I. INTRODUCTION

The State Bar of California ("the State Bar"), created in 1927 by the Legislature and adopted into the California Constitution in 1960, is a public corporation within the judicial branch of state government. The purpose of the State Bar of California is to ensure that the people of California are served by the legal profession in a manner consistent with the highest standards of professional competence, care, and ethical conduct; to carry out such additional programs as may be required by law or by rule of court; and to contribute generally to the science of jurisprudence and the administration of justice. The State Bar serves as an administrative adjunct to the California Supreme Court in all matters pertaining to the admission, discipline, and regulation of California lawyers. The California Constitution, the State Bar Act and California Rules of Court vest in the State Bar the duty to regulate the legal profession, formulate and elevate educational and professional standards, raise the quality of legal services, advance the science of jurisprudence, and aid in the improvement of the administration of justice.

The State Bar is a unified, or integrated bar, and membership is mandatory for all
attorneys who are licensed to practice law in the state. In addition to its mandated licensing, disciplinary and certification functions, the State Bar offers a number of other programs designed to assist, educate and protect its members and the public. The State Bar’s programs are financed by fees paid by attorneys and applicants to practice law. The State Bar has over 253,000 members, making it the largest unified state bar in the country with offices located in Los Angeles and San Francisco. For more than 80 years, The State Bar of California has shaped the development of the law, regulated the professional conduct of the state’s lawyers and provided greater access to the justice system for all citizens. More information about the organization can be found at http://www.calbar.ca.gov/AboutUs.aspx.

II. STATEMENT OF WORK

A. Background

The fee statement project consists of two mailings annually – December 1 and mid-March (exact date TBD each year):

The 2016 Annual Statement will be sent to approximately 240,000 members on December 1, 2015, with the number increasing approximately 5,000 each year for both the 2017 and 2018 fee statements.

A Final Notice will be mailed to approximately 25,000 members in mid-March, with the number increasing approximately 1,000 each year for the 2017 and 2018 fee statements.

The State Bar will transmit membership data in electronic form to be imaged using variable formal layouts onto all individual fee statements. As part of its agreement with the State Bar, the vendor must agree to hold this membership information strictly confidential and not use this information for any other purpose.

Printed fee statements will be imaged with an OCR-A scan line using medium regular, 12-point imaging font with 10 cpi placement. The typesetting, printing, and imaging of the fee statements will be in accordance with Document Design Specifications of the State Bar and the State Bar’s lockbox vendor, Regulus/Wells Fargo. These specifications are summarized in this RFP, and examples from the 2015 fee statement are included as exhibits. Additional narratives and text may be added or dropped and existing text may be changed.

Vendor will agree to meet strict time limitations including a schedule that will require vendor to present proofs to the State Bar in sufficient time to allow the State Bar to review and submit necessary changes in advance of the date for mailing. Vendor will complete electronic proofs to the satisfaction of the State Bar and will promptly change and/or revise such proofs, as needed, until the State Bar is satisfied.
B. First Fee Statement Mailing

Vendor will typeset, print, perforate, image, collate, and mail a First Fee Statement Package for every State Bar member named on the first State Bar-provided transmission.

The first mailing will consist of four components, with approximately one-fourth of the membership receiving a fifth component – the Minimum Continuing Legal Education (MCLE) Compliance informational coupon – and a different Outgoing Envelope. (Please note: While the State Bar anticipates only these components, Vendor must demonstrate flexibility in case the bar is required to add components currently not foreseen. Additional components would, of course, be subject to negotiation).

The five components will be:

1. Outgoing Envelope (see 2015 samples, “Exhibit 1-A” and “Exhibit 1-B”)
2. Fee Statement (see 2015 sample, “Exhibit 2”)
3. Brochure (see 2015 sample, “Exhibit 3”)
4. Reply Envelope (see 2015 sample, “Exhibit 4”)
5. MCLE Compliance Coupon (see 2015 sample, “Exhibit 5”)

Vendor will typeset copy on the Fee Statement and envelopes; some text on the fee statement will be imaged, and all text on the MCLE coupon will be imaged.

