I. INTRODUCTION

The State Bar of California (“the State Bar”), created in 1927 by the Legislature and adopted into the California Constitution in 1960, is a public corporation within the judicial branch of state government. The primary purpose of the State Bar is to serve as an administrative adjunct to the California Supreme Court in all matters pertaining to the admission, discipline, and regulation of California lawyers. The State Bar Act and California court rules vest in the State Bar the duty to regulate the legal profession, formulate and elevate educational and professional standards, raise the quality of legal services, advance the science of jurisprudence, and aid in the improvement of the administration of justice.

The State Bar is a unified, or integrated bar, and membership is mandatory for all attorneys who are licensed to practice law in the state. In addition to its mandated licensing and disciplinary and certification functions, the State Bar offers a number of other programs designed to assist, educate and protect its members and the public. The State Bar’s programs are financed primarily by fees paid by attorneys and applicants to

practice law. At the end of 2009, the State Bar had approximately 226,400 members, making it the largest unified state bar in the country. The State Bar has offices located in Los Angeles, Sacramento and San Francisco. More information about the organization can be found at http://calbar.ca.gov/state/calbar/calbar_home_generic.jsp?cid=10102

II. STATEMENT OF WORK

The State Bar is requesting assistance in developing departmental reports and dashboards. ReportNet was purchased so that departments can perform ad hoc reporting and programmers can create more complex reports. We recently have developed a prototype dashboard and would like to continue developing dashboards for the other departments.

A. Technical Environment

Reportnet version 8.41 installed with MSSQL 2008. Most of the business data resides on an iSeries Model 20 which is located in the San Francisco data center and is at level V5R4 of the operating system. Applications were developed in RPG in the late 1980s to early 1990s and the data resides in a DB2/400 database. Our challenges in rolling this product out include: 1) the use of ODBC drivers that are slow and 2) the older design of the data. For example, dates are stored as a number (CCCCYYDD) and must be converted to a modern date type format in order to be used by Cognos. Attached are file layouts for two main files, the membership file, and the main case file (Attachment B).

B. Project Description

We are anticipating that each department will have two to three dashboard reports with five or six drill-through reports that will display the details for a number of the dashboards. Most dashboards will use the above mentioned membership and case files as well as up to six additional files. We anticipate up to five departments will be participating. We plan to develop reports for one department and then, upon completion, move to the next department. There will be the equivalent of one full-time IT staff person assigned to this project to help with model configuration and to learn how to support this application in the future. In addition, we are interested in providing training classes in ad hoc reporting to our end-users.

IT will work with the departments to develop high level report definitions before working with the vendor. IT will then coordinate and work with the vendor and each department to develop final specifications. The following is a list of possible dashboard reports that represents the type of likely reports. *It is not meant to be a complete list but a sample of the types of reports that the bar would like to develop.* The initial focus for dashboard reports is performance measures and drill-through reports for each measure. There could be five or six measures for each report. This is a list of simplified reports. Actual reports could be more complex and include more measures per report.

Before dashboards or reports are developed, an estimated level of effort mutually agreed upon by the vendor and the bar will be provided.

1. The Office of Intake receives complaints against attorneys from the public and must determine whether to investigate the allegations within 60 days of receipt. Dashboard reports by age, by received date, supervisor, case worker with drill through reports in danger of exceeding 60 days.
2. The Office of Trials investigates and tries cases and must file formal charges on valid cases within six months or one year or receipt depending upon complexity. Dashboard reports aged by received date, supervisor and case worker with drill through reports for those matters in danger of exceeding six or twelve months.
3. The State Bar Court hears cases for those matters where the Office of Trials files charges. The Court's Performance Standards require cases to be completed within a specified timeframe, depending on the type of case. Dashboard reports by judge, case type, and age with drill-through information for those matters approaching or exceeding their standard would be useful.
4. One of the tasks of the Office of Admissions is to administer the bar exam and verify educational eligibility. Dashboard report by exam date, by supervisor, by case worker with a drill through of outstanding applicants.
5. The Offices of Member Services and Member Billing monitor and regulate attorney mandatory educational and renewal compliance. Dashboard reports aged by period.
6. Statistical reports: Exam pass rates by year, school. Cases closed by disposition, firm size. Member educational compliance by period, by date range. Member renewal compliance by period, by date range. Member suspension by year by status.

III. GENERAL INFORMATION

The submission requirements for this RFP are set forth below. A proposal shall constitute an irrevocable offer for 60 business days following the deadline for its submission. Reference to a certain number of days in this RFP shall mean business days unless otherwise specified.

Contact with State Bar personnel in connection with this RFP may not be made other than as specified in this RFP. Unauthorized contact of any State Bar personnel may be cause for rejection of a bid.

