This document is a Request for Proposal (“RFP”) for Management Consulting Services.

The State Bar of California (“the State Bar”), on behalf of the State Bar Council of Sections (“Council of Sections”) seeks proposals for management consulting services, to develop and implement a transition plan for the legislatively-mandated separation of the sixteen (16) State Bar Sections and the California Young Lawyers Association (CYLA) into a new standalone entity (“New Entity”), most likely in the form of a private, nonprofit corporation organized under Section 501(c)(6) of the Internal Revenue Code. (Further references to "Sections" include the sixteen Sections and the CYLA unless otherwise noted.) The plan must be developed before the end of 2017. Implementation must be initiated before the end of 2017 and will continue into 2018.

The contract will be for an initial term of one year, with options to renew one or more times, upon mutual written consent, for a maximum term of three years.

The contract will be between the selected vendor and the State Bar, but services will be performed on behalf of and under the supervision of the Council of Sections. The contract may be assigned to the New Entity once it is formed.

Please submit eight (8) copies of your proposal no later than 4:00 p.m. on Wednesday, June 21, 2017 to:

I. INTRODUCTION

The State Bar, created by the Legislature in 1927 and adopted as a judicial branch agency by amendment to the California Constitution in 1960, is a public corporation within the judicial branch of state government. The purpose of the State Bar of California is to ensure that the people of California are served by the legal profession in a manner consistent with the highest standards of professional competence, care, and ethical conduct; to carry out such additional programs as may be required by law or by rule of court; and to contribute generally to the science of jurisprudence and the administration of justice. The State Bar serves as an administrative adjunct to the California Supreme Court in all matters pertaining to the admission, discipline, and regulation of California lawyers. The California Constitution, the State Bar Act and
California Rules of Court vest in the State Bar the duty to regulate the legal profession, formulate and elevate educational and professional standards, raise the quality of legal services, advance the science of jurisprudence, and aid in the improvement of the administration of justice.

The State Bar is a unified, or integrated bar, and membership is mandatory for all attorneys who are licensed to practice law in the state. In addition to its mandated licensing, disciplinary and certification functions, the State Bar offers a number of other programs designed to assist, educate and protect its members and the public. Fees paid by attorneys and applicants to practice law finance the State Bar’s programs. The State Bar has over 250,000 members, making it the largest unified state bar in the country with offices located in Los Angeles and San Francisco. For more than 80 years, The State Bar of California has shaped the development of the law, regulated the professional conduct of the state’s lawyers and provided greater access to the justice system for all citizens. More information about the organization can be found at [http://www.calbar.ca.gov/](http://www.calbar.ca.gov/).

II. STATEMENT OF WORK

A. Overview of the State Bar Sections (current organization as part of the State Bar)

Sections are voluntary organizations of State Bar members (attorneys) and affiliates (non-attorneys) who share an area of interest. Sections serve the profession, the public and the legal system by helping their members maintain expertise in various fields of law and expand their professional contacts. More detailed information about Sections can be found at [http://www.calbar.ca.gov/Attorneys/Sections](http://www.calbar.ca.gov/Attorneys/Sections).

CYLA is the nation's largest association of young lawyers. A young lawyer is defined as one who has been in practice for five years or less or is 36 years old or younger.

The sixteen sections collectively have 46,000 members of one or more sections, totaling 60,000 memberships (not including non-attorney, affiliate members). In addition, CYLA has over 65,000 members. More detailed information about CYLA can be found at [http://www.calbar.ca.gov/Attorneys/Sections/CYLA](http://www.calbar.ca.gov/Attorneys/Sections/CYLA).

The Sections offer members a greater voice in the programs of the State Bar and up-to-date information on developments in particular fields of law. Each section provides its members with valuable tools including scholarly journals, E-Newsletters, publications, late-breaking case alerts and legislative updates. The Sections are highly regarded as premiere providers of specialized, high-quality legal education. They offer a wide spectrum of Continuing Legal Education (CLE) offerings including one-day and multi-day conferences, online seminars, and self-study curricula. Sections sponsor over 50 in-person programs a year including five section-specific multi-day programs and a Section-wide convention. Sections also sponsor hundreds of webinars and maintain an online catalog of over 1,000 CLE programs.

