

**INFORMATION FOR UNSUCCESSFUL APPLICANTS  
JULY 2023 GENERAL BAR EXAM AND ATTORNEYS' EXAM**

**Grade Information**

The General Bar Exam consists of two sections: a written section containing five essay questions and one Performance Test (PT), and the 200-item Multistate Bar Examination (MBE) questions. If you took the General Bar Exam, you will be able to view the following information through your Applicant Portal: the raw scores for your answers to the five essay questions and the one PT (written scores), your total raw and scaled written scores, your MBE scaled score, and your total scaled score. Also reported for the MBE will be local and national percentile rank information, which indicates the percentile rank for each applicant's performance on the seven MBE content areas and the MBE total score.

The Attorneys' Exam consists of the five essay questions and one PT from the General Bar Exam. If you took the Attorneys' Exam, you will be able to view the following information through your Applicant Portal: the raw scores for your answers to the five essay questions and the one PT (written scores), your total raw and scaled written scores, and your total scaled score.

To pass the exam an applicant must have a total scaled score of at least 1390 points out of a possible 2000 scale points.

**Scaling Information**

The Committee of Bar Examiners utilizes a scoring procedure designed to ensure the level of difficulty of the exam remains unchanged from previous administrations of the exam. The statistical technique, called scaling, converts scores on the written section (essay questions and PT) to the MBE scale measurement. Converting the total written raw scores to the same scale of measurement as the MBE adjusts for possible differences in average question difficulty and grading across different administrations of the exam.

On the written section of the exam, applicants were initially graded on a basis of 700 maximum possible points. An applicant could earn up to 100 raw points on each of the five essay questions and up to 100 raw points on the PT. The grade on the PT is doubled in the calculation of the total raw written points. The scores obtained on the written section of the exam are then translated to the 2000-point MBE scale. An applicant's total score is the scaled MBE score multiplied by .50 plus the converted score on the written section multiplied by .50.

Attorney applicants who took the Attorneys' Exam also have their scores on the written section placed on the same scale of measurement as general applicants, but, as they are exempt from the MBE, their pass/fail status is based solely on the written section.

### **Phased Grading**

All written answers submitted by applicants who completed the exam in its entirety are read and graded at least once before pass/fail decisions are made. To pass the exam in the first phase of grading, an applicant must have a total scaled score (after one reading) of at least 1390 points out of 2000 possible points. Those with total scaled scores after one reading below 1350 fail the exam.

If the applicant's total scaled score is at least 1350 but less than 1390 after one reading, all of the applicant's answers are read a second time by a different set of graders. If the applicant's averaged total scaled score after two readings is 1390 or higher, the applicant passes the exam. Applicants with averaged total scaled scores of less than 1390 fail the exam.

If you wish to calculate your written scaled score on your own:

Double the assigned PT grade and add the resulting value to the sum of your five raw essay grades. The total is your raw written score. Insert this value into the following formula:

$$\text{Written scaled score} = (\text{Raw written score} \times 4.3264) - 456.4637$$

If you took the Attorneys' Exam, your total scaled score is equal to your written scaled score.

If you took the General Bar Exam and wish to calculate your total scaled score on your own:

Multiply your MBE scaled score by .50. Multiply your written scaled score by .50. The sum of these two products is your total scaled score on the exam.

### **Examination Answers**

The essay and PT answers of those applicants who are unsuccessful on the California Bar Exam are accessible through your [Applicant Portal](#). You may save or print a copy for your records. The files will be removed from the Applicant Portal on **December 8, 2023**.

The MBE portion of the California Bar Exam is a secure exam owned by the National Conference of Bar Examiners (NCBE). The NCBE does not permit the review of MBE questions, answers, or the answer sheets completed by applicants. Only scaled MBE scores and percentile rank information are provided to the jurisdictions that use the test. Raw scores are not available.

### **Practical Training of Law Students — Termination of Certification**

Pursuant to the provisions contained in Title 3, Division 1, Chapter 1 of the *Rules of the State Bar of California (Admissions Rules)* regarding the Practical Training of Law Students program, certification as a law student is terminated when an applicant receives the results for or fails to take the first California Bar Exam for which they are eligible.

### **Provisional Licensure Program**

In October 2020, the California Supreme Court issued an administrative order approving Rule 9.49, which implemented a Provisional Licensure Program (PLP) for 2020 law school graduates. The program as currently structured allows eligible 2020 law school graduates to practice law as provisionally licensed lawyers under the supervision of fully licensed lawyers who meet the requirements of the rule and who agree to assume professional responsibility over the work of the provisionally licensed lawyers.

The California Supreme Court issued an administrative order in January 2021 that expanded the Provisional Licensure Program to include individuals who scored 1390 or higher on any California Bar Exam administered between July 2015 and February 2020, as determined by the first read score or final score, regardless of year of law school graduation or year satisfying the educational requirements to sit for the bar exam. Those eligible for the expanded program will not need to retake a bar exam if they complete 300 hours of supervised legal practice in the Provisional Licensure Program and fulfill all other requirements of the amended rule.

In December 2022, the California Supreme Court responded to a request filed by the Board of Trustees of the State Bar of California and granted the extension of both programs. The court also amended rules 9.49 and 9.49.1 of the California Rules of Court. Provisionally licensed lawyers in the original PLP who satisfied all program requirements but have not yet successfully passed the California Bar Exam may participate in the program until December 31, 2025. Those eligible for the expanded program have until December 31, 2023, to apply, and participants in this pathway may also remain in the program until December 31, 2025.

Provisionally licensed lawyers are able to engage in all of the same activities that a fully licensed lawyer is permitted to engage in, under their supervising lawyer's supervision and subject to certain restrictions. Both the provisionally licensed lawyer and their supervising lawyer are expected to abide by all applicable State Bar rules and guidelines and are bound by the disciplinary authority of the California Supreme Court and the State Bar. For more information about the PLP, please visit the [State Bar website](#).