A. Submission Requirements

To be considered responsive, a proposal must contain the following, referenced by number and in the order below:

1. A brief description of the history and organization of the bidder's firm, and of any proposed subcontractor.
2. Copies of business licenses, professional certifications or other credentials, together with evidence that bidder, if a corporation, is in good standing and qualified to conduct business in California. Bidder must have at least two of the following certifications:
 - IBM Advanced Business partner
 - IBM Certified Developer – Cognos 8 BI Metadata Models
 - IBM Certified Administrator – Cognos 8 BI
 - IBM Certified Designer – Cognos 8 BI Reports
 - IBM Certified Developer – Cognos 8 BI Data Warehouses
3. The most recent year's annual reports, or comparable document, including detailed current profit and loss, assets and liabilities, and other relevant financial data.
4. A description of similar projects completed by the bidder within the past three (3) years, preferably with not for profit companies. Include references and contact information for each.
5. Qualifications, background and experience of the project director and other staff proposed to work on the project including contractor bios.
6. A detailed cost proposal, including any travel costs and other miscellaneous expenses. Bidders must submit completed Attachment A: Itemized Cost Proposal electronically to andrew.conover@calbar.ca.gov by the due date specified on page 1. Proposals must include hourly rates for junior and senior level report developer, data warehouse developer, and an ETL developer as indicated (although this engagement is primarily for a report developer, we may wish to engage additional services in the future). Also include price per day price for a class in Report Studio for end users (we have a training facility for up to 12 students, one in Los Angeles and one in San Francisco. This will allow us to choose two or three day classes depending upon a group, and also the number of classes). We understand that classes will be booked based upon trainer availability. As the State Bar may award a contract based on the initial offer, a bidder should make its initial offer on the most favorable terms available. The State Bar reserves the right, however, to have discussions with those bidders falling within a competitive range, and to request revised pricing offers from them and to make an award or conduct negotiations thereafter.

7. A written acknowledgement of the acceptance of the Contracting Requirements set forth in section IV of this RFP. Specific terms may be reserved for future negotiation, but must be clearly identified and reasons given for the reservation.

Proposals which fail to address each of the submission requirements above may be deemed non-responsive and will not be further considered. Note that responses to questions must be specifically answered within the context of the submitted proposal. The State Bar's evaluation team will not refer to a designated web site, brochure, or other location for the requested information. Responses that utilize references to external materials as an answer will be considered non-responsive.

B. Rejection of Proposals

The State Bar reserves the right in its sole discretion to reject any or all proposals in whole or in part, without incurring any cost or liability whatsoever. All proposals will be reviewed for completeness of the submission requirements. If a proposal fails to meet a material requirement of the RFP, or if it is incomplete or contains irregularities, the proposal may be rejected. A deviation is material to the extent that a proposal is not in substantial accord with RFP requirements.

Immaterial deviations may cause a bid to be rejected. The State Bar may or may not waive an immaterial deviation or defect in a proposal. The State Bar's waiver of an immaterial deviation or defect will in no way modify the RFP or excuse a bidder from full compliance with the RFP requirements.

Any proposal may be rejected where it is determined to be not really competitive, or where the cost is not reasonable.

Proposals that contain false or misleading statements may be rejected if in the State Bar's opinion the information was intended to mislead the State Bar regarding a requirement of the RFP.

C. Evaluation Process and Highest Scored Bidder

An evaluation team will review, in detail, all proposals that are received to determine the Highest Scored Bidder ("HSB").

Following the initial review and screening of the written Proposals, using the selection criteria described below, several bidders may be invited to participate in the final selection process, which may include participation in an oral interview and/or submission of any additional information as requested by the State Bar.

The State Bar reserves the right to determine the suitability of proposals on the basis of a proposal's meeting administrative requirements, technical requirements, the review team's

assessment of the quality and performance of the equipment and services proposed, and cost.

During the evaluation process, the State Bar may require a bidder's representative to answer questions with regard to the proposal and/or require certain bidders to make a formal presentation to the evaluation team and/or the State Bar Senior Executive Team. The State Bar may also have discussions with those bidders falling within a competitive range, and request revised pricing offers from such bidders and make an award and/or conduct negotiations thereafter.

This Request for Proposal does not commit the State Bar to awarding a Contract. Bidders shall bear all costs incurred in the preparation of the Proposal and participating in the Proposal evaluation process. The State Bar reserves the right to reject any and all Proposals, to accept the Proposal it considers most favorable in its sole discretion, and to waive minor irregularities. The State Bar further reserves the right to seek new Proposals when such procedure is considered by it to be in the best interest of the State Bar.

1. The following criteria will be used in reviewing and comparing the proposals and in determining the HSB. The weight to be assigned to each criterion appears following each item.
 - a. Responsiveness of the proposal to the submission requirements set forth in the RFP (10%).
 - b. Agreement with the State Bar's contracting requirements (10%).
 - c. The technical ability, capacity, financial viability, and flexibility of the bidder to perform the contract in a timely manner and on budget, as verified by, e.g., the quality of any demonstration, client references, demonstrated success in projects with similar requirements and any other contracts with the State Bar (40%).
 - d. The total cost of the proposal solution. If the proposal contains itemized rates, per piece pricing, or commission-based pricing, the State Bar reserves the right to calculate total contracted cost by calculating rates using either previous known usage activity or future projected volume. Costs will be evaluated only if a proposal is determined to be otherwise qualified. Costs should be itemized by type to allow the State Bar to implement the solution over the term of the contract (40%).
2. If a large number of proposals are received, the State Bar reserves the right to review the proposals using a tiered evaluation system. All qualified proposals will be evaluated based on the Submission Requirements and Cost, with the top candidates advancing as finalists and receiving a full evaluation as outlined above.

D. Award and Execution of Contract

Subject to the State Bar's right to reject any or all proposals, the HSB will be awarded the contract. Notice will be posted at the State Bar's offices at 180 Howard Street, San Francisco, CA and written notice sent to bidders on or about November 12, 2010 of the Bar's intention to award the contract to the HSB. It is anticipated that final selection of the HSB will be made by November 19, 2010. The evaluation team will select a winning proposal subject to approval by the Board of Governors. Upon selection, the State Bar and the selected Vendor will enter into good faith negotiations on a contract containing, without limitation, the Statement of Work and Contracting Requirements sections below.

