CREDENTIAL EVALUATION SERVICES

The following list of credential evaluation services has been compiled by the State Bar of California's Committee of Bar Examiners (Committee). In order to be included on the list, the credential evaluation service must: 1) be a member of the National Association of Credential Evaluation Services; 2) require certified credentials; and 3) provide as part of each evaluation, complete information that includes courses, U.S. unit/hour equivalent, U.S. grade equivalent, and a summary of U.S. degree equivalent. The evaluations are considered advisory in nature and are not determinative relative to the credit that may be allowed for purposes of satisfying the pre-legal and/or legal education requirements necessary for qualification to register with the Committee, take the First-Year Law Students' Examination and/or to take the California Bar Examination. This list is provided as a courtesy. The State Bar does not guarantee the quality of the services provided by any particular company and reserves the right to make changes to this list at any time without prior notice.
