a Board member may not suffer any loss of rights, promotions, salary increases, retirement benefits, tenure, or other job-related benefits as a result of their serving on the Board.

2.2 BOARD MEMBER TERMS

Each member is appointed for a term of four years. Rules regarding reappointment depend on the appointing authority and whether the member is an attorney or a public member (nonattorney). Members appointed by the Supreme Court may be reappointed only once. There are no limitations on the reappointment of other members.

When a position becomes vacant it may be filled by the appointing authority with a person who will serve for the remainder of the term.

(Source: Bus. & Prof. Code §§ 6013.1, 6013.3, 6013.5, 6016)

2.3 RESIGNATION OF BOARD MEMBERS

A Board member, including an officer, may resign at any time by giving written notice to the secretary. The resignation will be effective upon receipt of that notice or on the date specified in the notice.

(Source: Gov. Code § 1750)

2.4 RESPONSIBILITIES OF THE BOARD

The Board is the State Bar's governing body, responsible for developing the guiding policies and principles underpinning its mission. Among its responsibilities, the Board provides guidance and feedback to the executive director to ensure effective management and leadership of the State Bar.

- Responsibilities of the Board also include, but are not limited to:
- Governing the State Bar through collective policy-making
- Developing the guiding policies and principles underpinning the State Bar's regulatory mission

- Approving the State Bar's budget

The Board's authority includes determinations of whether actions or positions taken by those actors are consistent with State Bar policies.

¹ During the CTC's service, the CTC reports to the Board of Trustees acting as the Regulation and Discipline Committee (Bus. & Prof. Code § 6079.5)

(Source: Bus. & Prof. Code §§ 6010, 6025, 6030; and State Bar Rule 6.21)

2.5 RESPONSIBILITIES OF BOARD MEMBERS

Each Board member is responsible for:

- Being familiar with the mission and purpose of the State Bar
- Participating in all Board meetings and meetings of assigned Board standing committees, including preparing for meetings in order to make sound decisions on behalf of the State Bar
- Being familiar with the existing governance structure of the Board so that each member can establish good working relationships with one another and staff
- Participating in the review and approval of the annual budget

- Recognizing the equal role and responsibility of each Board member
- Ensuring public trust, fairness, and equity, by making decisions based on information presented at a duly noticed public meeting.

2.6 CALENDAR OF BOARD MEETINGS

The annual meeting calendar for the Board of Trustees is determined by the due dates for statutorily mandated reports that assist the Board in fulfilling its oversight responsibilities, by the planning and implementation of Strategic Plan initiatives, and by the Board's ongoing oversight responsibilities. The multiyear Board schedule can be viewed [here](#).

2.7 OFFICER SELECTION

The officers of the Board of Trustees are a chair, and vice-chair.

The chair and vice-chair are appointed by the Supreme Court for one-year terms and may serve up to two terms in this capacity. Officers assume the duties of their respective offices at the conclusion of the annual meeting following their appointment, typically in September. In the event that an officer is appointed to fill a vacancy for the balance of the term, the remainder of that term does not count against the two-term limit.

Officers continue in office until their successors are appointed and qualify. Unless otherwise required by law, officers of the State Bar have only the duties prescribed to them by the Board and are subject to its supervision and control.

Members interested in serving as an officer should submit a letter of interest to the Supreme Court by July 1 and provide an electronic copy of the submission to the principal attorney for the Chief Justice. State Bar staff sends a reminder announcement to Board members prior to the deadline.

2.10 BOARD LIAISONS

The chair may appoint members of the Board to serve as liaisons to State Bar subentities and to State Bar functional areas of operation. Board liaisons are responsible for facilitating the exchange of information between the Board and those subentities and areas of operation.

2.11 BOARD STANDING COMMITTEES

Board standing committees, composed only of Board members, are responsible for State Bar oversight and policy development through the strategic planning process and development of Committee Work Plans. At the start of each Board year, the incoming chair proposes the number and type of standing committees that will meet during the Board year. The committees proposed by the chair will supplement the work of the statutorily mandated standing committees—the Board Executive Committee and the Board of Trustees acting as the Regulation and Discipline Committee.

Each standing committee must have enough members to carry out its responsibilities under the committee charter. The incoming Board chair appoints chairs and members to Board standing committees, subject to approval by the full Board.

2.11.1 The Board of Trustees Acting as the Regulation and Discipline Committee

The Board of Trustees acting as the Regulation and Discipline Committee oversees the work of the attorney discipline system as required under applicable law.

2.11.2 Audit Committee

The Audit Committee is charged with assisting the Board in fulfilling its oversight responsibility as related to the integrity of accounting and financial reporting processes, the system of internal controls, and audit processes. In addition, the Audit Committee is charged with overseeing risk management and compliance efforts. The Audit Committee should include at least one public member of the Board.

2.11.3 Finance Committee

The Finance Committee leads the Board's participation in oversight, and review of the State Bar's budget preparation.

2.11.4 Board Executive Committee

The Board Executive Committee is responsible for the effective functioning of the Board, maintenance and development of the Board—executive director working relationship, and oversight of certain strategic and essential operational matters—including legislative relations—and appointments of volunteers to subentities. The executive director sits on the Board Executive Committee but has no vote and is not counted toward a quorum of the committee.

SECTION 3

MEETING PROCEDURES

3.1 APPLICABILITY OF THESE PROCEDURES

These meeting procedures apply to meetings of the Board, Board standing committees, and subentities, with the exception of the Commission on Judicial Nominees Evaluation (JNE) and the Review Committee of the Commission on Judicial Nominees Evaluation (RJNE).

3.2 BAGLEY-KEENE OPEN MEETING ACT

All meetings of the Board of Trustees, Board standing committees and State Bar subentities, except for the JNE and the RJNE, are subject to the Bagley-Keene Open Meeting Act (Bagley-Keene). Bagley-Keene sets forth notice and agenda requirements, provides for public comment, requires that meetings be conducted in open session (except where closed session is expressly authorized), and prohibits discussing or taking action on matters not included on the agenda. The provisions in this Board Book concerning meeting procedures are intended to restate and supplement Bagley-Keene. To the extent any provision in the Board Book may be inconsistent with Bagley-Keene, Bagley-Keene shall prevail. New Board members and members of subentities shall be trained on the requirements of Bagley-Keene before their first meeting to the extent practicable.

(Source: Gov. Code § 11120 et seq.; Bus. & Prof. Code §§ 6026.7, 6026.5)

3.3 MEETING FREQUENCY

The full Board of Trustees meets at least six times each year. The [multiyear meeting schedule](#) is available on the State Bar website.

3.4 MEETING LOCATIONS

State Bar meetings are held virtually and when applicable in hybrid format (in-person and virtually) at the State Bar offices in San Francisco or Los Angeles, unless a quorum of the Board votes to meet elsewhere in California, consistent with applicable laws.

(Source: State Bar Rule 6.91)

3.5 BOARD MEMBER ATTENDANCE AT BOARD MEETINGS

Board members shall, to the extent practicable, attend all Board meetings. Board members unable to attend a meeting should contact the chair, or Board secretary.

Members should notify the chair or Board secretary when they leave a meeting permanently, prior to its official adjournment, to enable the chair to track whether a quorum exists.

3.5.1 DEFINITION OF A QUORUM

A quorum is defined as the minimum number of members of the body who must be present at a meeting for business to be legally transacted. For the Board of Trustees and all State Bar subentities, a quorum is one more than half of the body of the seats filled.

3.6 AGENDAS

The Board secretary in consultation with the executive director and the Board chair prepares agendas for Board meetings. Board members may submit recommended agenda items to the chair for consideration as soon as practicable but at least 15 days prior to the scheduled meeting.

Board standing committee coordinators and State Bar staff assigned to subentities prepare agendas for meetings in consultation with the Board standing committee and subentity chairs, respectively.

(Source: State Bar Rule 6.42)

3.7 CLOSED SESSION

All matters discussed in closed session are confidential. Members of the public are not allowed in the meeting room during closed session.

Bagley-Keene sets forth the following nonexhaustive list of examples of matters that can be considered in closed session:

- Certain personnel matters, such as the appointment, evaluation, or dismissal of Board-appointed staff
- Certain California Bar Examination matters, such as the preparation, approval, grading, or administration of examinations
- Anticipated and pending litigation
- Collective bargaining

(Source: Gov. Code § 11126; Bus. & Prof. Code § 6026.7)

3.8 RECORD OF MEETINGS

Minutes of topics discussed and decisions made at Board meetings shall be maintained by the Board secretary.

The minutes of a closed session are created and maintained by the Board secretary or a staff designee of the executive director.

Board standing committee coordinators and State Bar staff assigned to subentities prepare minutes for open and closed session meetings.

(Source: Gov. Code § 11126.1; State Bar Rule 6.42)

3.9 VOTING ON MOTIONS

With a quorum of the body present at a duly noticed meeting, approval of a motion requires a majority vote of those members who are present and voting.