Vendor will print the First Fee Statement Package according to the following specifications:

1. Outgoing envelope – printed on No. 10 non-standard Window; 24 lb.; window is larger than normal to accommodate all of the information that must appear

2. Fee Statement page – 8 1/2 x 14; perforated; 2-color – Imaged & Pre-printed Text printed on 8 1/2 x 14 24 lb. Bond paper

3. Brochure – 1 page, front and back panel, brochure; 2-color – on 3 1/2 x 8 1/2 white paper (negotiable)

4. Reply Mail Envelope – printed on No. 9 non-standard Window; the printed return address on the fee statement will be positioned so that it can be easily read
5. MCLE Compliance Coupon - included in approximately one-fourth of first mailing – 8 1/2 x 3 3/8 Pre-determined colored paper.

This variable insert will be included when a member is identified in the data file as being part of the current compliance group. Vendor is required to describe how this match occurs and what steps are in place to ensure that an improper match is not inserted into an envelope and mailed.

**Imaging**

The State Bar will provide Vendor with membership data transmission to be printed on the individual Fee Statement Packages as noted. The State Bar requests that Vendor’s response to this RFP include samples of imaged data that has been produced for other customers.

The variable format information will be imaged onto the front of the fee statement page using a minimum of Midax (300 x 300 dpi) imaging. If better quality imaging is available, please specify and provide a sample of the image quality. The following information will be imaged:

1. The member’s name and address
2. The member’s State Bar membership number
3. The USPS ACS code for the member, including the member’s State Bar number
4. The member’s eight-digit access code (to provide secure access to the member’s billing information online) if no profile has been established previously
5. Variable MCLE Group designation to drive MCLE insert selection
6. All membership fees, costs, and options
7. The return mail code: AA on the December 1 statement (the return mail code will not be provided by the State Bar but shall be entered by Vendor based on the member’s status and mailing)
8. The date, as specified by the State Bar
9. The OCR-A scan line on the coupon. The OCR-A scan line will be imaged using medium regular, 12-point imaging font with 10 cpi (characters per inch) placement. The OCR-A scan line will be positioned so that the bottom of the scan line is 1/4” above the bottom edge of the coupon and the first character of the scan line is in the 11th
Test Run
Vendor agrees to generate a First Fee Statement Package imaging test run immediately prior to the imaging of the full group of First Fee Statement Packages. This test run will include samples of each of the variable format statements. The results of this run shall be checked by a designee of the State Bar to verify that the imaged data is correctly placed and of a quality satisfactory and acceptable to the State Bar. This test run will utilize the actual forms to be mailed to members. The test run will be done on a selected group of members provided by the State Bar, which includes all of the sub-groups in one program but shall not result in the printing of more than 100 packets.

Vendor is required to send sample statements to the State Bar lockbox (Regulus/Wells Fargo) for scan line verification prior to production.

Vendor will perforate the fee statement in one place on the Fee Statement – between the member’s part and the remittance coupon.

Vendor will collate the first fee statement packages so that each contains the components above and that approximately one-fourth of the members will receive the MCLE coupon. The fee statement will be folded and insertions will have a neat, smooth and professional appearance. The outer envelopes will be sealed, and all completed envelopes must pass the USPS tap test.

Vendor will mail on Dec. 1 the first fee statement packages to the State Bar members whose names appear on the transmission. Vendor will use each member’s address of record as it is supplied by the State Bar, except that changes in punctuation may be made, and Zip Code extensions and bar coding will be added. Vendor may use NCOA Processing but shall not change any member’s address information as a result. Any members’ addresses that are rejected for reasons other than punctuation or correcting a zip code or adding a zip code extension will be dropped from the mail queue and sent separately to the member’s address of record using full U.S. or appropriate foreign postage.

Vendor shall have the ability, including a current contract, to use the USPS ACS electronic change of address notification.

Vendor will sort the finished first fee statement packages to members having U.S. addresses to obtain the best available first-class postal rate. The sorting process shall use pre-bar code sort, pre-sort and residual piece rates.

Vendor will group together the first fee statement packages to members having addresses in foreign countries and will mail using an international mailing service. If other than TNT or Deutsche, please supply service description and costs.