No contract or agreement, express or implied, shall exist or be binding on the State Bar before the execution of a written contract by both parties. If agreement on the terms of such a contract cannot be reached after a period deemed reasonable by the State Bar in its sole discretion, the State Bar may enter into negotiations and sign a contract with any other bidder who submitted timely, responsive and responsible proposals to this RFP.

If, after the State Bar and the HSB agree to terms and execute a contract, that contract is terminated for any reason, the State Bar may, in its sole discretion, either enter into negotiations with the next highest scored bidder, or issue a new RFP and begin the proposal process anew.

Questions regarding the State Bar's award of any business on the basis of proposals submitted in response to the RFP, or on any other matter in connection with the selection process, should be addressed in writing to andrew.conover@calbar.ca.gov.

Where written notice is required in this RFP, the notice must be sent by U.S. mail and either facsimile or e-mail.

E. Errors in the RFP

If a bidder discovers any ambiguity, conflict, discrepancy, omission, or other error in the RFP, the bidder should immediately provide the State Bar with written notice of the problem and request that the RFP be clarified or modified. Without disclosing the source of the request, the State Bar may modify the document prior to the date fixed for submission of proposals by issuing an addendum to all potential bidders to whom the RFP was sent.

If prior to the date fixed for submissions, a bidder knows of or should have known of an error in the RFP but fails to notify the State Bar of the error, the bidder shall bid at its own risk, and if, awarded the contract, shall not be entitled to additional compensation or time by reason of the error or its later correction.

F. Questions Regarding the RFP

Questions regarding the RFP may be addressed in writing to Cathy Hamilton at Cathy.Hamilton@calbar.ca.gov. All questions must be submitted no later than 5 days prior to the date for submission of proposals. Questions and answers regarding the RFP may be shared with all bidders known to be interested in submitting a proposal.

If a question relates to a proprietary aspect of its proposal and the question would expose proprietary information if disclosed to competitors, the bidder may submit the question in writing, conspicuously marking it as "CONFIDENTIAL." With the question, the bidder must submit a statement explaining why the question is sensitive. If the State Bar concurs that the disclosure of the question or answer would expose proprietary information, the question will be answered, and both the question and answer will be kept in confidence. If the State Bar does not concur regarding the proprietary nature of the question, the question will not be answered in this manner and the bidder will be notified.

A bidder who believes that one or more of the RFP's requirements is onerous or unfair, or unnecessarily precludes less costly or alternative solutions, may submit a written request that the RFP be changed. The request must set forth the recommended change and reason for proposing the change. The State Bar must receive any such request no later than 5 days before the deadline for submitting proposals.

G. Addenda

The State Bar may modify the RFP prior to the date fixed for submission by posting, mailing, emailing or faxing an addendum to the bidders known to be interested in submitting a proposal. If any bidder determines that an addendum unnecessarily restricts its ability to bid, it must notify the State Bar in writing no later than 5 days before the deadline for submitting proposals.

H. Withdrawal and Resubmission/Modification of Proposals

A proposal may be withdrawn at any time prior to the deadline for submitting proposals by notifying the State Bar in writing of its withdrawal. The notice must be signed by the bidder. The bidder may thereafter submit a new or modified proposal, provided that it is received at the State Bar no later than the deadline.

Modification offered in any other manner, oral or written, will not be considered. Proposals cannot be changed after the evaluation process begins.

I. Protest Procedure

A bidder may protest the award if it meets all the following conditions:

1. The bidder has submitted a proposal that it believes is or should have been the HSB, under the criteria set forth above;

2. The bidder believes that its proposal meets the State Bar's administrative and technical requirements, proposes services of proven quality and performance, and offers a competitive cost to the State Bar; and
3. The bidder believes that the State Bar has incorrectly selected another bidder.

A bidder qualified to protest should contact Andrew Conover, Finance Manager, (415) 538-2207, to attempt an informal resolution. If this contact is unable to resolve the protest to the bidder's satisfaction, the bidder must file a written protest within 5 days of the notice of intention to award the contract. The written protest must state the facts surrounding the issue and the reasons the bidder believes the award to be invalid. The protest must be sent by certified or registered mail or delivered personally to:

The State Bar of California
180 Howard Street
San Francisco, CA 94105-1639

Attention: Peggy Van Horn, Chief Financial Officer

Protests will be reviewed and decided by the State Bar's Award Protest Team within 30 days after the State Bar issues written acknowledgment of the protest. In the event that a protest is filed, the contract award will be postponed pending resolution of the protest.

J. News Releases

News releases pertaining to the award of a contract may not be made without the prior written approval of the State Bar.

K. Disposition of Materials

All materials submitted in response to an RFP will become the property of the State Bar of California and will be returned only at the State Bar's option and at the expense of the bidder. One copy of each proposal will be retained for the State Bar's official files and become a public record. Specific limited pages of a proposal, not including proposed cost and compensation, may be marked as proprietary and confidential. The entire proposal cannot be deemed confidential. The bidder's consent will be requested before release of such confidential pages to non-State Bar personnel. By submitting a proposal, a bidder agrees to these terms and waives any right to pursue a cause of action for damages incurred as a result of the release of any information contained in a proposal.

IV. CONTRACTING REQUIREMENTS

Upon selection of a vendor, the terms set forth in this RFP are to be embodied in a definitive agreement containing such additional covenants and other provisions as may be mutually acceptable.