To vote at a meeting, Board members must be present in person or by telephone at a properly noticed address. Voting by proxy is not allowed. A roll call vote will be taken after each motion. Members' names will be called and each member will state their vote for the motion as follows:

- Support – Yes
- Oppose – No
- Abstain (not counted as a vote)
- Recused (not counted as a vote)

Abstentions

An abstention is an intentional decision by a voting member to not cast a vote on a particular issue or motion. This can occur for various reasons, such as feeling a lack of sufficient information on the issue or believing there is a potential conflict of interest that does not necessarily require formal recusals. Abstentions are not counted towards the total number of votes cast. This means that an issue might pass if more members vote in favor than against, regardless of the number of abstentions.

Recusals

A recusal is a formal process where a Board member removes themselves from participating in a decision-making process due to a potential or perceived conflict of interest or bias.

At in-person meetings substitution of the roll is allowed as long as there has been no change in the composition of the body since the last vote or since the call of roll and no members object. Substitution of the roll allows the Board to take action without a roll call vote but, instead, by affirmation of those present without objection.

Substitution of the roll is not permitted at meetings that are held by video- or telephone-conference.

After the vote has been announced, a member who has participated in the discussion and is unable to vote, subsequent to the vote but prior to adjournment of the meeting, may request that a vote be retaken. This request will only be granted by the unanimous consent of the body to

rescind the previous vote. Any such request must occur prior to adjournment of the meeting at which the vote took place.

3.10 MEETING RULES

The Board, Board committees, and subentities of the State Bar will use [Rosenberg's Rules of Order](#), to the extent they do not conflict with state law (e.g., Bagley-Keene), as a guide when conducting its meetings.

3.11 AUDIO/VISUAL RECORDING OR WEBCAST

Audio and video of meetings may be recorded and/or broadcast live via Zoom or similar platform.

3.12 PUBLIC COMMENT

The State Bar of California welcomes public comment at all of its public meetings and appreciates listening to a wide range of viewpoints that reflect the diversity of California. The State Bar Board of Trustees has adopted a public comment policy reflecting these values. The public comment policy should apply to all board, committee, and subentity meetings. The policy can be found in [Appendix E](#).

3.13 PUBLIC COMMENT ON RULES

Proposals for the Rules of the State Bar are circulated for public comment before adoption, amendment, or repeal by the Board. The State Bar also makes available for public comment its proposals for the California Rules of Court. Proposals are circulated for a 45-day period, which can be shortened to a minimum of 30 days or extended to a maximum of 90 days, as designated by the Board.

Public comment is not required in the following circumstances:

- To correct clerical errors; clarify grammar; improve organization; conform to specific changes in a law; update references or citations; or make similar editorial changes;
- To modify a proposal that has been circulated for public comment when the Board deems the modification nonsubstantive, reasonably implicit in the proposal, or a narrowed version of a proposal; or
- To add or modify an appendix to the Rules of the State Bar.

The Board may determine that an emergency requires it to adopt, amend, or suspend a rule on an interim basis without first circulating it for public comment. No interim measure may remain in effect for more than 120 days.

The adoption, amendment, or repeal of a rule becomes effective as of the date specified by the Board. If no date is specified, then the change becomes effective on the date of the Board's action.

SECTION 4

SUBENTITIES OF THE STATE BAR

4.1 SUBENTITIES

Subentities of the State Bar are the committees, commissions, boards, and councils that provide support and advice to the Board in a number of key areas of State Bar policies, programs, and operations. Members of subentities are volunteers. Members of some subentities are appointed exclusively by the Board, while others are appointed by multiple appointing authorities. Subentities fall under the oversight of the Board. Unless otherwise provided by applicable laws or rules, the establishment of subentities requires approval by the Board. See [Appendix B](#) for an overview of subentity duties, composition, and appointing authorities.² Subentities are subject to the applicable provisions in this Policy Manual.

4.2 APPOINTMENTS TO SUBENTITIES

The State Bar solicits applications from members of the legal community and the public to serve on subentities and seeks to ensure that the pool of candidates and the composition of the subentities are inclusive and broadly representative of the diversity of California's population.

The Board's appointments liaison(s) reviews applications and makes appointment recommendations to the Board Executive Committee and then to the full Board. All State Bar volunteers must be provided a formal orientation that includes, among other State Bar-related topics, training on meeting rules of order, Bagley-Keene open meeting requirements, conflicts of interest, the California Public Records Act, implicit bias, and diversity.

4.3 RESTRICTION ON APPOINTMENTS TO SUBENTITIES

Advisors, ex officio members, and consultants may not be appointed to State Bar subentities unless authorized by the Board of Trustees.

4.4 SUBENTITY YEAR

For all subentities, except the Commission on Judicial Nominees Evaluation, the year begins and ends at the conclusion of the Annual Meeting, typically in September, unless otherwise provided by law.

² The Commission on Judicial Nominees Evaluation is unique among State Bar subentities in that it issues confidential reports on judicial candidates to the governor has autonomy from the Board of Trustees and operates under strict rules of confidentiality as required by Government Code section 12011.5 and State Bar Rules Title 7, Division 1.

4.5 POLICY ON NUMBER OF SUBENTITIES

A subentity may only be created if it has work to do. Similarly, a person may only be appointed to a subentity if the subentity has work assigned to it.

4.6 PRESUMPTION ON SUBENTITY SIZE

Unless a specific exception applies or a justification is established based on workload or need for representation, or otherwise provided by law, subentities shall have no more than seven members.

4.7 JUSTIFICATION PROCESS FOR LARGER SUBENTITIES

Subentities may be created with more than seven members if justified by the workload of the subentity or if there is a need for broad representation.

If a proposal for the creation of a subentity recommends that it have more than seven members, that proposal must provide the following information in writing to the Board committee with oversight responsibility:

WORKLOAD REPRESENTATION			
Type of work	Description of the work that will be done by the subentity.	Role needed	Description of the category of representation that is sought and the reason why seven members are insufficiently representative in terms of professional background, geography, demography, etc.
Quantity of work	Description of the reason why the work required of the subentity could not be performed by seven or fewer members.	Reason needed	Description of the reason that role is needed.

4.8 SUNSET REVIEW OF SUBENTITIES

The Board committee with oversight responsibility will then make a recommendation to the full Board based upon its determination of the merits of the request. No subentity may have more than seven members unless the larger size is approved by the Board.

All subentities, except those that are statutorily mandated, will be subject to sunset review every five years beginning in 2023. The sunset reviews shall be conducted by the Board Executive Committee, which will make its recommendation to the full Board.

4.9 TERM OF MEMBERSHIP

Members of subentities serve four-year staggered terms, except where the rules of the subentity specify otherwise. The Board's general policy is to permit only a single term but may make exceptions at its discretion. Exceptions include:

- If the Board fills a vacancy mid-term, the appointee will serve the remainder of the term and is eligible at the Board's discretion for one additional consecutive term;
- Members of the Commission on Judicial Nominees Evaluation serve three-year terms and may serve a fourth year as chair; and
- The two Board members of the Review Committee of the Commission on Judicial Nominees Evaluation are selected by the Board chair at the start of each Board year and serve only one-year terms subject to reappointment by the successor Board chair.

If the Board exercises its discretion and allows reappointment to a second term, the member may not serve a third consecutive term. Members may, however, serve additional years if appointed chair, vice-chair or chair-elect, up to a total of two additional years if the member serves one year as vice-chair or chair-elect and another as chair.

4.10 REAPPOINTMENT OF SUBENTITY VOLUNTEERS FILLING

VACANCIES IN UNEXPIRED TERMS

Unless statute requires otherwise, subentity volunteers appointed to fill a vacancy in unexpired terms of one year or less may be reappointed for an additional full four-year term. Members appointed to fill unexpired vacancies of more than one year are not eligible for reappointment, except to serve as an officer.

4.11 SELECTION AND TERM OF OFFICERS

Officers of subentities are appointed by the Board to serve for one-year with the possibility of reappointment.

4.12 SUBENTITIES APPOINTED EXCLUSIVELY BY THE BOARD

4.12.1 Committee on Professional Responsibility and Conduct

The Committee on Professional Responsibility and Conduct (COPRAC) addresses matters involving professional responsibility to facilitate compliance by licensees with their ethical duties. COPRAC's work consists of drafting advisory opinions on issues of professional responsibility, and studying and recommending changes to the Rules of Professional Conduct. COPRAC also drafts arbitration advisories providing guidance to fee arbitrators administering attorney-client fee disputes under the Mandatory Fee Arbitration Program.

4.12.2 California Board of Legal Specialization

The California Board of Legal Specialization (CBLS) administers a program that certifies specialists in specific areas of law, identifying those attorneys who have demonstrated proficiency in specialty fields through certification, and encouraging attorney competence. The CBLS recommends program rules and provides policies and guidelines for certification of specialists; develops testing and legal education criteria for specialists; and advises the Board on establishing specialty fields.

4.12.3 Council on Access and Fairness

The Council on Access and Fairness advises the Board on advancing the State Bar’s diversity and inclusion strategies and goals.

