**INSTRUCTIONS FOR APPLICATION FOR
EXTENSION OF DETERMINATION OF MORAL CHARACTER**

Please carefully read these instructions. Each applicant is required to be aware of all requirements that follow and to comply with each one that is applicable. The completed application form **must be typewritten or legibly printed in ink.**

In answering questions appearing on the Application for Extension of Determination of Moral Character, applicants should consider the following:

Rule 4.40, Title 4, Division 1, Chapter 4 of the *Rules of the State Bar of California (Admissions Rules)* states:

- (A) An applicant must be of good moral character as determined by the Committee. The applicant has the burden of establishing that he or she is of good moral character.
- (B) “Good moral character” includes but is not limited to qualities of honesty, fairness, candor, trustworthiness, observance of fiduciary responsibility, respect for and obedience to the law, and respect for the rights of others and the judicial process.

Rule 4.41(A) of the *Admissions Rules* states:

“...An attorney who is suspended, disbarred, or otherwise not in good standing in any jurisdiction may not submit an application.”

RULES OF THE STATE BAR OF CALIFORNIA

The Application for Extension of Determination of Moral Character will be processed in accordance with Title 4, Division 1, of the Rules of the State Bar of California (*Admissions Rules*). The [Admissions Rules are available online \(http://rules.calbar.ca.gov/Rules/Title4AdmissionsandEducationalStandards.aspx\)](http://rules.calbar.ca.gov/Rules/Title4AdmissionsandEducationalStandards.aspx), or upon request from the Office of Admissions.

After completing and signing the application form, the form, fingerprint cards or a completed *Request for Live Scan Service* form, any necessary attachments and correct fees in the form of a personal check, cashier’s check or money order payable to The State Bar of California must be mailed in an envelope to the following address:

Office of Admissions
The State Bar of California

Los Angeles, CA 90015-2299

FEES AND FILING INFORMATION

Application for Extension of Determination of Moral Character **\$ 228.00**

THE FEES ARE SUBJECT TO CHANGE

RETURNED CHECKS

A charge of \$20.00 will be assessed when checks are not negotiated and are subsequently returned. **Stopping payment on a check or dishonoring a check does not constitute withdrawing an application. Applicants who do so will be required to return the fees and pay any additional fees required with a money order or cashier's check prior to being allowed to file any application in the future.**

APPLICATION FOR EXTENSION

When an Application for Determination of Moral Character is about to expire, in order to avoid completing that form again, an applicant must submit an Application for Extension of Determination of Moral Character (extension application). An extension application must be filed by an applicant no sooner than every 30 months and no later than every 36 months after an initial determination of good moral character has been made by the Committee of Bar Examiners ("Committee"), and after each subsequent determination, until such time as the applicant is certified for admission to practice law in California. The extension application must be accompanied by the fee specified in the schedule of fees published by the Committee and by two sets of fingerprints or a completed *Request for Live Scan Service* form. The extension application must be submitted in substantially complete form as defined by the Committee, and must be received in the Los Angeles Office of Admissions **on or before** the expiration date.

REAPPLICATION SUBSEQUENT TO RECEIPT OF AN ADVERSE MORAL CHARACTER DETERMINATION OR WITHDRAWAL UNDER CHAPTER 4 OF THE *ADMISSIONS RULES*

Following the expiration of the designated time period, applicants who have received an adverse moral character determination or withdrew their application under Chapter 4 of the *Admissions Rules* (Moral Character) must [file a complete Application for Determination of Moral Character online](#).

COMPLETION OF INVESTIGATION

Applications for Extension of Determination of Moral Character generally will be processed in a **minimum of 180 days**, unless there are issues in an applicant's background that require further investigation and/or review by the Committee.

Failure to file your extension application in a timely manner could delay your admission to practice law.

During the course of each investigation, the Committee routinely contacts many sources and outside agencies; therefore, staff is not in a position to provide information on the status of the investigation until approximately 120 days have elapsed. If in the course of the investigation staff requires further information or documentation, applicants will be contacted prior to the completion of the investigation. All applicants will receive written notification when the investigation has been completed.

Any questions regarding the status of an application after the lapse of 120 days should be made in writing rather than by telephone.