The State Bar contemplates that, in addition to the terms described above in this RFP, final agreement between the State Bar and the selected vendor will include, without limitation, the following terms. Submission of a proposal shall constitute agreement to contract on these terms, except for any term specifically reserved in the proposal for future negotiation.

A. Time of Essence

Time is of the essence with respect to Vendor's performance of the services and equipment to be provided in the final agreement.

B. Warranties and Representations

1. Vendor warrants that it has the expertise, experience, and ability necessary to perform the Services in a diligent, timely, and professional manner consistent with the highest professional standards of the industry.
2. Vendor will require from its employees and subcontractors, if any, the same standards of professionalism, ability and expertise as are required of Vendor by this Agreement.
3. Vendor, its employees, subcontractors and agents will comply with all federal, state and local laws, ordinances, rules and regulations and will obtain all permits, licenses or approvals which are applicable to Vendor's delivery of Services under this Agreement

C. Equipment, Tools, Supplies

The Vendor will supply all equipment, tools, supplies, offices, personnel, instrumentalities, transportation, support services and insurance required. The Vendor is not required to purchase, rent or hire any equipment, tools, supplies, offices, transportation, personnel, insurance or instrumentalities from the State Bar. The State Bar has no obligation whatsoever to provide any equipment, tools, supplies, offices, personnel, instrumentalities, transportation, support services or insurance required to perform services under this agreement.

D. Indemnity Obligations of Vendor

Vendor will indemnify and defend the State Bar (including its Board of Governors, officers, director, agents, employees and volunteers, as the same may be constituted from

time to time) from all claims, demands, damages, debt, liability, obligations, cost, expense, lien, action or cause of action (including but not limited to actual damages, fines and attorneys' fees, whether or not litigation is actually commenced) arising out of: (i) the material breach by Vendor of any warranty, representation, term or condition made or agreed to by Vendor; (ii) all products and services prepared by or for Vendor hereunder and provided to State Bar; (iii) any claim or action for personal injury, death or otherwise involving alleged defects in Vendor's business or any of its products or services provided to State Bar; (iv) any breach by Vendor of any statutory or regulatory obligation; (v) the actual or alleged infringement by Vendor of any patent, copyright, trademark or other proprietary right of any person or entity; and/or (vi) any act or omission of Vendor, its employees, agents or subcontractors.

E. Insurance Obligations of Vendor

The Vendor will provide and keep in full force and effect during the term of this agreement, at the Vendor's own cost and expense, the following insurance policies for the joint benefit of the Vendor and the State Bar, with an insurer reasonably acceptable to the State Bar:

1. Commercial general liability insurance with a general aggregate limit (other than products/completed operations) of at least Two Million Dollars (\$2,000,000.00); at least One Million Dollars (\$1,000,000.00) personal and advertising injury limit; at least One Million Dollars (\$1,000,000.00) premises and operations limit; at least One Million Dollars (\$1,000,000.00) each occurrence limit;
2. Workers' compensation coverage as required by law, together with employer liability coverage with limits of not less than One Million Dollars (\$1,000,000.00) per occurrence.
3. Comprehensive automobile liability insurance covering owned, leased, hired and non-owned vehicles with at least One Million Dollars (\$1,000,000.00) combined single limit.
4. Computer and Technology Products and Services Professional Liability insurance with a general aggregate limit of Two Million Dollars (\$2,000,000) and an occurrence limit of Two Million Dollars (\$2,000,000).

The Vendor will deliver to the State Bar offices at 180 Howard Street, San Francisco, CA 94105 Attn: Operations, true and correct copies of its insurance policies required above, and certificates of such insurance within seven (7) days of the execution of this agreement. Each such policy will name the State Bar as an additional insured and will state that the Vendor's policy shall be primary and that any insurance carried by the State Bar shall be noncontributing with respect thereto. Each such policy will provide for thirty (30) days prior written notice to the State Bar in the event of cancellation or

reduction in coverage or amount. If the Vendor fails to secure and maintain insurance policies complying with the provisions of this agreement, the State Bar may purchase the appropriate insurance policies and the Vendor will pay upon demand the cost of it to the State Bar or the State Bar may terminate this agreement. Additionally, if the Vendor assigns any portion of the duties under this agreement, each subcontractor or assignee will purchase and maintain the same insurance coverage required hereunder.

The Vendor will immediately notify the State Bar if the Vendor's commercial general liability insurance contains restrictive endorsements other than those restrictive endorsements normally included in the State of California. If the Vendor's commercial general liability insurance contains such restrictive endorsements, the Vendor shall have five (5) business days to remove said restrictions. If the Vendor is unable to do so, the State Bar may terminate this agreement, and will be required to give the Vendor no more than two (2) days' notice of such termination, anything in this agreement to the contrary notwithstanding.

F. Termination

1. **At Will.** The agreement may be terminated by the State Bar, in its sole and complete discretion, upon thirty (30) days written notice to Vendor. In the event of termination pursuant to this section, the vendor's sole compensation will be for that portion of services performed or goods delivered up to the date of termination, together with reimbursable expenses, if any then due. Vendor will not be paid for any services, goods or reimbursable expenses associated with any work or service not specifically authorized by the State Bar.
2. **Authorization of Funds.** If the term of this agreement extends into fiscal year(s) subsequent to that in which it is signed, it is understood that the continuation of this contract is subject to the authorization of sufficient funding for such purpose by the California State Legislature. If sufficient funds are not so authorized, the parties mutually agree that the contract may be terminated or amended as appropriate in response to the reduction in funding. If the agreement is terminated, Contractor agrees to take back any affected equipment, products, software, or hardware furnished under this contract, and relieve the State Bar of any further obligation, except for the State Bar's obligation to pay for services already performed pursuant to this agreement.
3. **Default by Vendor.** This agreement may be terminated by the State Bar upon fifteen (15) days written notice to the Vendor in the event the Vendor is in default under any of its provisions. In the event this agreement is terminated due to the default by the Vendor, the Vendor will not be entitled to receive any compensation for services performed or for any reimbursable expenses incurred, and the State Bar will have the right to have the services completed by other parties and the Vendor will

reimburse the State Bar for the actual costs to complete the services in excess of the balance of the fee and reimbursable expenses, if any, provided for in this agreement. Any such act by the State Bar will not be deemed a waiver of any other right or remedy of the State Bar, including, without limitation, the State Bar's right to consequential damages caused directly or indirectly by the Vendor's default.

