

THE STATE BAR OF CALIFORNIA

Application for 2007 - 2008 Appointments

You may apply to up to three committees, but can only be appointed to one. A separate application must be submitted for each committee to which you apply (see the Filing Instructions at the end). If you are not appointed to a committee of your choice, your application may be circulated to other committees if you so authorize. Review the requirements for each committee (e.g., attorney applicants to the JNE Commission must be active State Bar members; applicants to a section executive committee must be members of that section). All correspondence regarding your application will be mailed to your State Bar public address of record. Terms for standing, section executive, and special committees begin Sept. 30, 2007. Terms for the 2008 JNE Commission begin Feb. 1, 2008. Applicants to these committees will be notified by letter of the decision on their applications by Sept. 30, 2007.

Instructions. Type or print clearly with dark ink. If the space provided is not sufficient for your response, you may attach a separate page. Date and sign the application in the space provided. Include a statement of interest indicating why you wish to serve on the committee and what you can contribute, a resume or biography, and any letters of recommendation. Part Two

The State Bar of California values diversity and broad-based representation in its appointments. The legal community is diverse and it serves an even more heterogeneous population. The recruitment and selection of applicants with diverse backgrounds, experiences, outlooks, and ideas will bring qualities essential to the governance of the legal profession and to the services the State Bar provides to its diverse members and to the public. It is therefore the policy of the State Bar's Board of Governors to encourage the participation of all State Bar members in order to obtain broad representation on each entity. To the extent available, the State Bar will consider factors which encourage breadth and depth of perspective including, but not limited to, the following: geographic location of residence and work, practice area, size of law practice, length of time practicing, specific accomplishments, volunteer work, educational background, ethnicity, gender, age, sexual orientation, and disability. The State Bar provides equal access to all applicants and does not discriminate against persons on the basis of sex, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS) or mental disability, medical condition (cancer), age (over 40), marital status, denial of family care leave, political affiliation, sexual orientation, disabled veteran or Vietnam era veteran status.