4.12.4 Client Security Fund Commission

The Client Security Fund (CSF) reimburses clients who have lost money or property due to theft or an equivalent dishonest act committed by a California attorney acting in a professional capacity. The CSF Commission reviews and rules on appeals of reimbursement decisions made by State Bar staff.

4.12.5 Commission on Judicial Nominees Evaluation

The Commission on Judicial Nominees Evaluation (JNE) assists the governor in the judicial selection process by providing independent, comprehensive, accurate, and fair evaluations of candidates for judicial appointment and nomination.

(Source: Gov. Code § 12011.5)

4.12.6 Review Committee of the Commission on Judicial Nominees Evaluation

The Review Committee of the Commission on Judicial Nominees Evaluation (RJNE) reviews requests from candidates seeking reconsideration of a “not qualified” rating by the JNE. RJNE evaluates information pertaining to the investigation of the candidate and focuses on possible violations of rules or procedures.

4.13 AD HOC COMMITTEES

Ad hoc committees are established by the Board for the purpose of accomplishing a specific goal within a specified timeframe. Unless the Board extends the term of an ad hoc committee, these committees will sunset automatically when they complete their work or at the end of their specified timeframe. Ad hoc committees can be composed of both Board members and volunteers. See [here](#) for a list of current ad hoc committees.

4.14 SUBENTITIES WITH MULTIPLE APPOINTING AUTHORITIES

4.14.1 Committee of Bar Examiners

The Committee of Bar Examiners (CBE) oversees the California Bar Examination, moral character determination process, and the First-Year Law Students' Examination. The CBE makes recommendations for rules and guidelines governing admissions functions; recommends qualified applicants to the California Supreme Court for admission to practice law in California; accredits law schools; registers unaccredited law schools; and studies and reports on proposed changes in the law and other matters concerning requirements for admission to practice law in California.

4.14.2 Legal Services Trust Fund Commission

4.15 APPOINTMENT TO EXTERNAL ENTITIES

4.15.1 Judicial Council

The Judicial Council is the constitutionally created policy-making body of the California courts, the largest court system in the nation. 4.15.4 Legal Services Corporation

The Legal Services Corporation is a nonprofit corporation funded through the federal appropriations process. The Board appoints representatives to serve on boards of directors of programs funded by the Legal Services Corporation, including the boards of:

- Legal Services of Northern California
- California Rural Legal Assistance
- California Indian Legal Services

SECTION 5

BOARD PLANNING AND FISCAL OVERSIGHT

5.1 STRATEGIC PLANNING

The State Bar develops and adopts a five-year strategic plan which is updated every two years. Each year in January, the State Bar conducts a planning session to review its progress and propose other measures to enhance its mission of public protection. Progress reports are provided to the Supreme Court, the governor, and the Senate and Assembly Committees. See [here](#) for the current Strategic Plan.

(Source: Bus. & Prof. Code § 6140.12)

5.2 FISCAL OVERSIGHT

5.2.1 Budget

The budget is the primary instrument of fiscal control and contains all income and expenses of the State Bar. The State Bar's strategic plan provides the framework for the annual budget formulation and process. The budget presented to the Board for approval is prepared by the Office of Finance under the direction of the chief financial officer. Each proposed budget includes the estimated revenues, expenditures, and staffing levels for all of the offices and funds administered by the State Bar. The budget correlates to State Bar legislative efforts in that it provides background information for the annual Fee Bill, which is the mechanism through which the State Bar receives the majority of its funding.

A fiscal year is a twelve-month period that is used for financial reporting, tax filings and budgeting by the organization. It is most commonly used for accounting purposes to prepare financial statements. The State Bar's fiscal year runs from January 1 to December 31.

Following is a brief summary of the budget process and its relationship to the Fee Bill:

- January – Board adopts its final budget
- February – State Bar submits its final budget to the Legislature
- May – Fee Bill must pass house of origin
- September – Fee Bill must pass second house
- October – Governor must sign Fee Bill

During the year, quarterly financial report, midyear forecasting and budget-to-actual variance reports must be presented to the Board. An explanation of budgeted line-item variance greater than \$100,000 of the budgeted line item shall be included in the report.

The Board may, by resolution, amend any adopted budget, upon the recommendation of the Finance Committee. All budget transfers of \$250,000 or more, all transfers between funds, and all increases of budgeted expenditures must be approved by the Board, except in the case of an emergency. In an emergency, they may be approved by the executive director after consultation with the chair and vice-chair with notice given to the Board at its next regularly scheduled meeting.

5.2.2 Revenue

The State Bar receives its revenue from mandatory fees, voluntary donations, examination fees, grants, and other revenue. The majority of the State Bar's revenue comes from mandatory fees, which include the attorney licensing fee. Examination fees include revenues from the First-Year Law Students' Examination and the California Bar Examination. Revenue also includes grants received by the State Bar from a variety of granting agencies and other sources. The State Bar also generates revenue through voluntary fees from licensees and donations.

5.2.3 Investment Policy

It is the policy of the State Bar to invest public funds in a manner that will provide the maximum security with the best investment return, while meeting the daily cash flow demands of the State Bar and conforming to all laws governing the investment of public funds.

This policy is reviewed at least annually for the purpose of recommending needed changes and modifications. The chief financial officer is responsible for initiating the review.

The State of California establishes standards for investment instruments and the State Bar utilizes these standards by diversifying its investment portfolio to minimize the risk of loss.

The chief financial officer will provide quarterly reports to the Board on the status of the State Bar's investment portfolio.

5.2.4 Reserve Policy

The Board has adopted and maintains a reserve policy for specific programs and funds that reflects a two-month, or 17 percent, minimum target reserve level and a 30-percent reserve ceiling. The policy identifies circumstances under which reserves maybe reduced below the minimum target level, such as:

- Meeting one-time needs, including: cash flow; short term revenue gaps; unexpected expenditure requirements or revenue shortfalls; and investments, such as technology, human resources, or other improvements that would strengthen State Bar revenues or reduce future costs; or
- Providing a strategic bridge to the future where a multiyear forecast shows an ongoing structural gap.

The policy also sets parameters for spending reserve balances in excess of the reserve ceiling. Any expenditure that would cause the balance of the General Fund, or any fund within the Restricted or Special Revenue Program Funds, to fall to a level totaling 10 percent or less of recurring annual operating expenses must be approved by the Board. The policy, like other financial policies, should be reviewed and revised periodically by the Board and is an oversight responsibility of the Finance Committee.

5.2.5 Contracts

The Board must approve any contract for goods, services, or both, for an aggregate amount greater than \$50,000, or for information technology goods, services, or both, for an aggregate amount greater than \$100,000. The executive director may approve these contracts between Board meetings due to necessity, provided that the contract is also approved by the Board Executive Committee and the Board is notified at the next regularly scheduled Board meeting.

(Source: Bus. & Prof. Code 6008.6)

5.2.6 Settlement of Claims against the State Bar

The Board must approve settlements involving payments exceeding \$50,000, or in any matter that implicates a material policy issue for the State Bar, upon recommendation of the Board Executive Committee or the committee designated by the Board to review legal matters to the extent it is feasible to obtain such a recommendation prior to the Board's consideration. A "material policy issue" is one with important political or operational consequences for the future of the State Bar. The settlement amount alone will not implicate a material policy issue.

(Source: Gov. Code § 900 et. seq.)

5.2.7 Audits

The State Bar is subject to the following types of audits:

1. Annual Financial Audit by Independent Auditors

A financial audit is conducted by external independent auditors annually and reviews management and governance practices to ensure their compliance with all applicable standards, including those of the Governmental Accounting Standard Board and the Financial Accounting Standards Board.

(Source: Bus. & Prof. Code § 6145)

2. Biannual Audit by the California State Auditor

The audit by the California State Auditor is a financial compliance and performance audit that focuses on the finances, discipline system, and other issues (varying from year to year) determined by the auditor. In addition, the audit follows up on concerns and problems

highlighted from previous audits. There are no management practices that are outside of the State Auditor's purview. The State Auditor may audit any function, including confidential and nonpublic files, and including the Office of the Chief Trial Counsel and the Office of General Counsel.

(Source: Bus. & Prof. Code § 6145)

3. Internal Control Review by Independent Auditors

The five-year internal control review of the State Bar's budget and fiscal policies and procedures is conducted by an independent consultant under the oversight of the Audit Committee.

SECTION 6

ADVOCACY: LEGISLATION, RULEMAKING, AND AMICUS CURIAE

6.1 LEGISLATION

The State Bar works closely with the Legislature to ensure that the framework governing the legal profession is consistent with the State Bar's public protection mission and the goals of the State Bar established in its Strategic Plan.

State Bar staff work with Board legislative liaisons to monitor legislative activity and advocate for the State Bar on legislative, policy, and budget matters before the Legislature and governor. The State Bar generally takes no position on bills involving substantive law. However, it may take a position on an apparent issue of substantive law if issues of procedure and substance are so inextricably intertwined that they directly affect the State Bar's core mission.

Legislative advocacy by Board members, Board standing committees, or subentities in the name of the State Bar may only occur by permission of the Board of Trustees or its designees. No standing committee or subentity of the State Bar may advocate in its own name.

