## THE ORGANIZATION

Created by the Legislature in 1927, the State Bar of California is a public corporation with the Judicial Branch of state government, serving as an administrative arm of the California Supreme Court. The State Bar licenses attorneys and regulates the profession and practice of law in California by administering the California Bar Exam; enforcing Rules of Professional Conduct for attorneys; disciplining attorneys who violate rules and laws; advancing access to justice; and promoting diversity and inclusion in the legal system.

The State Bar of California is the largest State Bar in the country and one of the largest in the world. The State Bar licenses more than 260,000 attorneys, investigates approximately 16,000 complaints of attorney misconduct annually, and distributes over \$75 million in grants to legal aid organizations. It is headquartered in San Francisco and also has an office in Los Angeles.

*“The State Bar of California’s mission is to protect the public and includes the primary functions of licensing, regulation and discipline of attorneys; the advancement of the ethical and competent practice of law; and the promotion of efforts for greater access to, and inclusion in, the legal system.”*

The State Bar is led by a Board of Trustees and managed by staff. The Board of Trustees serves as the State Bar’s governing body and develops the guiding policies and principles underpinning its regulatory mission. The Board is comprised of 13 members that include five attorneys appointed by the California Supreme Court, two attorneys appointed by the Legislature; and six “public” (non-attorney) members appointed by the legislature and the Governor. The Executive Director, through and with the Bar’s Leadership Team, is responsible for ensuring that the organization fulfills its mission and achieves the specific goals outlined in the Bar’s strategic plan. The Executive Director’s Leadership Team is comprised of the General Counsel, Chief Trial Counsel, Chief of Programs, Chief Financial Officer, Chief Administrative Officer, and Chief of Mission Advancement & Accountability.

The State Bar is organized into seven functional divisions: Office of General Counsel, Office of Chief Trial Counsel, State Bar Court, Office of Finance, Programs Division, Administrative Division, and Mission Advancement & Accountability Division.

The State Bar is funded largely by annual attorney licensing fees and is not part of the traditional State budget process. However, the majority of the Bar’s funding is dependent on a licensing fee bill that must be approved by the legislature and the Governor each year. The State Bar has a 2020 Adopted Budget that reflects \$211 million in total revenue, \$242
