

State Bar of California Membership Fees Information

Membership Fees: All members, active or inactive, pay annual membership fees. Your first year's fees will be based on *your date of admission*, which is the date upon which you take your oath. A 2013 Fee Statement will be sent to you within 30 days of enrollment. Your future annual Fee Statements will be sent to your address of record in December of each year for the following year's annual fees. Penalties are assessed if fees are not timely paid. Once you are a State Bar member, to keep your address current, go to calbar.ca.gov and submit any changes using **My State Bar Profile** (your initial access code will be printed on the upper right corner of your fee statement).

A Fee Statement will be issued within 30 days of your admission. Fee Statements issued December 1, 2013, or later, will also include 2014 Active Membership Fees. Fees are due within 45 days of invoice date. Late penalties will be assessed on the 46th day. Please refer to the actual Fee Statement packet for detailed deadline and penalty information.

Bar Numbers and Membership Cards: Within approximately two weeks of the State Bar's receipt of your completed Registration Card, your membership information, including your state bar number, will be available on the Attorney Search section of the State Bar's website. Bar membership cards will be mailed within two weeks of receipt of your membership fees payment.

Status or Class of Membership: There are two classes of membership: active and inactive. New members are enrolled as active members and will be billed active fees for the calendar year in which they are admitted. New members admitted June 1 or later will be billed a half-year of active fees. For those admitted in the month of December, that year's fees are waived, and the member will be billed active fees beginning in January of the next year.

Transferring to inactive status is a serious step requiring the completion of a specific form available online at calbar.ca.gov. Transfers to Inactive status may be done at any time, however **new members are not eligible for the inactive billing rate during the calendar year in which they are admitted**. More information, including Active and Inactive forms, can be found on the State Bar's website at calbar.ca.gov. Should you have any further questions regarding the inactive status, you are encouraged to **contact the Member Services Center prior to taking your oath.**