Sections factor heavily into the process of initiating and advocating legislation. Most Sections also sponsor major public education and community service activities through participation in consumer-oriented radio broadcasts, the development of pamphlets explaining legal rights, and a variety of other outreach projects.

Each section is governed by an Executive Committee made up of 15-17 members appointed by the State Bar's Board of Trustees. Section Executive Committees typically meet in person throughout the State four to six times per year and many also have additional conference call meetings. The Council of Sections is the governing body for Sections as a whole, comprised of one representative from each Section Executive Committee and the CYLA.
The Sections are currently supported in their work by the following full-time staff in the State Bar's Office of Education:

- 1 Office of Education Director (oversees all staff)
- 1 Senior Administrative Assistant (supports the Director)
- 6 Section Coordinators (each handles 2-3 sections)
- 6 Administrative Assistants (support the Section Coordinators)
- 2 Website Coordinators (maintain the Sections portion of the State Bar website)
- 1 Data Analyst (handles section enrollments and program registrations)

In addition, the Sections, and the Office of Education, are supported by the State Bar's operating infrastructure, including finance, information technology, human resources, facilities, contracts and purchasing, and legal representation.

B. Background Information & Timeline for the Separation of the Sections from the State Bar

The State Bar, including the Sections, is governed by the State Bar Act, which is part of the California Business & Professions Code, Division 3, Chapter 4, Section 6000 et seq. (Bus. & Prof. Code §§ 6000 et seq.). The full text of the State Bar Act is available at http://www.calbar.ca.gov/Attorneys/Conduct-Discipline/Rules/Selected-Legal-Authority/The-State-Bar-Act.

The State Bar's primary source of revenue is the licensing fee that it charges to California attorneys, all of whom are required to be members of the State Bar. Each year the California Legislature enacts new legislation amending the State Bar Act to, among other things, set the amount of the licensing fee that the State Bar can collect the following year. This legislation is known colloquially as the State Bar's annual "fee bill."

The current version of the fee bill, Senate Bill 36 (SB 36), passed the Senate on May 15, 2017 and is now under consideration by the Assembly. In addition to setting the State Bar's licensing fee for 2018, SB 36 separates the Sections from the State Bar and creates the California Bar Sections Association, a new private, nonprofit corporation organized under Section 501(c)(6) of the Internal Revenue Code. The Legislative Counsel's Digest includes this summary of the current version of SB 36 as it relates to Sections: "This bill would establish the California Bar Sections Association as a private, nonprofit corporation, which would be governed by a board of governors. The bill would provide that the association is a voluntary association, is not part of the State Bar, is prohibited from being funded by membership fees, and is not considered a state, local, or other public body for any purpose. The bill would require the board of governors to, among other things, adopt a dues schedule for membership in the association. The bill would require the State Bar to, among other things, collect voluntary dues set by the association with the annual membership fee and to pay any such voluntary dues collected to the association. The bill would prohibit the State Bar from having sections and would transfer the existing sections of the State Bar to the association, as specified. The bill would prohibit the State Bar from providing educational programs or materials by which members may satisfy continuing education requirements, except as provided, and would require the association to provide and develop low-cost continuing education programs and materials."

The full text of the current version of SB 36 (as amended in the Senate on April 6, 2017 and passed by the Senate on May 15, 2017) is included as ATTACHMENT A, and is available at http://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=201720180SB36.

This may not be the final version of the legislation that is ultimately enacted. SB 36 may be amended by the Assembly, and further amended in the reconciliation process between the Assembly and the Senate. Based on the legislative schedule, the final text of SB 36 should be known by September 30, 2017. The Governor then has until October 15, 2017 to sign it or veto it.
If signed, it will take effect on January 1, 2018, unless the legislation is amended to change the effective date.

While specific provisions of SB 36 will not be known until the legislation is final, a legislatively-mandated separation of Sections in 2018 remains a highly likely scenario. The State Bar and the Council of Sections must therefore proceed with a transition plan that can be implemented in anticipation of the enactment of the legislation.

Please note that the pending legislation creates a New Entity only from the existing Sections, not from the State Bar's Office of Education which currently supports the Sections. The New Entity will require staffing and operational support as further described in RFP Section II.C,II2.D and II.E below.