6.2 RULEMAKING

To define and carry out statutes contained in the State Bar Act, the Board has promulgated State Bar Rules that the Board may amend or repeal at its discretion. State Bar Rules outline the practices of the State Bar, including those related to its governance, admissions and educational standards, programs, and services.

The Board may recommend to the Supreme Court enactment or modification of Rules of Professional Conduct. Rules of Professional Conduct establish standards of legal ethics and professional responsibility for attorneys in California and take effect upon approval by the Supreme Court.

The State Bar also works with the California Supreme Court on California Rules of Court regarding the practice of law.

(Source: Bus. & Prof. Code §§ 6025, 6077)

6.3 AMICUS CURIAE

As a regulatory agency, the State Bar does not generally participate in litigation as amicus curiae. Amicus participation by the State Bar will generally be considered only where the litigation impacts issues germane to the State Bar, including the validity, interpretation, and implementation of the State Bar Act and the missions of the State Bar.

No subentity of the State Bar may participate as amicus in its own name in any litigation.

Participation as amicus in the name of the State Bar may occur only by permission of the Board of Trustees or its designees.

Any request for State Bar participation as amicus in any litigation must be submitted to the Office of General Counsel. The Office of General Counsel will make a recommendation whether to participate as amicus. In addition to evaluating requests for participation, the Office of General Counsel may on its own recommend that the State Bar participate as amicus in any litigation.

Any recommendation by the Office of General Counsel whether to participate as amicus will be decided by the full Board of Trustees or, if time does not permit, its chair.

In the event State Bar amicus participation is approved, the Office of General Counsel will, in consultation with the chair and/or a designee of the Board of Trustees, oversee the State Bar's amicus participation, including making any appearance necessary on behalf of the State Bar, overseeing preparation and filing of amicus briefs, and, where applicable, approving amicus briefs drafted by third parties in which the State Bar joins.

Any decision by the State Bar not to participate as amicus curiae in any litigation is not intended to be and should not be interpreted as the State Bar taking any position in such litigation.

SECTION 7

STAFFING

7.1 EXECUTIVE DIRECTOR

The executive director is appointed by and is directly accountable to the Board of Trustees as a whole. While the Board is fundamentally responsible for the governing responsibilities of the State Bar, it delegates responsibility for organizational management to staff through the executive director.

The Board has authority to hire and fire only the executive director, chief trial counsel (CTC), and general counsel. The executive director has final authority to hire or fire all other staff, subject to applicable State Bar rules and regulations and memoranda of understanding with the bargaining units that represent State Bar employees. Because of this organizational structure, the Board and its members should not become involved in personnel decisions or any other matters involving any staff members other than those stated above. Concerns regarding State Bar staff should be directed to the executive director.

The executive director is responsible for the leadership and management of the State Bar according to the strategic direction set by the Board, including:

- Playing an active role in supporting the Board
- Speaking on behalf of the State Bar in public forums
- Executing conflict-of-interest waivers
- Authorizing certificates of recognition and/or proclamations bearing either the Board chair or the requesting Board member's signature to appropriate persons, groups, or staff
- Maintaining key external relationships
- Advancing the State Bar's Strategic Plan
- Providing appropriate direction to staff regarding internal operations and systems development
- Administering State Bar personnel matters
- Managing the financial affairs of the State Bar in an ethical and prudent fashion

An annual and confidential performance evaluation of the executive director will be conducted by the Board Executive Committee and presented to the Board for review and approval within 120 days after the anniversary date of the executive director's appointment. The evaluation will be based on an annual performance plan for the executive director and will be in the form of a memo from the Board chair or designee to the executive director, or as oral feedback from the Board chair or designee to the executive director which will then be documented in a memo from

the executive director to the Board chair. In its discretion the Board Executive Committee may conduct a formal 360-degree survey to solicit stakeholder feedback on the executive director's performance, as one input into the performance evaluation. The Board Executive Committee and/or the Board may meet in closed session to discuss the annual performance evaluation of the executive director.

7.2 CHIEF TRIAL COUNSEL

The CTC is the designated legal counsel responsible for the enforcement and prosecutorial arm of the disciplinary system. The Board must appoint a lawyer admitted to practice in California to serve as CTC, subject to confirmation by the State Senate. The CTC is appointed for a term of four years and may be reappointed for additional four-year periods. The CTC serves at the pleasure of the Board and must not engage in private practice.

The CTC reports to and serves under the Board of Trustees acting as the Regulation and Discipline Committee and does not serve under the direction of the executive director. However, the CTC and the Office of the CTC are subject to the executive and administrative authority of the executive director with regard to personnel, budget, facilities, and other institutional matters. While the CTC works with the executive director on personnel and budget matters, the executive director has final authority on those matters. The State Bar, through its executive director, must respect the prosecutorial integrity and independence of the CTC.

An annual and confidential performance evaluation of the CTC will be conducted by the Board Executive Committee and presented to the Board (acting as the Regulation and Discipline Committee) and Executive Committee, within 120 days after the anniversary date of the CTC's appointment. The evaluation will be based on an annual performance plan for the CTC and will be in the form of a memo from the Board chair or designee to the CTC, or as oral feedback from the Board chair or designee to the CTC which will then be documented in a memo from the CTC to the Board chair. In its discretion the Board Executive Committee may conduct a formal 360-degree survey to solicit stakeholder feedback on the CTC's performance, as one input into the performance evaluation. The Board Executive Committee and/or the Board may meet in closed session to discuss the annual performance evaluation of the CTC.

(Source: Gov. Code § 1774, Bus. & Prof. Code § 6079.5)

7.3 GENERAL COUNSEL

The Office of General Counsel is the designated legal counsel to the State Bar as an entity, including the State Bar's subentities, subject to the direction of the Board and its Executive Committee. Under Rule of Professional Conduct 1.13 (Organization as Client), the general counsel represents the State Bar as an entity, acting through the Board of Trustees as the State Bar's highest body. Legal advice to the State Bar and its subentities shall in all instances be rendered

only by the Office of General Counsel, except where the general counsel retains outside counsel in compliance with existing policy for the retention of such counsel.

The general counsel is authorized to take all necessary actions to protect the legal interests of the State Bar. The general counsel shall keep the Board or its designee(s) reasonably informed of significant developments in major legal matters involving the State Bar.

The general counsel is authorized to enter into settlement agreements involving the payment of up to \$25,000, so long as the settlement does not involve a material policy issue as defined by Section 5.2.6 of the Board of Trustees Policy Manual. The delegation of the foregoing settlement authority to the general counsel includes the consideration and rejection of any settlement offer, if the general counsel, in consultation with the executive director, as appropriate, determines that the likely monetary exposure of the State Bar is \$25,000 or less and any such settlement does not involve a material policy issue. The general counsel also has authority to reject settlement offers if the general counsel, in consultation with the executive director, as appropriate, determines that the likely monetary exposure is valued at less than the offer amount and any such settlement does not involve a material policy issue. The general counsel will report to the Board on all settlement offers accepted and rejected that were within either the general counsel's or Executive Committee's settlement authority.

An annual and confidential performance evaluation of the general counsel will be conducted by the Board Executive Committee and presented to the Board for review and approval within 120 days after the anniversary date of the general counsel's appointment. The evaluation will be based on an annual performance plan for the general counsel and will be in the form of a memo from the Board chair or designee to the general counsel, or as oral feedback to the general counsel which will then be documented in a memo from the general counsel to the Board chair. In its discretion the Board Executive Committee may conduct a formal 360-degree survey to solicit stakeholder feedback on the general counsel's performance, as one input into the performance evaluation. The Board Executive Committee and/or the Board may meet in closed session to discuss the annual performance evaluation of the general counsel.

7.4 STATE BAR COURT

The State Bar Court is the court established by the Board of Trustees pursuant to section 6086.5 of the Business and Professions Code.³ State Bar Court judges are appointed by the California Supreme Court, Legislature, or governor, and are subject to the Rules and Regulations of the

³ Business and Professions Code section 6086.5 ["The board of trustees shall establish a State Bar Court, to act in its place and stead in the determination of disciplinary and reinstatement proceedings and proceedings pursuant to subdivisions (b) and (c) of section 6007 to the extent provided by rules adopted by the Board of Trustees pursuant to this chapter."]

The Administrator shall submit regular reports to the Board of Trustees about the status of assigned matters.

The Administrator shall raise to the Rule 2201 Discipline Liaisons any policies that deviate from State Bar or OCTC policies and shall provide reasons the deviation is necessary or appropriate.

SECTION 8

COMMUNICATION

8.1 CONTACT FOR STATE BAR INQUIRIES

The prevalence of social media and the media in general require that consumers, applicants, licensees, and other stakeholders be provided with as much information as possible, in a manner that is consistent, timely, and factually accurate. Written or verbal statements made by individual members of the Board, Board standing committees, or subentities could easily be misconstrued as a statement, policy, or decision on behalf of the Board or the State Bar as a whole.