4. **Automatic Termination.** This agreement will automatically terminate on the occurrence of any of the following events: (a) bankruptcy or insolvency of either party; (b) sale of the business of either party; (c) failure to comply with federal, state or local laws, regulations or requirements, or (d) expiration of the agreement.

G. Confidentiality and Publicity

The Vendor will retain all information provided by the State Bar in the strictest confidence and will neither use it nor disclose it to anyone other than employees requiring the information to perform services under this agreement without the prior written consent of the State Bar. The State Bar retains the right to enjoin any unauthorized disclosure in an appropriate court of law. The Vendor will not issue any public announcements concerning the State Bar without the prior written consent of the State Bar.

H. Compliance with Laws

The Vendor agrees to comply with all applicable federal, state, and local laws and regulations, including but not limited to the provisions of the Fair Employment and Housing Act (Govt. Code, § 12900 et seq.) and any applicable regulations promulgated there under (Cal. Code of Regs., tit. 2, § 72850.0 et seq.). Vendor agrees to include the non-discrimination and compliance provisions of this clause in any and all subcontracts to perform work under the agreement.

I. Assignment/Subcontracting

1. **Assignment.** The Vendor will not assign or transfer its interest, in whole or in part, under this agreement, without the written consent of the State Bar, which consent may be granted or withheld in the sole and absolute discretion of the State Bar.
2. **Subcontracting.** The Vendor may subcontract with other qualified firms or individuals as required to complete all, or a portion of, the delivery of equipment and services, with the prior written approval of the State Bar.

The Vendor will clearly describe the reason for using any subcontractors, the specific role each subcontractor will play in the project, and the relationship between the Vendor and its subcontractor to be maintained during the term of this

agreement. No subcontract will be approved unless the Vendor provides a written guarantee that the Vendor's firm will be contractually obligated to assume all project responsibilities and the insurance requirements set forth above.

J. General Provisions

1. **Force Majeure.** Neither party will be deemed in default of this agreement or any provision hereunder to the extent that any delay or failure in the performance of the obligations of such party (other than the payment of money) results from any significant and material causes beyond its reasonable control and without fault or negligence by such party. Examples of such causes include, but are not limited to, (1) acts of God or public enemy, (2) acts of the government in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) embargoes, (9) earthquakes, and (10) unusually severe weather.
2. **Governing Law.** The agreement will be governed by the laws of the State of California without giving effect to its principles of conflict of laws.
3. **Attorneys' Fees.** In the event either party institutes any action or proceeding against the other party relating to this agreement, the unsuccessful party in such action or proceeding will reimburse the successful party for its disbursements incurred in connection therewith and for its reasonable attorneys' fees as fixed by the court. In addition to the foregoing award of attorneys' fees to the successful party, the successful party in any lawsuit shall be entitled to collect or enforce the judgment. This provision is separate and several and shall survive the merger of the agreement into any judgment.
4. **Audit.** Vendor agrees that the State Bar or its designee shall have the right to review and copy any records and supporting documentation pertaining to the performance of this Agreement. Vendor agrees to maintain such records for possible audit for a minimum of three (3) years after final payment, unless a longer period of records retention is stipulated. Vendor agrees to allow the State Bar or its designee access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, Vendor agrees to include a similar right of the State Bar or its designee to audit records and interview staff in any subcontract related to performance of this Agreement.
5. **License.** In those instances where required, the Vendor represents and warrants that the Vendor holds a license, permit or special license to perform the services pursuant to this agreement, as required by law, or employs or works under the general supervision of the holder of such

license, permit or special license and shall keep and maintain all such licenses, permits or special licenses in good standing and in full force and effect at all times while the Vendor is performing the services pursuant to the agreement.

THE STATE BAR OF CALIFORNIA TRAVEL and BUSINESS-RELATED EXPENSE POLICY

Revised January 5, 2010

I. GENERAL PRINCIPLES

- A. Except as noted otherwise, this Travel and Business-Related Expense Policy applies to all volunteers and other non-employees who seek reimbursement for travel and business-related expenses incurred in conducting State Bar business.
- B. State Bar representatives who do not have a Purchasing Card (Pcard) must use their personal funds for travel expenses and request reimbursement at the conclusion of the trip in conformity with this policy.
- C. As a general rule, travelers are urged to travel economically. However, in the application of this general rule, extenuating circumstances such as the best economic use of the traveler's time may be taken into consideration in selecting transport, accommodation and other travel means.
- D. There will be no reimbursement for the expenses of a spouse or guest who accompanies a traveler on State Bar business.
- E. Travelers are responsible for their own travel expenses. No traveler will be reimbursed for travel expenses other than their own.
- F. Except where noted otherwise, only when a person is on Travel Status is s/he eligible to seek travel reimbursement or request a travel advance as stated in this policy.
- G. A person is on Travel Status when, in the course of performing duties for the State Bar, s/he travels to one or more destinations that are at least thirty miles (one-way) from the person's primary workplace.