C. Timeline for Required Deliverables and Services

The Council of Sections requires management consulting services to 1) develop a transition plan for the separation of Sections into a New Entity, and 2) begin the implementation of that plan.

Planning must be substantially complete before December 31, 2017, with portions of the planning-related deliverables and services initiated immediately upon engagement and completed on a rolling basis, per a mutually agreed-upon schedule.

Implementation-related deliverables and services must be initiated in part during 2017, with implementation continuing through a transition period in 2018, per a mutually agreed-upon schedule.

vendor will, however, be expected to work closely with legal counsel to ensure that the New
Entity's business plan and other deliverables are aligned with its governance structure and bylaws.

III. GENERAL INFORMATION

The submission requirements for this RFP are set forth below. A proposal shall constitute an irrevocable
offer for 60 business days following the deadline for its submission. Reference to a certain number of days
in this RFP shall mean business days unless otherwise specified.

Contact with State Bar personnel in connection with this RFP may not be made other than as specified in
this RFP. Unauthorized direct or indirect contact with any State Bar personnel may be cause for rejection
of a bid.
A. Submission Requirements

To be considered responsive, a proposal must contain the following, prefaced by a table of contents, referenced by number and in the order below.

1. A brief description of the history and organization of the bidder’s firm, and of any proposed sub-contractor.

2. Copies of business licenses, professional certifications or other credentials, together with evidence that bidder, if a corporation, is in good standing and qualified to conduct business in California.

3. The Vendor History Questionnaire (ATTACHMENT B) electronically in native .xls format per instructions below.

4. A description of at least three (3) similar projects completed by the bidder within the past five (5) years, or comparable employment experience. Please include at least three (3) client or other professional references with contact information for each.

5. Qualifications, background and experience of the project director and other staff proposed to work on the project. This should include, but not be limited to, the six items below. It is understood that not all vendors will have experience with every item, and experience with every item is not a requirement for bidding. This information will, however, be considered by the evaluation team as parts of its overall evaluation.
   a. Board-level strategic planning and plan implementation.
   b. Facilitating communications with large groups of diverse stakeholders.
   c. Issues and practices related to the creation or management of bar associations or other professional associations.
   d. Issues and practices related to continuing legal education.
   e. Evaluating and implementing technology solutions.
   f. Creating, administrating and analyzing the results of needs assessment surveys or other surveys.

6. A statement regarding the availability and willingness of the vendor to provide interim management services on an ongoing basis. This is not a requirement for bidding but will be considered by the evaluation team as part of its overall evaluation.

7. A description of the techniques, approaches and methods to be used in completing the project. Please address, collectively and individually, all items in RFP sections II.D and II.E and the timeline noted in II.C.

8. A description of the chronology for completing the work, including a time line and deadlines for each task. Please address, collectively and individually, all items in RFP sections II.D and II.E and the timeline noted in II.C.

9. A detailed cost proposal. For deliverables and services related to planning (RFP Section II.D), the State Bar's preferred cost structure is a single flat fee for the package of named deliverables, plus an hourly rate for additional services that may be requested. For deliverables and services related to implementation (RFP Section II.E), the State Bar's preferred cost structure is an hourly rate. Vendors may propose alternative cost structures, but must clearly indicate which deliverables and services, individually and/or collectively, are included in the proposed cost structures. Travel costs and other expenses should be noted separately. Vendors’ travel expenses, if any, will be reimbursed in accordance with the State Bar's Travel and Business-Related Expense Policy. It is unlawful for any person engaged in business within this state to sell or use any article or
product as a “loss leader” as defined in Section 17030 of the Business and Professions Code. As the State Bar may award a contract based on the initial offer, a bidder should make its initial offer on the most favorable terms available. The State Bar reserves the right, however, to have discussions with those bidders falling within a competitive range, and to request revised pricing offers from them and to make an award or conduct negotiations thereafter.

10. A written acknowledgement of the acceptance of the Contracting Requirements set forth in section IV of this RFP. Specific terms may be reserved for future negotiation, but must be clearly identified and reasons given for the reservation.