C. **Printing of State Bar Supplies for In-House Use**

The State Bar will require pre-printed stock for in-house use, including but not limited to, 30,000 additional Fee Statements and 20,000 envelopes (without indicia):

1. Fee Statement page – 8 1/2 x 14; perforated; 2-color – with some blank space for variable imaging (see sample, “Exhibit 6”)

2. Outgoing Envelope – printed on No. 10 Non-Standard Window; 24 lb.; window is larger than normal to accommodate all of the information that must appear (same as 2015 Sample, “Exhibit 1”, except no indicia)

D. **Final Notice Mailing**

The Final Delinquent Notice Package will be mailed mid-March and will consist of the same components as the first fee statement package (except for the Brochure, Exhibit 3), as well as an 8 1/2 x 11 Final Delinquent Notice with exact wording provided by the State Bar (see 2015 sample, “Exhibit 7”). The Final Notice will contain MCLE compliance coupons (some changes in typesetting required on coupon to reflect past due notice) in approximately one-fourth of the total Final Delinquent Notice mailings sent. Typically, the Final Notice is mailed to approximately 10% of the members who received the first (Dec 1) notice. The data file may be submitted in 2 or 3 batches to facilitate the use of variable imaged headings, and/or different outgoing envelopes (see 2015 samples, “Exhibit 8” and “Exhibit 9”). This Final Mailing will require the same diligent approach as the First Mailing, including performing a test run.

E. **Back Up Facilities**

The ability to produce the State Bar fee statement packets at a backup facility, should the need arise, will be considered a plus for the responding vendor. The State Bar requires a statement that vendor’s backup facility will produce work as specified and on dates specified. Also, the name and address of the backup facility should be included.

III. **GENERAL INFORMATION**

The submission requirements for this RFP are set forth below. A proposal shall constitute an irrevocable offer for 60 business days following the deadline for its submission. Reference to a certain number of days in this RFP shall mean business days unless otherwise specified.

Contact with State Bar personnel in connection with this RFP may not be made other than as specified in this RFP. Unauthorized direct or indirect contact with any State Bar personnel may be cause for rejection of a bid.
A. Submission Requirements

To be considered responsive, a proposal must contain the following, prefaced by a table of contents, referenced by number and in the order below.

1. A brief description of the history and organization of the bidder’s firm, and of any proposed subcontractor.

2. Copies of business licenses, professional certifications or other credentials, together with evidence that bidder, if a corporation, is in good standing and qualified to conduct business in California.

3. The most recent year’s annual reports, or comparable document, including detailed current profit and loss, assets and liabilities, and other relevant financial data. Bidders must submit Attachment B: Vendor History Questionnaire electronically in native .xls format per instructions below.

4. A description of at least three (3) similar projects completed by the bidder within the past three (3) years. Include personal references with contact information for each.

5. Qualifications, background and experience of the project director and other staff proposed to work on the project.

6. A general description of the techniques, approaches and methods to be used in completing the project.

7. A description of the chronology for completing the work, including a time line and deadlines for each task.

8. A detailed cost proposal, including any travel costs and other expenses. Bidders must submit Attachment A: Itemized Cost Proposal electronically in native .xls format per instructions below. If necessary, contractors’ travel expenses will be reimbursed in accordance with the public Travel and Business-Related Expense Policy. It is unlawful for any person engaged in business within this state to sell or use any article or product as a “loss leader” as defined in Section 17030 of the Business and Professions Code. As the State Bar may award a contract based on the initial offer, a bidder should make its initial offer on the most favorable terms available. The State Bar reserves the right, however, to have discussions with those bidders falling within a competitive range, and to request revised pricing offers from them and to make an award or conduct negotiations thereafter.
9. A written acknowledgement of the acceptance of the Contracting Requirements set forth in section IV of this RFP. Specific terms may be reserved for future negotiation, but must be clearly identified and reasons given for the reservation.

B. Submission Requirements Format Summary

Proposals should be prepared simply and economically, providing a straightforward and concise description of the Vendor’s ability to meet the requirements of this RFP. Emphasis should be on completeness and clarity of content.