II. TRAVEL EXPENSE REPORTING

- A. An *Expense Report* form furnished by the State Bar must be timely filed with appropriate original issued receipts to request expense reimbursement (Appendix A: sample).
- B. Volunteers should use the [electronic form](#) whenever possible, and submit a single form for each week of travel. Handwritten *Expense*

Reports must be legible.

C. All travel-related and incidental business expense must be recorded in the calendar week in which it was incurred. Transaction dates cannot span more than a single week.

D. **Documentation Guidelines**

1. It is the responsibility of the volunteer to submit to their administrative liaison a completed legible *Expense Report* with supporting documentation for payment. Incomplete or incorrect forms or forms with insufficient information or missing documentation will be returned to the approver for correction. *Expense Reports* containing calculation errors or exceed per diem limits will be corrected accordingly.
2. Receipts: Original issued receipts for air travel, car rentals, lodging and any expense in excess of \$25 must be attached to the *Expense Report*. Receipts must contain itemized pricing and reflect appropriate travel detail (e.g., departure/arrival times, dates, service class, upgrades, additional fees, etc.) Electronically issued receipts for online purchases are considered original issued receipts. When original receipts are not available, copies of original receipts must be marked "original" or "replacement receipt" and signed and dated to indicate no other copies have or will be submitted for reimbursement.
3. Approvals: A member of the Board of Governors, Section and committee members, and other volunteers' *Expense Reports* must be reviewed and, if correct, signed by the staff liaison or Executive Staff manager assigned to the relevant volunteer activity who has approval authority.
4. Deadlines: The deadline for submitting an *Expense Report* to an approval authority is 30 calendar days after the traveler incurs the expense. *Expense Reports* submitted after 60 calendar days will not be processed for payment unless expressly approved for late payment by the Executive Director or designee.
5. Revisions: Any revisions necessary to correct or add to a previously submitted *Expense Report*

must clearly state “revised” and include a copy of the original *Expense Report* attached.

6. Gifts: Service awards, gifts or other tokens of appreciation must be ordered through State Bar staff and will not be reimbursed via a traveler’s *Expense Report*. See Section IX, Business Expenses.

III. AIR TRAVEL

A. The State Bar is eligible for California State government discounted rates on airfare (Appendix B). In most instances these fares will represent the most economical airline fares between common city pairs, but travelers should strive to obtain the most economical airline fares available.

B. Travelers must contact the approved State of California travel agency, [Giselles Travel](#), for all travel in excess of \$400 (round-trip fare) unless prior manager approval is obtained. For round-trip flights under \$400, travelers may use their discretion to determine whether to use the State program or to book tickets directly with the airline. For round trip flights over \$400, travelers may book tickets directly with the airlines or other travel agency, but the rate booked must be as good as or better than the travel city pair [published](#) as available from Giselles Travel.

C. Compensation for air travel will be limited to the cost of a coach/economy fare. The cost of preferential seating, pre-boarding or any other accommodation upgrade, in any class, will be deemed a personal expense chargeable to the traveler. Individuals engaged on contract as speakers for State Bar programs or in other circumstances governed by personal service contract terms, the terms of the contract will prevail.

D. Travelers are to use the lowest airfares available without regard to the accrual of personal frequent flyer miles.

IV. AUTOMOBILE TRAVEL

A. Travelers required to use a personal automobile to conduct State Bar business will be reimbursed for mileage at the Internal Revenue Service approved rate regardless of whether Travel Status requirements are met, consistent with the following guidelines.

B. **Auto Mileage Reimbursement Guidelines**

1. Reimbursable mileage is incurred when a traveler leaves the location of his/her primary workplace on State Bar business and returns to that same location.

2. Reimbursable mileage is incurred when a traveler does not report to his/her primary workplace during the work day because of State Bar business. Reimbursement will be for that mileage in excess of normal commute round trip mileage between home and the primary workplace.

3. Reimbursable mileage is incurred while conducting State Bar business while on the way to or from home or from the primary workplace. Reimbursement will be for that mileage in excess of normal commute round trip mileage between home and the primary workplace.

4. Travelers who elect to drive rather than fly to conduct State Bar business will be reimbursed for the most economical form of transportation. Mileage reimbursement in excess of what comparable airfare would have cost is not reimbursable except where special accommodations are required and approved.

C. **Taxi Service**

1. Actual cost including customary gratuity will be reimbursed when a less expensive service is not suitable. When taxi service is required to conduct State Bar business away from the individual’s primary workplace, the State Bar will reimburse the expense in conformity with the terms and guidelines of the Travel and Business-Related Expense Policy regardless of whether the Travel Status requirements are met.

2. Limousine and Towncar service will not be reimbursed unless a less-expensive service is unavailable. Written explanations must accompany *Expense Reports* and be approved by a State Bar Senior Executive.

D. **Car Rental**

1. Reimbursement for car rentals will be made where it is a justified economic usage of the traveler’s time in the particular circumstances. Written justification must be provided for any car rental in excess of \$250.

2. When a rental car is required to conduct State Bar business away from the individual's primary workplace, the State Bar will reimburse the expense in conformity with the terms and guidelines of this policy regardless of whether the Travel Status requirements are met.