Therefore, the only persons with standing authority to respond to inquiries made to the Board, or to make public statements on behalf of the Board or the State Bar, are the executive director, the chair, or their designees.

While Board members may not speak on behalf of the State Bar unless expressly authorized to do so, Board members may communicate with licensees and other members of the public regarding matters related to the State Bar if:

- The communication is clearly designated as the member's individual act, opinion, or position and not that of the State Bar; and
- No confidential matter or document is commented upon or published or released without prior Board approval; and
- No State Bar funds are expended to further the communication, unless prior Board approval is obtained.

(Source: State Bar Rule 6.21)

8.2 USE OF STATE BAR STATIONERY AND BUSINESS CARDS

State Bar letterhead is to be used only for official business. Only correspondence that is transmitted by State Bar staff may be printed or written on State Bar letterhead. State Bar business cards, to be used for official business, will be made available to Board members upon request.

8.3 ELECTRONIC COMMUNICATIONS (EMAIL)

Board members are encouraged to use their official State Bar email addresses or, in the alternative, to copy or forward their State Bar email accounts when conducting State Bar business. This will ensure that the information created, transmitted, and received by Board members is stored on the State Bar's email server and will enable Board members and the State

Bar to easily search for records responsive to California Public Record Act requests without having to search through personal or work-related emails. It will also ensure that State Bar information is securely and confidentially maintained.

8.4 RESPONDING TO INQUIRIES FROM THE PUBLIC OR MEDIA

All technical, license, or disciplinary inquiries to a Board or subentity member from applicants, licensees, or members of the public should be referred to the executive director or their designee. Any inquiry or contact from the media should also be referred to the executive director or their designee.

8.5 SPEAKING ENGAGEMENTS AND PUBLIC OUTREACH

Requests for Board or subentity members to make presentations on behalf of the State Bar should be discussed with and approved by the chair or executive director. Discussion should include the subject matter to be presented.

8.6 DELEGATION OF AUTHORITY TO EXECUTE COPYRIGHT RELEASES

The Board authorizes the executive director or their designee to execute releases on behalf of the State Bar, in a form approved by the general counsel, for the reprinting and distribution of materials in which the State Bar owns copyrights, for educational purposes.

SECTION 9

EXPENSE REIMBURSEMENT

9.1 BOARD MEMBER TRAVEL

Board members will be reimbursed for expenses incurred when conducting required State Bar business as provided for in the [Travel and Business-Related Expense Policy for Volunteers and Contractors](#). To seek reimbursement, all members must submit a completed Expense Report on the current electronic version of the Expense Report form to the secretary of the Board and include the required supporting documentation. Members should employ expense discipline to minimize travel expenses. The State Bar will provide Board members with the relevant policies and forms necessary to seek reimbursement.

9.2 TRAVEL ARRANGEMENTS

Board members are responsible for coordinating their own travel arrangements to and from State Bar meetings and events, except for lodging when the State Bar has contracted for a block of hotel rooms for a group meeting. The State Bar participates in the California Statewide Travel Program managed exclusively by the Travel Store, and coordinated by Meeting & Travel staff in the State Bar's Office of General Services. Board members may, if they wish, set up a Travel Store profile and make air, car rental, and hotel reservations by phone or by using the Travel Store's online reservation system.

9.3 LODGING FOR STATE BAR MEETINGS

The State Bar reserves a block of rooms for most group meetings and events. Staff will send an email prior to the meeting or event to identify those members needing a room and will advise the hotel of the attendees. Attendees of that meeting or event should stay at the contracted hotel to ensure that the minimum number of contracted rooms is met. Board members who choose not to stay at the contracted hotel will only be reimbursed up to the State Bar's per diem rate for lodging.

When the State Bar has not reserved a block of hotel rooms for a group meeting or event, Board members should make their own arrangements, but should confirm if government rates or other discounted rates are available. Reimbursement for lodging expenses will be made for the actual cost of a standard hotel room, up to the maximum authorized lodging rate as noted in the travel policy.

9.4 MEAL PER DIEM

Meal costs will be reimbursed at the authorized per diem meal rate as noted in the travel policy. The meal per diem may not be claimed when a meal is otherwise provided (e.g., a State Bar catered lunch).

9.5 STATUTORY COMPENSATION FOR PUBLIC MEMBERS

Public members (nonattorneys) of the Board of Trustees are entitled to receive \$50 per day for each day actually spent in the discharge of official duties, not to exceed \$500 per month. Public members of State Bar created subentities are entitled to receive \$50 per day for each day that they attend a subentity meeting of at least one hour in length. All public members must complete and return the Public Member Request for Statutory Compensation form to receive this compensation. Attorney members do not receive any compensation other than travel reimbursement and the per diem for meals and incidentals when traveling on State Bar business.

(Source: Bus. & Prof. Code § 6028; Board of Trustees, July 23, 2021)

SECTION 10

BOARD MEMBER TRAINING

10.1 BOARD MEMBER ORIENTATION

A mandatory Board of Trustees member orientation and training meeting will be conducted in conjunction with the September meeting. All State Bar volunteers must be provided a formal orientation which includes, among other State Bar related topics, training on implicit bias and diversity. Members unable to attend the meeting will be offered the opportunity to schedule a substitute meeting to comply with this requirement and may also watch it on an archived webcast.

(Source: Bus. & Prof. Code § 6079.1)

10.2 ANNUAL BOARD MEMBER TRAINING

As determined by the chair, in consultation with the executive director, ongoing training of the Board will be given as needed throughout the year. Topics may include the Bagley-Keene Act, admissions, the disciplinary process, budget process, access to justice, labor relations, antitrust policy, and the California Public Records Act.

SECTION 11

ETHICS AND CONFLICTS OF INTEREST

Members of the Board of Trustees must act ethically and prudently in exercising their duties, recognizing that their role is that of a fiduciary. Violations of the applicable statutes and policies governing these duties can result in serious penalties, including fines, disqualification from holding public office, or, in certain cases, criminal sanctions.

Additionally, as set forth below, the Board of Trustees may issue admonishments, sanctions, or censures for violation of ethics and conflicts of interest rules, and may refer an individual Trustee's violations of ethics or conflict of interest rules to the Trustee's appointing authority for consideration for potential removal from the Board of Trustees for cause.

This Section 11 summarizes Trustees' obligations with respect to ethics and conflicts of interest. Trustees remain bound by all applicable law, including Business and Professions Code sections 6035–6038, Government Code sections 1090, et seq., and the Conflict of Interest Code for the Board of Trustees of the State Bar of California, and should read these provisions in their entirety. (See Appendix C.)

11.1 TRUSTEES' GENERAL DUTY TO ACT ETHICALLY AND CONSISTENT WITH FIDUCIARY DUTIES

Trustees must conduct themselves ethically, honestly, and with integrity in all dealings relating to the State Bar. Principles of fairness, good faith, and respect consistent with all applicable laws and regulations must govern Trustees conduct.

Trustees are fiduciaries who must exercise disinterested skill and undivided loyalty to the State Bar in their work as Trustees, including all participation in State Bar decisionmaking and when communicating or appearing as a representative of the State Bar. Stewardship of the public interest must be their primary concern in all work as Trustees. Trustees must act for the common good of Californians, and not for any private or personal interest.

Consistent with these duties, Trustees must not use State Bar resources (including but not limited to State Bar staff time, equipment, supplies, facilities, and the State Bar name) for private gain or any political or personal purposes.

These ethical requirements are consistent with and support the State Bar's [organizational values](#) of Clarity, Investing in Our People, Excellence, Respect, and Growth Mindset.

11.2 CONFLICT OF INTEREST

Because Trustees are required to exercise disinterested skill and undivided loyalty to the State Bar, it is incumbent upon Trustees to recognize when they have a financial or personal conflict of interest under applicable law, so that they may recuse themselves from participating in any decisionmaking affected by such conflicts. It is ultimately the responsibility of each Trustee to disqualify themselves from decisionmaking where they have a financial or personal conflict. A Trustee who fails to disqualify themselves from participating in a decision where there is a personal or financial conflict may be personally liable for criminal or civil penalties, as discussed below in Section 11.7; however, a Trustee's failure to disqualify themselves or to otherwise comply with the obligations set forth in this Section 11 does not invalidate any Board action unless provided for by applicable law.

11.2.1 Financial Conflicts

Pursuant to Business and Professions Code, section 6036, subdivision (a), a Trustee has a financial conflict in a State Bar decision, and should not in any way participate in or attempt to affect such decisionmaking, if they have a financial interest, as that term is defined in section 87103 of the Government Code, that it is reasonably foreseeable may be materially affected, in a manner distinguishable from the effect on the public generally, by the decision.

In general, Trustees have a financial interest in their own and/or their spouse's, registered domestic partner's, or dependent children's personal finances, including expenses, income, assets, or liabilities.

