

## JULY 2024 BAR EXAMINATION HOTEL INFORMATION

The State Bar provides the following list of hotels as a courtesy to those taking the California Bar Examination. **This listing is preliminary and will be updated as hotel blocks become available.**

This list includes hotel addresses, phone numbers, information for online reservations, room rates, and reservation cut-off dates for those who want to stay at the hotel before taking the California Bar Examination. You may choose a hotel near a standard testing center or, if approved, near your testing accommodation location.

**When you contact the hotel, request the group rate for the State Bar of California exam to receive the special rate.**

We suggest that you make reservations before the cut-off date indicated for the hotel of your choice. You will be responsible for all costs and expenses associated with your reservation.

The State Bar does not guarantee the quality or availability of rooms. The State Bar reserves the right, in its sole discretion, to make changes to any information contained in this fact sheet at any time without prior notice.