COMPLETION OF APPLICATION

All questions on the application must be answered. If a certain question does not apply to an applicant, the applicant should so indicate this and explain. Before filing the application, applicants should check to ensure that all questions have been answered, all applicable forms have been completed and attached and the application is signed. All pages of the application, including any unused forms, must be returned. The application must be signed, the correct fee included, and a completed *Request for Live Scan Service* form or two (2) completed fingerprint cards with the Request for Exemption From Mandatory Electronic Fingerprint Submission Requirement form must be included. Any application not meeting these requirements is considered incomplete, and will not be considered filed until it is brought to a complete status. The application must be received in the Office of Admissions **within 30 days** of the date the application was signed. If it is not received within 30 days of the date the application was signed, the application will be returned to the applicant with a blank Authorization and Release form **that the applicant will be required to complete, sign and return to the Office of Admissions, along with the application.**

If the application form does not provide sufficient space for the response to any question, the response should be continued on a separate piece of paper and attached to the back of the application.

Each applicant should retain a copy of his/her completed application for reference in the event that another application must be filed in the future

APPLICATION ABANDONMENT

Applications for Extension of Determination of Moral Character (Extension Application) that are not brought to a complete and filed status within 60 days of receipt will be abandoned. This includes the lack of requisite fees, signature, or either two completed fingerprint cards or a completed *Request for Live Scan Service* form. Once an extension application is in filed status, if the applicant receives notice to provide information and or documentation but does not provide such information/documentation within 90 days of the request, the extension application will be abandoned. No refund of fees will be paid in the event a moral character extension application is abandoned.

ATTACHMENTS

All supporting documents must be attached to the back of the application. Other letters or requests of any kind must be sent under separate cover.

PROOF OF ADMISSION (All Attorney Applicants)

Proof of admission (a current original Certificate of Good Standing) from each jurisdiction (except federal courts) to which the applicant has been admitted must be filed with **each** extension application. The certificate must be issued by the jurisdiction within six (6) months of the date the extension application is filed in order to be considered current. Attorneys whose status is inactive must submit a letter from the jurisdiction confirming no disciplinary action.

APPLICATION UPDATING

Applicants for admission to practice law in California have a continuing duty to update responses to questions on the application whenever there is an addition to or change in information previously furnished. The applicant will not be eligible for certification until the application is current.

REFERENCES

Confidential Questionnaires and reference letters will be mailed by the Office of Admissions to references, employers and law schools listed on the application. In order to decrease the likelihood of a possible administrative delay in admission, all confidential questionnaires and reference letters must be returned to the Office of Admissions as soon as possible.

Please note: Contacting employers is part of the administrative screening process required of all applicants pursuant to Chapter 4 of the *Admissions Rules*. The application will not be accepted unless an applicant is willing to have his or her employers contacted.

APPLICATION ACKNOWLEDGMENT

An application acknowledgment letter will be sent within four weeks after receipt of an application. Applicants who do not receive an acknowledgment letter should contact the Office of Admissions.

WITHDRAWAL OF APPLICATION

Withdrawal of extension applications and requests for refunds received within 30 days after receipt of the application will be honored with a 60% refund of all fees paid in conjunction with the application.

An applicant may withdraw his or her application at any time prior to being notified that a determination of moral character cannot be made because of the need for further inquiry and analysis. An applicant may withdraw his or her application after receipt of such notice only with the consent of the Office of Admissions.

FINGERPRINTS

State law mandates that the State Bar of California "...require that an applicant for admission or reinstatement to the practice of law in California...be fingerprinted in order to establish the identity of the applicant and in order to determine whether the applicant or member has a record of criminal conviction...." An extension application will not be considered complete without the appropriately processed fingerprints.

Live Scan Processing

Applicants who reside in California must submit fingerprints via **Live Scan technology**. Please see **Fingerprint Instructions for California Residents** below.

Fingerprint Card Processing

Applicants residing outside of the State of California must submit prints on **fingerprint cards (FD-258) with a Request for Exemption from Mandatory Electronic Fingerprint Submission Requirement form**. Please see Fingerprint Instructions for Out-of-State Residents.

