NOTICE TO QUALIFIED PROFESSIONAL:

The above-named person is requesting accommodations for the Legal Specialist Examination. All such requests must be supported by appropriate documentation (including evaluation reports, test results and/or medical records) from the qualified professional who conducted an individualized assessment of the applicant and is recommending accommodations for the examination on the basis of a physical disability. The California Board of Legal Specialization also requires the qualified professional to complete this form. **If any of the information requested in this form is fully addressed in the documentation submitted (evaluation reports, test results, medical records, etc.), you may respond by citing the specific page and paragraph where the answer can be found.** Please attach a copy of the evaluation report and/or all records and test results on which you relied in making the diagnosis and

recommending accommodations for the examination administered by the California Board of Legal Specialization. Your assistance is appreciated.

The provision of reasonable accommodations is based on assessment of the *current* impact of the disability on the specific testing activity. The California Board of Legal Specialization generally requires documentation from an evaluation conducted within the past year because of the changing manifestations of many physical disabilities. Older evaluation reports may suffice if supplemented by an update of the diagnosis, current level of functioning, and a rationale for each recommended accommodation or an explanation of why the report and/or other documentation continue to be relevant in their entirety.

The California Board of Legal Specialization may forward this information to one or more qualified professionals for an independent review of the applicant's request. Print or type your responses to the items below. **Return the original of this completed form, the evaluation report, test results, and/or other relevant records to the applicant for submission to the California Board of Legal Specialization.**

9. Describe the applicant's current functional limitations and explain how the limitations restrict the condition, manner, or duration under which the applicant can take the Legal Specialist Examination.

10. Briefly describe any treatment, including any prescribed medications, and the effectiveness of treatment in reducing or ameliorating the applicant's functional limitations.

**III. ACCOMMODATIONS REQUESTED FOR THE LEGAL SPECIALIST EXAMINATION
(check all that apply)**

FORMAT

The Legal Specialist Examination is a timed written examination administered in two sessions. The first session begins at 7:30 a.m. and consists of a 4-hour testing session, plus time for announcements. Next, there is a lunch break of approximately 90 minutes from approximately noon to 1:30 p.m. The second session takes place after the lunch period and consists of a 2½-hour testing period plus time for announcements.

The morning session consists of eight essays. The written portions of the examination are designed to assess, among other things, the applicant's ability to communicate his/her analysis effectively in writing. Applicants may use their personal laptop computers to type their answers, or they may handwrite their answers. The afternoon session consists of 75 multiple-choice questions. Applicants record their answers by darkening circles using a Number 2 pencil on an answer sheet that is scanned by a computer to grade the examination.

SETTING

Applicants are assigned seats, two per six-foot table, in a room set for 100 to 600 applicants. Applicants are not allowed to bring food, beverages, or other items into the testing room unless approved as an accommodation. All applicants may bring medication. The examination is administered in a quiet environment, and applicants are allowed to use small foam earplugs. They may leave the examination room only to use the restroom or drinking fountain, within the time allotted for the test session.

Taking into consideration this description of the examination and the functional limitations currently experienced by the applicant, what test accommodation (or accommodations, if more than one would be appropriate) do you recommend?