Additionally, Trustees generally have a financial interest in:

- Any business entity in which they or their spouse, registered domestic partner, and/or dependent children have an investment of \$2,000 or more;
- Any business entity in which they or their spouse, registered domestic partner, and/or dependent children are a director, officer, partner, trustee, employee, or hold any position of management;
- Any individual or entity from which the Trustee or their spouse, registered domestic partner, and/or dependent children have received income of \$500 or more, or gifts totalling \$590 or more⁹, within the previous 12 months; and
- Any real property in which they or their spouse, registered domestic partner, and/or dependent children hold a \$2,000 or greater interest.

⁹ Until December 31, 2024, \$590 is the threshold at and above which a donor of a gift is considered a financial interest. The Fair Political Practices Commission will issue a regulation updating the threshold prior to December 31, 2024.

Whether a financial interest would be “materially” affected by a State Bar decision is a fact-intensive inquiry. If a Trustee has any financial interest that may be materially affected by a State Bar decision, they should consult with the general counsel or designated staff from the Office of General Counsel to determine whether this constitutes a financial conflict requiring recusal.

11.2.2 Personal Conflicts

Pursuant to Business and Professions Code, section 6036, subdivision (b), a Trustee has a personal conflict with a State Bar decision, and should not in any way participate in or attempt to affect such decisionmaking, if they have a personal interest in the decision that may prevent the Trustee from applying disinterested skill and undivided loyalty to the State Bar in making or participating in the making of the decision. Even if a Trustee believes they can apply disinterested skill and undivided loyalty despite the existence of a personal interest, they have a conflict if it would appear to a reasonable person that the interest would prevent the Trustee from applying disinterested skill and undivided loyalty to the State Bar.

The question whether such a personal interest exists is highly fact-specific. In general, a Trustee likely has a disqualifying personal interest in a State Bar decision if the decision would have an impact, distinct from the impact on the public generally, on the Trustee or any person with whom the Trustee has, or in the previous 12 months has had, a personal or professional relationship.

A Trustee has a “personal relationship” with a person if the person and the Trustee are relatives or they have another relationship of a nature that could be perceived by a reasonable person as personal and potentially affecting the Trustee’s ability to act impartially with respect to the person. For these purposes, “relative” means any of the following: foster, step and adoptive relationships; spouse or domestic partner or significant other; child; great-grandparents; grandparents; parents; father-in-law or father of domestic partner or significant other; mother-in-law or mother of a domestic partner or significant other; uncles; aunts; siblings (including half-siblings); grandchildren; great-grandchildren; sons-in-law; daughters-in-law; nephews; nieces; and first cousins. Thus, for example, a Trustee would have a personal relationship with any of the following: parent, sibling, first cousin, significant other, roommate, or close friend.

A Trustee has a “professional relationship” with a person if the Trustee employs or is a partner, officer, director, or employee of an entity that employs the person; is employed by the person or an entity in which the person is a partner, officer, director, or employee; is a member of a joint venture, partnership, or other for-profit or non-profit entity of which the person is also a member; represents or is a member of an entity that represents the person; is represented by the person or an entity in which the person is a member; or has another relationship of a nature that could be perceived by a reasonable person as professional and potentially affecting the individual’s ability to act impartially with respect to the person. Thus, for example, a Trustee

would have a professional relationship with any of the following: an attorney who is a partner or associate in a law firm from which another attorney is representing the Trustee in any legal dispute; an IT consultant employed by the Trustee; or a person who sits on the board of a nonprofit food bank for which the Trustee is also a board member.

Other examples of where a Trustee may have a disqualifying personal interest in a State Bar decision include decisions involving issues on which the Trustee, or any organization of which they are a member, director, officer, partner, trustee, employee, or in which they hold any position of management or leadership, have taken public positions based on their private or personal interests. Thus, for example, if a Trustee is on the board of a professional association that has publicly advocated for or against a State Bar policy, the Trustee likely has a disqualifying personal interest in any State Bar decision involving such policy.

(Source: Bus. & Prof. Code § 6036.)

11.2.3 Conflicts Regarding State Bar Contracts

Strict conflicts of interest rules also apply to State Bar contracts. Trustees cannot be financially interested in any contract made by them in their official capacity, by the Board, or by the State Bar. For conflict purposes, a contract includes, but is not limited to, purchase orders, payments for goods and services, leases, and grants.

If one Trustee has a “financial interest,” the State Bar cannot enter into the contract. There are, of course, exceptions to this rule. See [Appendix D](#) for references.

(Source: Gov. Code § 1090.)

11.3 DISQUALIFICATION PROCEDURES

11.3.1 Disqualification by the Trustee

If a Trustee has a financial or personal conflict in a State Bar decision, they must disqualify themselves from making, participating in the making of, or attempting to influence such decision. Additionally, they must: (1) immediately disclose the interest at any public meeting at which the decision is considered, (2) withdraw from any participation in the matter, (3) refrain from attempting to influence another Trustee, and (4) refrain from voting. When disclosing the interest, it is sufficient that the Trustee indicate only the existence of a disqualifying financial or personal interest, without disclosing the specific interest.

11.3.2. Disqualification by the Board

While it is the responsibility of a Trustee to determine whether they have a personal conflict or financial conflict such that they must disqualify themselves from participating in a State Bar decision, when facts indicating an existence of a conflict of interest are brought to the Office of General Counsel’s attention for evaluation and the Office of General Counsel advises a Trustee

that they should disqualify themselves from the decision, they are generally expected to do so. If a Trustee indicates that they will not follow disqualification advice, the general counsel or designee will notify the chair or vice chair or, if both are the subject of the disqualification advice, the chair of the Board's Audit Committee or the entire Board, as appropriate under the circumstances. Any Trustee may then move, prior to the Board's discussion or and consideration of the decision at issue, that the Trustee subject to the disqualification advice be precluded by the Board from participating in the discussion and any vote on the decision. The Trustee who is the subject of the motion and the general counsel or designee shall both be permitted to speak on the motion, and then the Board shall vote on whether the Trustee should be excluded from participation in discussion and any vote on the decision. The Trustee who is the subject of the motion shall not vote on the motion.

(Source: Bus. & Prof. Code § 6036.)

11.4 CONFLICT OF INTEREST CODE FOR THE BOARD OF TRUSTEES OF THE STATE BAR OF CALIFORNIA

The rules regarding financial and personal conflicts for Board members and the effect and applicability of such rules are governed by statute and the Conflict of Interest Code for the Board of Trustees as adopted by the Supreme Court of California (Conflict of Interest Code). See [Appendix C](#) for references.

Board members must file disclosure statements on Form 700 prescribed by the Fair Political Practices Commission (FPPC) under certain circumstances as set forth in Government Code sections 87206 and 87207. Board members shall disclose an investment, an interest in real property, and income if, during a reporting period, the Board of Trustees has made a decision that materially affects that investment, interest in real property, or income.

Section 7 of the Conflict of Interest Code provides the applicable procedures if a Board member believes that disclosure of the name of a person who paid fees or made payments to a business entity would violate a legally recognized privilege under California law.

In addition to Conflict of Interest Code requirements, Board members are subject to the following Business and Professions Code sections regarding disclosures of financial and personal nonfinancial conflicts: Business and Professions Code sections 6035, 6036, 6037, and 6038.

11.5 TRAINING

Trustees must take a training course on the relevant ethics statutes and regulations (including regarding conflicts of interest, disqualification, and statements of economic interest (known as Form 700s)) that govern the official conduct of Trustees within the first six months of taking office, and then at least once during every consecutive period of two calendar years commencing on the first odd-numbered year after the Trustee takes office.

The State Bar will offer a training course at least once a year so that Trustees can fulfill this requirement.

11.6 WHEN TRUSTEES SHOULD SEEK ADVICE

It is each Trustee's responsibility to identify any financial or personal conflicts of interest in State Bar decisions and to disqualify themselves from decisionmaking when such conflicts exist. Liability for failing to comply with conflicts of interest and ethics provisions, such as by participating in decisionmaking where there is a financial or personal conflict, ultimately falls on Trustees as individuals, and may include criminal and civil penalties as discussed below in Section 11.7.

In preparing for Board meetings, Trustees should review all agenda items and consider whether they have connections to any individuals or businesses or other entities mentioned in the agenda item or that would likely be affected by a decision on the agenda item such that the Trustee may have a financial or personal conflict.

To help Trustees identify conflicts—and to assist the Office of General Counsel in its efforts to assist in screening for such conflicts—all Trustees are encouraged to meet with the Office of General Counsel to discuss potential sources of conflicts shortly after taking office. Additionally, Trustees are encouraged to contact the general counsel or designee to discuss any changed circumstances that could give rise to conflicts. These include, but are not limited to:

- New employers, or new positions or responsibilities, at existing employers;
- New membership in or leadership roles in professional associations or other nonprofit organizations;
- New volunteer roles or activities, especially activities involving fundraising;
- Instances in which a person with whom the Trustee has a personal or professional relationship becomes a State Bar employee, volunteer, vendor, consultant, or contractor.

Advice regarding financial conflicts can also be obtained directly from the Fair Political Practices Commission (FPPC), via email at advice@fppc.ca.gov or by telephone at 1-866-275-3722. The FPPC provides further information about financial conflicts of interest on its [website](#). Trustees who obtain advice from the FPPC are encouraged to share any advice received with the general counsel or designee.