An applicant's fingerprints will be used solely to determine whether or not the applicant has a prior criminal record. The Committee will request that the criminal justice agencies return the fingerprints of all applicants and that the agencies neither copy the fingerprints nor disseminate them to others nor use them for any other purpose. Pursuant to Business and Professions Code Section 6054, the fingerprint cards of applicants who are admitted to practice law in California are retained for the limited purpose of criminal arrest notification.

Fingerprint Instructions for California Residents (Live Scan Technology)

Live Scan technology replaces the process of recording an individual's fingerprints on fingerprint cards. With Live Scan, applicants must complete the *Request for Live Scan Service* form, a copy of which is on page 6 of these instructions, and take it to an agency that provides fingerprinting services. At the agency, a trained operator enters the information from the *Request for Live Scan Service* form into the Live Scan terminal and initiates the live scan fingerprinting process.

Applicants must print three (3) copies of the *Request for Live Scan Service* form. **The three copies must be taken to an agency providing Live Scan services with a valid photo identification (expired photo identification cards will not be accepted)**. The Live Scan operator must complete the last section of the *Request for Live Scan Service* form on all three copies. The original copy is retained by the Live Scan operator, the second copy is attached to the completed Extension Application and the third copy is to be retained by the applicant. The list of agencies providing Live Scan fingerprinting services in California may be obtained through the [Office of the Attorney General-California Department of Justice Web site](http://ag.ca.gov/fingerprints/publications/contact.htm) (<http://ag.ca.gov/fingerprints/publications/contact.htm>).

If an applicant's prints are rejected because of poor quality, the applicant will be asked to return to the original printing agency for re-printing. The applicant is to take his/her copy of the *Request for Live Scan Service* form and a copy of the rejection notice sent to him/her by the Admissions Office. The printing agency will scan new prints and forward them to the Department of Justice for processing. The "re-printing" service fee will be waived. Failure to provide the two stated documents will result in a service charge for re-printing.

Instructions for Completing the Request for Live Scan Service form

Note: The paper copy of your Moral Character Application must be received within 90 days of the date your fingerprints are processed. Otherwise, your Application for Extension of Determination of Moral Character will be considered incomplete, and you will be required to complete the fingerprint process again.

Fingerprint Instructions for Out of State Residents (Fingerprint Cards FD-258)

Effective July 1, 2005, the California Department of Justice only processes fingerprints through the Live Scan Fingerprinting System unless an exemption is granted. Since Live Scan Fingerprinting Agencies are only located in California, applicants who do not reside in California are required to submit, with their application, two fingerprint cards (on form FD-258) and a "Request for Exemption From Mandatory Electronic Fingerprint Submission Requirement" form, a copy of which is on page 8 of these instructions. At times, there are delays in processing fingerprint cards by criminal justice agencies or delays due to fingerprint card rejection by those agencies, for which the Office of Admissions does not accept responsibility. These delays may impact the time needed to process an Extension Application. The fingerprints must be taken by a law enforcement agency (i.e. police department, sheriff's station, etc.) or by an agency that requires an applicant to provide appropriate identification. If the official taking the fingerprints has difficulty obtaining prints of acceptable quality because of the physical condition of the applicant's fingers (e.g., dermatitis, etc.), the official should be requested to explain (in writing) why the prints are the best obtainable. That explanation should accompany the fingerprint cards. Fingerprints will be forwarded to the California Department of Justice and/or FBI for a record check.

Applicants must complete identifying information required on the fingerprint cards using **only** the abbreviations listed below. Failure to provide all correct information will result in a delay in processing the application, along with the return of the fingerprint cards for completion.

**THE STATE BAR ACT, ARTICLE 4
SECTION 6068. DUTIES OF ATTORNEY**

It is the duty of an attorney to do all of the following:

- (a) To support the Constitution and laws of the United States and of this state.
- (b) To maintain the respect due to the courts of justice and judicial officers.
- (c) To counsel or maintain those actions, proceedings, or defenses only as appear to him or her legal or just, except the defense of a person charged with a public offense.

- (e) (1) To maintain inviolate the confidence, and at every peril to himself or herself to preserve the secrets, of his or her client.

(2) Notwithstanding paragraph (1), an attorney may, but is not required to, reveal confidential information relating to the representation of a client to the extent that the attorney reasonably believes the disclosure is necessary to prevent a criminal act that the attorney reasonably believes is likely to result in death of, or substantial bodily harm to, an individual.
- (f) To advance no fact prejudicial to the honor or reputation of a party or witness, unless required by the justice of the cause with which he or she is charged.