1. Deliver 5 physical hardcopies to the attention of Kathan Lambert, no later than 4 p.m. June 17, 2015.

2. Each set should include all attachments requested, including copies of the electronic attachments itemized below.

3. Deliver electronically in with above (one set--CD-ROM, DVD, or USB flash drive) in native unlocked format as noted below:
   a. Attachment A: Itemized Cost Proposal (.xlsx)
   b. Attachment B: Vendor History Questionnaire (.xlsx)

Proposals that fail to address each of the submission requirements above may be deemed non-responsive and will not be further considered. The State Bar, solely upon its own discretion, will judge vendors on their overall compliance, and may judge a vendor to be materially compliant, even if that vendor is non-compliant to a particular requirement of the RFP.

If specific submission components are particularly large and self-contained they may be included in a separate appendix rather than in the body of the proposal. Submittals should not direct the evaluation team to general brochures, marketing materials or websites to obtain information related to the specific submission requirements; submittals that utilize references to external materials as an answer will be considered non-responsive.

Submittals should provide straightforward and concise information that fulfill the requirements of the RFP. Emphasis should be placed on brevity, conformity to the State Bar's instructions, and completeness and clarity of content. Proposals should not include generic promotional materials and graphics that increase page count and PDF file size without addressing substantive content. Hard copy brochures and marketing materials may be included as a supplement if desired.
C. Rejection of Proposals

The State Bar reserves the right in its sole discretion to reject any or all proposals in whole or in part, without incurring any cost or liability whatsoever. All proposals will be reviewed for completeness of the submission requirements. If a proposal fails to meet a material requirement of the RFP, or if it is incomplete or contains irregularities, the proposal may be rejected. A deviation is material to the extent that a proposal is not in substantial accord with RFP requirements.

Immaterial deviations may cause a bid to be rejected. The State Bar may or may not waive an immaterial deviation or defect in a proposal. The State Bar's waiver of an immaterial deviation or defect will in no way modify the RFP or excuse a bidder from full compliance with the RFP requirements.

Any proposal may be rejected where it is determined to be not really competitive, or where the cost is not reasonable.

Proposals that contain false or misleading statements may be rejected if in the State Bar's opinion the information was intended to mislead the State Bar regarding a requirement of the RFP.

D. Evaluation Process and Highest Scored Bidder

An evaluation team will review, in detail, all proposals received to determine the Highest Scored Bidder (“HSB”).

Following the initial review and screening of the written Proposals, using the selection criteria described below, several bidders may be invited to participate in the final selection process, which may include participation in an oral interview and/or submission of any additional information as requested by the State Bar.

The State Bar reserves the right to determine the suitability of proposals on the basis of a proposal's meeting administrative requirements, technical requirements, the review team's assessment of the quality and performance of the equipment and services proposed, and cost.

During the evaluation process, the State Bar may require a bidder’s representative to answer questions with regard to the proposal and/or require certain bidders to make a formal presentation to the evaluation team and/or the State Bar Senior Executive Team. The State Bar may also have discussions with those bidders falling within a competitive range, request revised pricing offers from such bidders, and make an award and/or conduct negotiations thereafter.

This Request for Proposal does not commit the State Bar to awarding a Contract. Bidders shall bear all costs incurred in the preparation of the Proposal and participating in the Proposal evaluation process. The State Bar reserves the right
to reject any and all Proposals, to accept the Proposal it considers most favorable in its sole discretion, and to waive minor irregularities. The State Bar further reserves the right to seek new Proposals when such procedure is considered by it to be in the best interest of the State Bar.

1. The following criteria will be used in reviewing and comparing the proposals and in determining the HSB. The weight to be assigned to each criterion appears following each item.

   a. Responsiveness of the proposal to the submission requirements set forth in the RFP (10%).
   
   b. Agreement with the State Bar’s contracting requirements (10%).
   
   c. The technical ability, capacity, financial viability, and flexibility of the bidder to perform the contract in a timely manner and on budget, as verified by, e.g., the quality of any demonstration, client references, demonstrated success in projects with similar requirements and any other contracts with the State Bar (50%).
   
   d. The total cost of the proposal. If the proposal contains itemized rates, per piece pricing, or commission-based pricing, the State Bar reserves the right to calculate total contracted cost by calculating rates using either previous known usage activity or future projected volume. Costs will be evaluated only if a proposal is determined to be otherwise qualified. Costs should be itemized by type to allow the State Bar to implement the proposal over the term of the contract (30%).