11.7 ENFORCEMENT AND ACCOUNTABILITY

The Board of Trustees takes seriously any violation by Trustees of applicable ethics or conflicts of interests laws or regulations. In the event that a Trustee is alleged by another Trustee to have violated any applicable ethics or conflicts of interests laws or regulations, such allegation should be made to the chair and/or vice-chair of the Board. If the chair and vice-chair are both the subject of the allegation, the person making the allegation should contact the general counsel

and the executive director for assistance. The general counsel and/or executive director, as appropriate, shall take appropriate actions to review, and where appropriate, investigate such allegation. Following appropriate review of the allegation, the general counsel or designee will report back to the chair, vice-chair and/or the Board, as appropriate under the circumstances, in an appropriate forum, with recommended course of actions as deemed appropriate.

The Board's consideration of the allegation and any potential action may take place in open session or, if authorized under applicable law, closed session.

The Board may choose to take no action if it determines no violation of applicable ethics or conflicts of interest laws or regulations occurred. Alternatively, it may pursue one of the following actions:

- *Admonition*: This is the least severe form of action. An admonition may typically be directed to all members of the Board of Trustees, reminding them that a particular type of behavior is in violation of applicable law or regulations and that if it occurs or is found to have occurred, it could make a Trustee subject to sanction or censure. An admonition may be issued in response to a particular alleged action or actions, although it would not necessarily have to be triggered by such allegations. An admonition may be issued by the Board of Trustees without any findings of fact regarding allegations, and because it is a warning or reminder, it would not require a separate hearing to determine whether the allegation is true.
- *Sanction*: This is the next most severe form of action. Sanction should be directed to a particular Trustee based on a particular action (or set of actions) that is determined to be in violation of applicable law or regulations, but is considered by the Board to be not sufficiently serious to require censure. A sanction is distinguished from censure in that it is not a punishment. Because it is not punishment or discipline, a sanction would not require a separate hearing; however, the Trustee subject to sanction must be given an opportunity to be heard regarding the allegation before any sanction is issued.
- *Censure*: Censure is the most severe form of action available to the Board of Trustees. Censure is a formal statement of the Board officially reprimanding one of its members. It is a punitive action, which serves as a penalty imposed for wrongdoing. It may be combined with loss of committee assignments and/or a referral to the authority that appointed the Trustee along with a request and recommendation that the appointing authority remove the Trustee from the Board for cause. Censure should be used for cases in which the Board determines the violation is a serious offense. If the Board decides to propose censure it may not issue the censure at the Board meeting where the issue is first considered. Rather, the Board must set the matter for consideration at a future meeting, at which the Trustee subject to the potential sanction must be given advanced notice and an opportunity to be heard, and at which the Trustee may be represented by counsel.

These self-imposed accountability measures are in addition to any other remedies or penalties available under applicable law.

Pursuant to Business and Professions Code section 6037, any Trustee who intentionally violates the obligation to disqualify themselves from a State Bar decision in which they have a financial interest that is reasonably foreseeable may be materially affected, in a manner distinguishable from the effect on the public generally, is guilty of a misdemeanor, punishable by imprisonment in the county jail not exceeding five days, or by a fine not exceeding one thousand dollars (\$1,000), or by both. If the Trustee is an attorney, a certified copy of the record of conviction shall be transmitted to the Supreme Court for disposition as provided in Business and Professions Code sections 6101 and 6102.

Business and Professions Code section 6037 further provides that any Trustee who intentionally violates the obligation to disqualify themselves from a State Bar decision if they have a personal interest in the decision that may prevent the Trustee from applying disinterested skill and undivided loyalty to the State Bar in making or participating in the making of a decision shall be liable for a civil penalty not to exceed five hundred dollars (\$500) for each violation. The civil penalty may be assessed and recovered in a civil action in a court of competent jurisdiction brought in the name of the State only by a district attorney of a county in which the Trustee resides or maintains offices, and the penalty collected shall be paid to the treasurer of that county.

11.8 POLICY RESTRICTING BUSINESS WITH THE STATE BAR AFTER LEAVING OFFICE

Members of the Board of Trustees and senior managers designated by the executive director for a period of 12 months following expiration of their term of office or termination of employment shall not:

Seek to do, or do, business with the State Bar for monetary gain, or act as an agent or attorney for, or otherwise represent any person, for compensation by making any formal or informal appearance, or any oral or written communication before the State Bar, or any officer or employee or agent thereof, if the appearance or communication is for the purpose of influencing official State Bar action, including the awarding or revocation of services, contracts, or the sale or purchase of goods or property.

The Board, or its designee, may waive the requirements of this policy for good cause.

Relevant Business & Professions Code Sections

§ 6035. Definitions

Unless the contrary is stated or clearly appears from the context, the definitions set forth in Chapter 2 (commencing with section 82000) of Title 9 of the Government Code shall govern the interpretation of this article.

§ 6036. Disqualification of member for financial or personal interest;

exception; disclosure

- a. Any member of the Board of Trustees shall disqualify themselves from making, participating in the making of, or attempting to influence any decisions of the board or a committee of the board in which they have a financial interest, as that term is defined in section 87103 of the Government Code, that is reasonably foreseeable may be affected materially by the decision.
- b. Any member of the Board of Trustees shall likewise disqualify themselves when there exists a personal nonfinancial interest that will prevent the member from applying disinterested skill and undivided loyalty to the State Bar in making or participating in the making of decisions.
- c. Notwithstanding subdivisions (a) and (b), no member shall be prevented from making or participating in the making of any decision to the extent their participation is legally required for the action or decision to be made. The fact that a member's vote is needed to break a tie does not make their participation legally required for the purposes of this section.
- d. A member required to disqualify themselves because of a conflict of interest shall (1) immediately disclose the interest; (2) withdraw from any participation in the matter; (3) refrain from attempting to influence another member; and (4) refrain from voting. It is sufficient for the purpose of this section that the member indicate only that they have a disqualifying financial or personal interest.
- e. For purposes of this article and unless otherwise specified, "member" means any appointed or elected member of the Board of Trustees.

§ 6037. Violations by members; validity of action or decision of Board; misdemeanor; termination of member; civil and criminal penalties

No action or decision of the Board of Trustees or committee of the Board shall be invalid because of the participation therein by a member or members in violation of section 6036. However, any member who intentionally violates the provisions of subdivision (a) of section 6036 is guilty of a misdemeanor, punishable by imprisonment in the county jail not exceeding five days, or by a fine not exceeding \$1,000, or by both, and, if the member is an attorney member of the Board, a certified copy of the record of conviction shall be transmitted to the Supreme Court for disposition as provided in sections 6101 and 6102. Upon entry of final judgment of conviction, the member's term of office on the Board of Trustees, and duties and authority incidental thereto, shall automatically terminate. Any member who intentionally violates the provisions of subdivision (b) of section 6036 shall be liable for a civil penalty not to exceed \$500 for each violation, which shall be assessed and recovered in a civil action in a court of competent jurisdiction brought in the name of the state only by a district attorney of a county in which the member resides or maintains offices, and the penalty collected shall be paid to the treasurer of that county.

§ 6038. Governmental decisions of specified state agencies; applicability of article to State Bar members thereof

Attorney members of the Judicial Council, members of the Commission on Judicial Performance who are not judges, and employees designated in the Conflict of Interest Code of the State Bar of California are subject to provisions of this article with respect to making, participating in the making, or attempting to influence governmental decisions of their respective state agencies other than decisions of a judicial or quasi-judicial nature.

- d. The willful failure of an officer to disclose the fact of their interest in a contract pursuant to this section is punishable as provided in section 1097. Any donor of, or any intermediary or agent for a donor of, a gift or gifts aggregating \$250 or more in value provided to, received by, or promised to the public official within 12 months prior to the time when the decision is made. The amount of the value of gifts specified by this subdivision shall be adjusted biennially by the commission to equal the same amount determined by the commission pursuant to subdivision (f) of section 89503.

For purposes of this section, “indirect investment or interest” means any investment or interest owned by the spouse or dependent child of a public official, by an agent on behalf of a public official, or by a business entity or trust in which the official, the official’s agents, spouse, and dependent children own directly, indirectly, or beneficially a 10-percent interest or greater.

If an investment or an interest in real property is required to be disclosed under this article, the statement shall contain:

- a) A statement of the nature of the investment or interest.
- b) The name of the business entity in which each investment is held, and a general description of the business activity in which the business entity is engaged.
- c) The address or other precise location of the real property.
- d) A statement whether the fair market value of the investment or interest in real property equals or exceeds \$2,000 but does not exceed \$10,000; whether it exceeds \$10,000 but does not exceed \$100,000; whether it exceeds \$100,000 but does not exceed \$1,000,000; or whether it exceeds \$1,000,000.
- e) In the case of a statement filed under sections 87203 or 87204, if the investment or interest in real property was partially or wholly acquired or disposed of during the period covered by the statement, and the date of acquisition or disposal.
- f) For purposes of disclosure under this article, “interest in real property” does not include the principal residence of the filer or any other property which the filer utilizes exclusively as the filer’s personal residence.