E. Car Rental Guidelines

1. The State Bar does not maintain a master contract with any rental car agency. State Bar travelers are encouraged to seek corporate or government rates to take advantage of these arrangements when they are available. As a general rule, when renting a car, low cost models should be requested taking advantage of the rental car company's available discounts. Exceptions may be permitted when volunteers need to drive a large vehicle (truck /van) in order to economically deliver materials, to accommodate a physical limitation, or when multiple travelers are driving together and need the additional space for passengers, luggage and other meeting materials. Exceptions must be approved by a Senior State Bar manager in advance of rental. Written explanations must accompany Expense Reports and be approved by a Senior Executive prior to reimbursement.

2. Alternatives to rental cars should be evaluated based on cost and time. In some cases, it is less expensive and more convenient to use cab service, hotel shuttle or public transportation.

3. The State Bar carries insurance that covers travelers when renting a vehicle while on State Bar business. Thus, travelers should not elect to carry the additional collision and liability coverage offered by rental agencies when traveling on State Bar business. All additional insurance elections will be deemed a personal expense chargeable to the traveler.

4. In the event the traveler rents a vehicle to be used for combined business and personal use, the traveler will not be covered by the State Bar's insurance when the car is used for personal purposes. To assure the traveler's personal liability is addressed in such circumstances, travelers are encouraged to obtain the appropriate insurance for the period the traveler is using the car for personal purposes. All additional insurance elections will be deemed a personal expense chargeable to the traveler.

5. Individuals are responsible for any car rental charges, fuel, insurance charges and liability while on personal business. The State Bar is not responsible for any costs, injuries or damages caused as a result of a rental car used for personal purposes.

6. Whenever practical, travelers should return cars with a full tank of gas to avoid excessive refueling charges by car rental companies. Car rental companies offer a Fuel Purchase Option that allows for the purchase of a full tank of gas allowing the car to be returned with an empty tank. This option may be cost-efficient but should be used only if the car will be driven enough to exhaust a full tank of fuel.

7. Additional charges for luxury-class-upgrades, convertibles, sports-cars, GPS navigation devices or fees for frequent-flyer points will not be reimbursed beyond the standard economy rental available.

8. Compliance with the rental car agency agreement is the responsibility of the traveler who signs the rental agreement. Please be aware of provisions in the rental agreement that prohibits any other person from driving the car.

9. In the event of an accident, follow these steps:

- Attend to any medical issues.
- Report to appropriate law enforcement agencies immediately.
- Consult the rental contract and follow its instructions.
- Promptly submit an accident report to the State Bar's Office of Operations.

F. Transit Fees and Fines

1. Tolls, parking fees and public transit fares incurred by travelers on State Bar business are reimbursable expenses and must be identified as such on *Expense Reports* under auto expenses. When travel is required to conduct State Bar business away from the individual's primary workplace, the State Bar will reimburse such expenses in conformity with the terms and guidelines of this policy regardless of whether the Travel Status requirements are met.

2. Parking tickets and traffic fines incurred by travelers will not be reimbursed.

V. LODGING

A. When lodging away from home is required to conduct State Bar business and Travel Status is not invoked, the State Bar will reimburse lodging expenses at the authorized rates and in conformity with the terms and guidelines of this policy regardless of whether the Travel Status requirements are met (Appendix C).

B. Individuals engaged as speakers for State Bar sponsored programs may be reimbursed for the actual cost of a standard single accommodation hotel room consistent with authorized rates.

C. Lodging Guidelines

1. Reimbursement for lodging expenses will be made for the actual expense of single accommodations, up to the maximum authorized rates or pre-negotiated meeting accommodations by State Bar staff.

2. Lodging expenses in excess of the current authorized lodging rates will not be reimbursed unless a prior contracted group rate arrangement has been made with the hotel by the State Bar or unless expressly authorized in advance by the Executive Director or designee. This must be confirmed in writing by attaching a form that provides all of the appropriate information, including name of meeting event, dates of stay, name and address of hotel, hotel rate per night.

3. If the *Expense Report* is submitted without the necessary approval form and the lodging rate is in excess of the authorized rate, the *Expense Report* will be returned to the approver. Reimbursement will be made for only the authorized maximum hotel rate for that city.

4. The State Bar covers the cost of the hotel room and business related telephone calls, parking, internet charges and business center expenses. Travelers are responsible for covering their personal incidental expenses including personal telephone calls, room service and other in-room self-service items. See Section VII, Communications & Incidentals.

5. Any charges resulting from failure to cancel lodging reservations are not the responsibility of the State Bar unless the reason for failure to cancel in time is business-related or due to an unavoidable personal emergency and a

statement of same is included on the *Expense Report*.

6. Reasonable tips in connection with the handling of bags, valet service, and accommodation maid service are reimbursable expenses.

VI. MEALS

A. Travel Status Meal Guidelines

1. Individuals on Travel Status will be entitled to their own meal expenses up to the maximum amount allowed under the authorized per diem [meal rates](#) (Appendix C). Payment will be made only for the traveler's own expenses. Each traveler is responsible for his/her own travel and meal expenses.

2. If the cost of a meal exceeds the approved per diem rates, only the amount of the per diem rate will be paid by the State Bar.

3. Eligibility for meal per diems is based on the time(s) during which an individual is on Travel Status. The following guidelines apply:

Breakfast: Travel status before 7:00 a.m.

Lunch: Travel status at 12:30 p.m.

Dinner: Travel status after 7:00 p.m.

4. The meal per diem may not be claimed when a meal is otherwise provided at State Bar expense (e.g., a State Bar catered lunch).