2. If a large number of proposals are received, the State Bar reserves the right to review the proposals using a tiered evaluation system. All qualified proposals will be evaluated based on the Submission Requirements and Cost, with the top candidates advancing as finalists and receiving a full evaluation as outlined above.

E. **Award and Execution of Contract**

Subject to the State Bar’s right to reject any or all proposals, the HSB will be awarded the contract. Notice will be posted at the State Bar’s offices at 180 Howard Street, San Francisco, CA and written notice sent to bidders on or about July 14, 2015 of the Bar’s intention to award the contract to the HSB. It is anticipated that final selection of the HSB will be made by July 21, 2015. The evaluation team will select a winning proposal subject to approval by the Board of Trustees. Upon selection, the State Bar and the selected Vendor will enter into good faith negotiations on a contract containing, without limitation, the Statement of Work and Contracting Requirements sections below.
No contract or agreement, express or implied, shall exist or be binding on the State Bar before the execution of a written contract by both parties. If agreement on the terms of such a contract cannot be reached after a period deemed reasonable by the State Bar in its sole discretion, the State Bar may enter into negotiations and sign a contract with any other bidder who submitted timely and responsive proposals to this RFP.

If, after the State Bar and the HSB agree to terms and execute a contract, that contract is terminated for any reason, the State Bar may, in its sole discretion, either enter into negotiations with the next highest scored bidder, or issue a new RFP and begin the proposal process anew.

Questions regarding the State Bar’s award of any business on the basis of proposals submitted in response to the RFP, or on any other matter in connection with the selection process, should be addressed in writing to Andrew Conover, Procurement Director at andrew.conover@calbar.ca.gov.

Where written notice is required in this RFP, the notice must be sent by U.S. mail and either facsimile or e-mail.

F. Errors in the RFP

If a bidder discovers any ambiguity, conflict, discrepancy, omission, or other error in the RFP, the bidder should immediately provide the State Bar with written notice of the problem and request that the RFP be clarified or modified. Without disclosing the source of the request, the State Bar may modify the document prior to the date fixed for submission of proposals by issuing an addendum to all potential bidders to whom the RFP was sent.

If prior to the date fixed for submissions, a bidder knows of or should have known of an error in the RFP but fails to notify the State Bar of the error, the bidder shall bid at its own risk, and if, awarded the contract, shall not be entitled to additional compensation or time by reason of the error or its later correction.

G. Questions Regarding the RFP

Questions regarding the RFP may be addressed in writing to Kathan Lambert at kathan.lambert@calbar.ca.gov. All questions must be submitted no later than 7 days prior to the date for submission of proposals. Questions and answers regarding the RFP may be shared with all bidders known to be interested in submitting a proposal.

If a question relates to a proprietary aspect of its proposal and the question would expose proprietary information if disclosed to competitors, the bidder may submit the question in writing, conspicuously marking it as "CONFIDENTIAL."
the question, the bidder must submit a statement explaining why the question is sensitive. If the State Bar concurs that the disclosure of the question or answer would expose proprietary information, the question will be answered, and both the question and answer will be kept in confidence. If the State Bar does not concur regarding the proprietary nature of the question, the question will not be answered in this manner and the bidder will be notified.

A bidder, who believes that one or more of the RFP’s requirements is onerous or unfair, or unnecessarily precludes less costly or alternative solutions, may submit a written request that the RFP be changed. The request must set forth the recommended change and reason for proposing the change. The State Bar must receive any such request no later than 5 days before the deadline for submitting proposals.

H. **Addenda**

The State Bar may modify the RFP prior to the date fixed for submission by posting, mailing, emailing or faxing an addendum to the bidders known to be interested in submitting a proposal. If any bidder determines that an addendum unnecessarily restricts its ability to bid, it must notify the State Bar in writing no later than 5 days before the deadline for submitting proposals.