- (h) Never to reject, for any consideration personal to himself or herself, the cause of the defenseless or the oppressed.
- (i) To cooperate and participate in any disciplinary investigation or other regulatory or disciplinary proceeding pending against himself or herself. However, this subdivision shall not be construed to deprive an attorney of any privilege guaranteed by the Fifth Amendment to the Constitution of the United States, or any other constitutional or statutory privileges. This subdivision shall not be construed to require an attorney to cooperate with a request that requires him or her to waive any constitutional or statutory privilege or to comply with a request for information or other matters within an unreasonable period of time in light of the time constraints of the attorney's practice. Any exercise by an attorney of any constitutional or statutory privilege shall not be used against the attorney in a regulatory or disciplinary proceeding against him or her.
- (j) To comply with the requirements of Section 6002.1.
- (k) To comply with all conditions attached to any disciplinary probation, including a probation imposed with the concurrence of the attorney.

- (l) To keep all agreements made in lieu of disciplinary prosecution with the agency charged with attorney discipline.
- (m) To respond promptly to reasonable status inquiries of clients and to keep clients reasonably informed of significant developments in matters with regard to which the attorney has agreed to provide legal services.

 - (1) The filing of three or more lawsuits in a 12-month period against the attorney for malpractice or other wrongful conduct committed in a professional capacity.
 - (2) The entry of judgment against the attorney in any civil action for fraud, misrepresentation, breach of fiduciary duty, or gross negligence committed in a professional capacity.
 - (3) The imposition of any judicial sanctions against the attorney, except for sanctions for failure to make discovery or monetary sanctions of less than one thousand dollars (\$1,000).
 - (4) The bringing of an indictment or information charging a felony against the attorney.
 - (5) The conviction of the attorney, including any verdict of guilty, or plea of guilty or no contest, of any felony, or any misdemeanor committed in the course of the practice of law, or in any manner in which a client of the attorney was the victim, or a necessary element of which, as determined by the statutory or common law definition of the misdemeanor, involves improper conduct of an attorney, including dishonesty or other moral turpitude, or an attempt or a conspiracy or solicitation of another to commit a felony or any misdemeanor of that type.
 - (6) The imposition of discipline against the attorney by any professional or occupational disciplinary agency or licensing board, whether in California or elsewhere.
 - (7) Reversal of judgment in a proceeding based in whole or in part upon misconduct, grossly incompetent representation, or willful misrepresentation by an attorney.
 - (8) As used in this subdivision, "against the attorney" includes claims and proceedings against any firm of attorneys for the practice of law in which the attorney was a partner at the time of the conduct complained of and any law corporation in which the attorney was a shareholder at the time of the conduct complained of unless the matter has to the attorney's knowledge already been reported by the law firm or corporation.

MENTAL ILLNESS, DISEASE OR DISORDER

In answering Question 12.4, applicants should consider the following definitions for the words and phrases:

"Ability to practice law" includes performing services in a court of justice, in any manner, throughout its various stages and in conformity with adopted rules of procedure. In a larger sense it includes providing legal advice and counsel and preparation of legal instruments and contracts by which legal rights are protected. Law practice may also include the resolution of legal questions for consumers by advice and action if difficult or doubtful legal questions are involved, which, to safeguard the public, reasonably demand the application of a trained legal mind.

"Good moral character" includes qualities of honesty, fairness, candor, trustworthiness, observance of fiduciary responsibility, respect for and obedience to the laws, and respect for the rights of others and the judicial process.

"Mental illness, disease or disorder" includes mental or psychological conditions or disorders, such as, but not limited to, schizophrenia, paranoia, bipolar illness (manic depression), sociopathy or any other psychotic disorder.

"Currently" does not mean on the day of, or even in the weeks or months preceding the completion of the application. Rather, it means recently enough so that you believe that the mental condition may have an ongoing impact on your functioning as an attorney.

12.4 Have you been diagnosed or treated for a medically recognized mental illness, disease or disorder that would currently interfere with your ability to practice law? YES NO

If YES, complete **FORM 4 and 5** and **ATTACH** copies of the pleading, allegations and judgment.