5. Tips for restaurant service are considered to be part of the per diem rate and are not reimbursable beyond the per diem rate.

B. Non Travel Status Meal Guidelines

1. The cost of business-related meal expenses may be compensated when an individual is not on Travel Status if the meal was work related and in conditions beyond the individual's control. Examples include:

An individual is not on Travel Status but is required by the State Bar to staff or attend an off-site meeting or function where a meal is required under circumstances beyond the individual's control. This includes staffing the bar examination.

An individual is not on Travel Status but is required by the State Bar to attend off-site training where a meal is required under circumstances beyond the individual's control.

An individual is not on Travel Status but is required by the State Bar to stay overnight away from home during authorized meal times.

2. A travel *Expense Report* should be used to report these expenses. The report must include the purpose of each business-related meal and the conditions that justify payment.

3. The above standards governing travel status meals (VI.A.1. through 5., rates, tips, etc.) apply to non-travel status meal reimbursement, except for the requirement of being on travel status.

4. Meal reimbursement is not allowed where State Bar representatives are not on Travel Status and have a meal together incidental to a State Bar function they are attending or staffing.

C. Catered Meals Guidelines

1. Refreshments and/or meals may be catered at State Bar expense at State Bar meetings and events provided that the attendees are not exclusively State Bar employees and the subject matter of the event is not routine internal State Bar business or staff meetings. Individuals (including members of the Board of Governors, committee members, and State Bar employees) attending such activities as part of their duties are entitled to partake of the catered meal, regardless of whether they are on Travel Status. Meal per diem rates do not apply when a catered meal is provided.

2. Catering is defined as a contracted for food and beverage service. Catering can either be served on State Bar, hotel or convention site premises, or pre-booked contract meeting accommodations at a commercial restaurant (e.g. catering for Board of Governors meetings in LA, SF or offsite). Individual meals ordered off a restaurant menu, absent a food and beverage contract with the provider, does not meet this definition of catering, whether for an entire committee or a subset of same.

3. In certain circumstances, a State Bar meeting or function may occur in which the cost of a meal or refreshments is included in the registration fee or is to be reimbursed by attendees individually, in which case traveler may not claim individual per diem reimbursement.

D. Alcoholic Beverages

Alcoholic beverages or corkage fees are not generally reimbursable travel/business expenditures. See Section IX, Business Expenses.

VII. COMMUNICATIONS & INCIDENTALS

A. Reimbursement is provided for reasonable expenses incurred in making business-related telephone calls and limited calls to the individual's home resulting from the requirements of business. As long as the calls are required by State Bar business, the State Bar will reimburse these expenses in conformity with the terms and guidelines of the Travel and Business-Related Expense Policy regardless of whether the Travel Status requirements are met.

B. Expenses incurred incidental to State Bar business such as copying costs, remote internet connection fees, facsimile costs and other expenses required to conduct State Bar business, will be reimbursed in conformity with the terms and guidelines of the Travel and Business-Related Expense Policy regardless of whether the Travel Status requirements are met.

VIII. EXPENSE ADVANCES

A. Travelers may, under exceptional circumstances, request temporary travel advances. In order to be processed, such requests must be approved according to the same procedure as for *Expense Reports* and submitted to the Finance Department at least three full workdays before the funds are needed.

B. The amount of the advance will be based on the nature and requirements of the trip, but will not exceed \$250 per day.

C. All advances must be repaid or offset by *Expense Reports* within the 30-day deadline for submission of reports as noted above.

D. Additional advances will not be made when a prior advance is outstanding.

IX. BUSINESS EXPENSES

Senior State Bar staff may budget for a "Business Expense" account. The Business Expense account is to be used only by Senior Staff in the discretion of the Senior Staff to cover business expenses incurred in the legitimate furtherance of State Bar business. Expenses charged to this account by Senior Managers are exempt from this State Bar Travel and Business-Related Expense policy.

Hotel Reservations

In the absence of a negotiated State Bar group contract, the State of California has negotiated discounted hotel room rates at a number of hotels in California. Though travelers are not required to use these hotels, they must still abide by the established hotel per diem for the city they are visiting. Exceptions to these per diems must be approved in advance of travel by your staff manager liaison.

The State Bar has negotiated favourable rates in San Francisco at the [Harbor Court Hotel](#). Travelers to San Francisco should take advantage of contracted rates when available. In order to receive the contracted rate and be exempt from hotel tax, individual State Bar travelers must contact Margarita Manalo, Travel and Information Services Coordinator for San Francisco (415) 538-2562, who will handle the reservations, prepare the tax exempt form and handle billing.

In Los Angeles, favourable rates are often available at the [Omni Hotel](#) and the [Marriott Hotel](#) for State Bar travelers. To make reservations, travelers should contact Alice Daniels, Travel and Information Services Coordinator for Los Angeles (213) 765-1116. Travelers can pay for their room when they check out using their own personal credit card.

Travelers attending a State Bar contracted-for meeting event should book their rooms according to the specific instructions of the hosting department in order to satisfy room-block commitments. State Bar travelers visiting other cities in California or out of state may be able to take advantage of other discount rates for hotel accommodations. The State of California travel program has contracted rates with many hotels throughout the country. A list of available hotels can be found on their website at <http://www.travel.dgs.ca.gov>. If you are interested in making a reservation at one of these hotels please contact Margarita Manalo (SF) or Alice Daniels (LA) for assistance. If you have any questions about the travel program and the established guidelines, please call either Liz Avila (415) 538-2329 or Tony Gonzalez (213) 765-1113.