I. **Withdrawal and Resubmission/Modification of Proposals**

A proposal may be withdrawn at any time prior to the deadline for submitting proposals by notifying the State Bar in writing of its withdrawal. The notice must be signed by the bidder. The bidder may thereafter submit a new or modified proposal, provided that it is received at the State Bar no later than the deadline.

Modification offered in any other manner, oral or written, will not be considered. Proposals cannot be changed after the evaluation process begins.

J. **Protest Procedure**

A bidder may protest the award if it meets all the following conditions:

1. The bidder has submitted a proposal that it believes is or should have been the HSB, under the criteria set forth above;

2. The bidder believes that its proposal meets the State Bar's administrative and technical requirements, proposes services of proven quality and performance, and offers a competitive cost to the State Bar; and

3. The bidder believes that the State Bar has incorrectly selected another bidder.
A bidder qualified to protest should contact Andrew Conover, Procurement Director, (415) 538-2207, to attempt an informal resolution. If this contact is unable to resolve the protest to the bidder's satisfaction, the bidder must file a written protest within 5 days of the notice of intention to award the contract. The written protest must state the facts surrounding the issue and the reasons the bidder believes the award to be invalid. The protest must be sent by certified or registered mail or delivered personally to:

The State Bar of California  
180 Howard Street  
San Francisco, CA 94105-1639  
Attention: Chief Financial Officer

Protests will be reviewed and decided by the State Bar’s Award Protest Team within 30 days after the State Bar issues written acknowledgment of the protest. In the event that a protest is filed, the contract award will be postponed pending resolution of the protest.

K. News Releases

News releases pertaining to the award of a contract may not be made without the prior written approval of the State Bar.

L. Disposition of Materials

All materials submitted in response to an RFP will become the property of the State Bar of California and will be returned only at the State Bar's option and at the expense of the bidder. One copy of each proposal will be retained for the State Bar’s official files and become a public record. Specific limited pages of a proposal, not including proposed cost and compensation, may be marked as proprietary and confidential. The entire proposal cannot be deemed confidential. The bidder’s consent will be requested before release of such confidential pages to non-State Bar personnel. By submitting a proposal, a bidder agrees to these terms and waives any right to pursue a cause of action for damages incurred as a result of the release of any information contained in a proposal.

IV. CONTRACTING REQUIREMENTS

Upon selection of a vendor, the terms set forth in this RFP are to be embodied in a definitive agreement containing such additional covenants and other provisions as may be mutually acceptable.

The State Bar contemplates that, in addition to the terms described above in this RFP, final agreement between the State Bar and the selected vendor will include, without limitation, the following terms. Submission of a proposal shall constitute agreement to
contract on these terms, except for any term specifically reserved in the proposal for future negotiation.

A. Time of Essence

Time is of the essence with respect to Vendor’s performance of the services and equipment to be provided in the final agreement.

B. Warranties and Representations

Vendor warrants and represents that it possesses such expertise, experience and resources to perform the scope of services required in a diligent, timely and professional manner consistent with the standards of the industry. Vendor represents and warrants that none of its work performed under this Agreement will infringe on the rights of third parties. Vendor will supply at all times an adequate number of well-qualified personnel to perform the work. Vendor will provide a contact person available and authorized to remedy any non-conformity with this warranty. If any of Vendor’s work is found to be infringing, Vendor will correct the work to be non-infringing at no charge to the State Bar.

C. Equipment, Tools, Supplies

The Vendor will supply all equipment, tools, supplies, offices, personnel, instrumentalities, transportation, support services and insurance required. The Vendor is not required to purchase, rent or hire any equipment, tools, supplies, offices, transportation, personnel, insurance or instrumentalities from the State Bar. The State Bar has no obligation whatsoever to provide any equipment, tools, supplies, offices, personnel, instrumentalities, transportation, support services or insurance required to perform services under this agreement.