§ 87207. Income; statement; contents

- a) If income is required to be reported under this article, the statement shall contain, except as provided in subdivision (b):
 - (1) The name and address of each source of income aggregating \$500 or more in value, or \$50 or more in value if the income was a gift, and a general description of the business activity, if any, of each source.
 - (2) A statement whether the aggregate value of income from each source, or in the case of a loan, the highest amount owed to each source, was at least \$500 but did not exceed \$1,000; whether it was in excess of \$1,000 but was not greater than \$10,000; whether it was greater than \$10,000 but not greater than \$100,000; or whether it was greater than \$100,000.
 - (3) A description of the consideration, if any, for which the income was received.
 - (4) In the case of a gift, the amount and the date on which the gift was received, and the travel destination for purposes of a gift that is a travel payment, advance, or reimbursement.

- (5) In the case of a loan, the annual interest rate, the security, if any, given for the loan, and the term of the loan.
- b) If the filer's pro rata share of income to a business entity, including income to a sole proprietorship, is required to be reported under this article, the statement shall contain:
 - (1) The name, address, and a general description of the business activity of the business entity.
 - (2) The name of every person from whom the business entity received payments if the filer's pro rata share of gross receipts from that person was equal to or greater than \$10,000 during a calendar year.

- c) If a payment for travel, including an advance or reimbursement, is required to be reported pursuant to this section, it may be reported on a separate travel reimbursement schedule, which shall be included in the filer's statement of economic interests. A filer who chooses not to use the travel schedule shall disclose payments for travel as a gift, unless it is clear from all surrounding circumstances that the services provided were equal to or greater in value than the payments for the travel, in which case the travel may be reported as income.

PUBLIC COMMENT POLICY FOR THE BOARD OF TRUSTEES AND SUBENTITIES

The State Bar of California welcomes public comment at all of its public meetings and appreciates listening to a wide range of viewpoints that reflect the diversity of California. These public comment rules are designed to ensure that members of the public may exercise their right to be heard, as well as ensure that the State Bar is able to fulfill its obligation to conduct business on behalf of the people of California in a timely fashion.

Written Public Comment

Members of the public may submit comments in writing before any public meeting by sending them directly to the email address listed on the agenda.

To allow sufficient time for the Board and subentity members to review written public comments, members of the public are encouraged to submit written comments at least 24 hours prior to the start of a meeting. Written comments received less than 24 hours before the start of the meeting may not be provided to members prior to the meeting but in any event will be distributed the following business day.

Written materials brought to a meeting for distribution will be held by the Board secretary or committee coordinator and will be distributed after the meeting.

Information regarding how to provide public comment will be on each meeting webpage and all meeting agendas.

Oral Public Comment

The State Bar welcomes public comment in person, over the telephone, or by video conference. Instructions for making oral comment are posted on the State Bar's website and include the process for signing up to speak. Members of the public are encouraged to sign up to speak in advance of the meeting but may speak at the time public comment is called. Members of the public attending the meeting remotely will be called on in the order that they appear in the attendee list. Those who sign-up to provide oral comment in person will be recognized in the order in which they signed up. These instructions are consistent with the State Bar's Public Comment Policy and the Bagley-Keene Open Meeting Act.

Making A Written Request to Speak

Individuals may request to speak in advance of a meeting, or they can make the request at the meeting. Information about how to sign-up in advance will be on each meeting agenda as well as on the meeting webpage.

Those who submit a written request to speak will receive a written confirmation of receipt. Members of the public are asked to provide the speaker's first and last name and the topic or the number of the specific agenda item they wish to address. People will be called to speak in the order in which they signed-up.

The deadline for advance sign-up to speak is 24 hours prior to the start of the meeting. The chair of all State Bar meetings generally calls for public comment at the beginning of each meeting. The chair will set a time limit for each speaker of not less than two minutes per speaker prior to the start of the public comment period. The time limit will be the same for all speakers on a particular item.

When a large number of speakers wish to comment on one item on the agenda, the chair may decide to take general public comment at the start of the meeting and take public comment on a specific agenda item when that item is called.

The State Bar encourages groups of people who have a shared position to appoint one or more spokesperson(s) to speak for their group. The chair shall verbally request those who share their views to stand up or raise their hands via Zoom to acknowledge the number of people signifying their support to communicate more fully to those who are unable to see because of vision impairment or because they are participating by telephone without video.

Members of the public cannot cede their time to another speaker.

The chair has the discretion to allow members of the public who wish to speak following closure of the public comment to make remarks at any time during the meeting.

Given time constraints, it is not guaranteed that all who request to speak will be accommodated. The time allotted for public comment will vary according to the number of requests received and the time available. If numerous requests are received, individual speaker time may be limited, but will be not less than two minutes per speaker prior to the start of the public comment period. After two hours of public comment, inclusive of a 10-minute break, or up to the first 100 speakers, whichever comes first, the chair may declare the public comment session closed.

Organizational entities who will be directly affected by an action will receive additional time to address the body, however time limits will be placed on either the total time or the number of official representatives that can address the body. Comment by affected entities will be heard at the time the respective agenda item is called. Entities who wish to address the body must contact the Board secretary or committee coordinator not less than 72 hours in advance of the meeting for scheduling purposes.

Requests for Accommodation

Individuals in need of interpreters or other reasonable accommodations must contact the Board secretary or committee coordinator at least three business days in advance of the meeting. Reasonable accommodations will be provided free of charge. Public speakers who require interpreters shall be given at least twice the time limit for other speakers. The granting of

additional time for speakers who require other accommodations is at the discretion of the chair but must be sufficient to allow people needing special accommodations to have an equal opportunity to address the State Bar as those who do not.

Maintain Decorum at Meetings

A meeting is a limited public forum, and State Bar policy bodies must give broad rein to a speaker's right of self-expression so long as comments made relate to the specific agenda item or to items under the jurisdiction of the State Bar of California. Members of the public have the right to comment on or criticize the State Bar's programs, practices, policies, and services, as well as its members and staff.

The State Bar of California invites public comment about its operations, including comment about the performance of its public officials and employees. However, any person—whether that person is attending in person, by phone, or by video conference—who engages in disorderly conduct or utters loud, threatening, offensive, or abusive language that disrupts, disturbs, or otherwise impedes the orderly conduct of the meeting shall, at the discretion of the chair, be barred from further audience before the body at that meeting.

In addition, State Bar policies, along with federal and state laws, prohibit discrimination against or harassment of State Bar employees based on race, color, ancestry, national origin, ethnicity, citizenship, sex (including pregnancy, childbirth, breastfeeding, or related medical conditions), age, religion, religious creed, disability or medical condition, HIV/AIDS status, genetic information, sexual orientation, marital status (including domestic partnership), gender, gender identity, , gender expression, sexual orientation, military and veteran status or any other status protected by state or federal laws. Should there be any such discriminatory or harassing comments during public comment, at the discretion of the chair, the following actions shall be taken:

1. The chair shall read, at the chair's option, the State Bar's policy regarding discrimination and harassment into the record. That policy is as follows:
"The State Bar maintains zero tolerance for unlawful harassment, discrimination, and retaliation. Employees must, at all times, treat all other employees, job applicants, and persons providing services to the State Bar with respect and dignity in accordance with this policy. Likewise, the State Bar will not tolerate harassment, discrimination, or retaliation against its employees, job applicants, or members of the public by any employees, or by any person with whom the State Bar has a business, service, or professional relationship."
2. The chair shall state that comments in violation of State Bar policy regarding discrimination and harassment will not be condoned and inform the speaker that their language is unwanted, unwelcome and/or inappropriate, and that they interfere with the ability of those present to listen and understand;
3. The chair shall further state that any State Bar employee who is offended or otherwise does not wish to attend due to the remarks is excused from attendance at

- the meeting during the remarks;
4. The speaker's time will be held during the chair's admonishment and the speaker will receive their full allotment of time unless the speaker's comments disrupt, disturb, or otherwise impede the orderly conduct of the meeting;
 5. The speaker will be allowed to continue after the admonishment; and
 6. The chair may call a recess to allow staff or public to leave and/or provide de-escalation.

In-person attendees at the meeting attendees shall not wear or display signs, placards, banners, hats, costumes or similar items at any time in the room where the meeting is held that obstruct the view of other audience members. In no event shall signs, placards, banners, props or similar items be larger than 8 ½ by 11 inches, taped to wall or doors, be illuminated, or be attached to any pole, stick or other device.. Signs, placards, or banners attached to any pole, stick, or device must be left outside of the security screening.

Waive Rules in Case of Emergency Situations

The State Bar may waive or override the above rules in case of emergency situations as defined in Section 11125.5(a–b) of the Bagley–Keene Open Meetings Act, or to maintain the orderly conduct of the meeting as defined by Section 11126.5 of the Bagley-Keene Open Meetings Act.

Please note that comments and materials received will, in full, become part of the public record.