D. Indemnity Obligations of Vendor

Vendor will indemnify and defend the State Bar (including its Board of Trustees, officers, director, agents, employees and volunteers, as the same may be constituted from time to time) from all claims, demands, damages, debt, liability, obligations, cost, expense, lien, action or cause of action (including but not limited to actual damages, fines and attorneys’ fees, whether or not litigation is actually commenced) arising out of: (i) the material breach by Vendor of any warranty, representation, term or condition made or agreed to by Vendor; (ii) all products and services prepared by or for Vendor hereunder and provided to State Bar; (iii) any claim or action for personal injury, death or otherwise involving alleged defects in Vendor’s business or any of its products or services provided to State Bar; (iv) any breach by Vendor of any statutory or regulatory obligation; (v) the actual or alleged infringement by Vendor of any patent, copyright, trademark or other proprietary right of any person or entity; and/or (vi) any act or omission of Vendor, its employees, agents or subcontractors.
E. **Insurance Obligations of Vendor**

The Vendor will provide and keep in full force and effect during the term of this agreement, at the Vendor's own cost and expense, the following insurance policies for the joint benefit of the Vendor and the State Bar, with an insurer reasonably acceptable to the State Bar:

1. Commercial general liability insurance with a general aggregate limit (other than products/completed operations) of at least Two Million Dollars ($2,000,000.00); at least One Million Dollars ($1,000,000.00) personal and advertising injury limit; at least One Million Dollars ($1,000,000.00) premises and operations limit; at least One Million Dollars ($1,000,000.00) each occurrence limit;

2. Workers' compensation coverage as required by law, together with employer liability coverage with limits of not less than One Million Dollars ($1,000,000.00) per occurrence.

3. Comprehensive automobile liability insurance covering owned, leased, hired and non-owned vehicles with at least One Million Dollars ($1,000,000.00) combined single limit.

4. Professional liability insurance with a general aggregate limit of Two Million Dollars ($2,000,000) and an occurrence limit of two Million Dollars ($2,000,000).

The Vendor will deliver to the State Bar offices at 180 Howard Street, San Francisco, CA 94105 Attn: Risk Management, true and correct copies of its insurance policies required above, and certificates of such insurance within seven (7) days of the execution of this agreement. Each such policy will name the State Bar as an additional insured and will state that the Vendor’s policy shall be primary and that any insurance carried by the State Bar shall be noncontributing with respect thereto. Each such policy will provide for thirty (30) days prior written notice to the State Bar in the event of cancellation or reduction in coverage or amount. If the Vendor fails to secure and maintain insurance policies complying with the provisions of this agreement, the State Bar may purchase the appropriate insurance policies and the Vendor will pay upon demand the cost of it to the State Bar or the State Bar may terminate this agreement. Additionally, if the Vendor assigns any portion of the duties under this agreement, each subcontractor or assignee will purchase and maintain the same insurance coverage required hereunder.

The Vendor will immediately notify the State Bar if the Vendor's commercial general liability insurance contains restrictive endorsements other than those restrictive endorsements normally included in the State of California. If the
Vendor's commercial general liability insurance contains such restrictive endorsements, the Vendor shall have five (5) business days to remove said restrictions. If the Vendor is unable to do so, the State Bar may terminate this agreement, and will be required to give the Vendor no more than two (2) days' notice of such termination, anything in this agreement to the contrary notwithstanding.

F. Termination

1. **At Will.** The agreement may be terminated by the State Bar, in its sole and complete discretion, upon thirty (30) days written notice to Vendor. In the event of termination pursuant to this section, the vendor’s sole compensation will be for that portion of services performed or goods delivered up to the date of termination, together with reimbursable expenses, if any then due. Vendor will not be paid for any services, goods or reimbursable expenses associated with any work or service not specifically authorized by the State Bar.

2. **Authorization of Funds.** If the term of this agreement extends into fiscal year(s) subsequent to that in which it is signed, it is understood that the continuation of this contract is subject to the authorization of sufficient funding for such purpose by the California State Legislature. If sufficient funds are not so authorized, the parties mutually agree that the contract may be terminated or amended as appropriate in response to the reduction in funding. If the agreement is terminated, Contractor agrees to take back any affected equipment, products, software, or hardware furnished under this contract, and relieve the State Bar of any further obligation, except for the State Bar’s obligation to pay for services already performed pursuant to this agreement.

3. **Default by Vendor.** This agreement may be terminated by the State Bar upon fifteen (15) days written notice to the Vendor in the event the Vendor is in default under any of its provisions.