B. Submission Requirements Format Summary

Proposals should be prepared simply and economically, providing a straightforward and concise description of the Vendor’s ability to meet the requirements of this RFP. Emphasis should be on completeness and clarity of content, and on conformity to the State Bar's instructions.

1. Deliver eight (8) physical hardcopies to the attention of Keith Jenkins, no later than 4:00 p.m. on Wednesday, June 21, 2017.

2. Each set should include all attachments requested, including copies of the electronic attachments itemized below.

3. Deliver the following electronically (on a USB flash drive) as noted below:
   a. The complete proposal in PDF (.pdf)
   b. ATTACHMENT B: Vendor History Questionnaire in unlocked Excel (.xls)

Proposals that fail to address each of the submission requirements above may be deemed non-responsive and will not be further considered. The State Bar, solely upon its own discretion, will judge vendors on their overall compliance, and may judge a vendor to be materially compliant, even if that vendor is non-compliant to a particular requirement of the RFP.

If specific submission components are particularly large and self-contained they may be included in a separate appendix rather than in the body of the proposal. Submittals should not direct the evaluation team to general brochures, marketing materials or websites to obtain information related to the specific submission requirements; submittals that utilize references to external materials as an answer will be considered non-responsive.

Proposals should not include generic promotional materials and graphics that increase page count and PDF file size without addressing substantive content. Hard copy brochures and marketing materials may be included as a supplement if desired.

C. Rejection of Proposals

The State Bar reserves the right in its sole discretion to reject any or all proposals in whole or in part, without incurring any cost or liability whatsoever. All proposals will be reviewed for completeness of the submission requirements. If a proposal fails to meet a material requirement of the RFP, or if it is incomplete or contains irregularities, the proposal may be rejected. A deviation is material to the extent that a proposal is not in substantial accord with RFP requirements. Immaterial deviations may cause a bid to be rejected. The State Bar may or may not waive an immaterial deviation or defect in a proposal. The State Bar's waiver of an immaterial deviation or
defect will in no way modify the RFP or excuse a bidder from full compliance with the RFP requirements.

Any proposal may be rejected where it is determined to be not really competitive, or where the cost is not reasonable.

Proposals that contain false or misleading statements may be rejected if in the State Bar's opinion the information was intended to mislead the State Bar regarding a requirement of the RFP.

D. Evaluation Process and Highest Scored Bidder

An evaluation team will review, in detail, all proposals received to determine the Highest Scored Bidder (“HSB”). The evaluation team will be comprised of State Bar staff. The Council of Sections will provide input to staff during the evaluation process.

Following the initial review and screening of the written Proposals, using the selection criteria described below, several bidders may be invited to participate in the final selection process, which may include participation in an oral interview and/or submission of any additional information as requested by the State Bar.

The State Bar reserves the right to determine the suitability of proposals on the basis of a proposal's meeting administrative requirements, technical requirements, the review team's assessment of the quality and performance of the equipment and services proposed, and cost.

During the evaluation process, the State Bar may require a bidder’s representative to answer questions with regard to the proposal and/or require certain bidders to make a formal presentation to the evaluation team, the Council of Sections and/or the State Bar Senior Executive Team. The State Bar may also have discussions with those bidders falling within a competitive range, request revised pricing offers from such bidders, and make an award and/or conduct negotiations thereafter.

This Request for Proposal does not commit the State Bar to awarding a contract. Bidders shall bear all costs incurred in the preparation of the Proposal and participating in the Proposal evaluation process. The State Bar reserves the right to reject any and all Proposals, to accept the Proposal it considers most favorable in its sole discretion, and to waive minor irregularities. The State Bar further reserves the right to seek new Proposals when such procedure is considered by it to be in the best interest of the State Bar.

1. The following criteria will be used in reviewing and comparing the proposals and in determining the HSB. The weight to be assigned to each criterion appears following each item.

   a. Responsiveness of the proposal to the submission requirements set forth in the RFP (10%).

   b. Agreement with the State Bar’s contracting requirements (10%).

   c. The technical ability, capacity, and flexibility of the bidder to perform the contract in a timely manner, on budget and to the State Bar's standards of professionalism and customer service, as verified by: the content and quality of the proposal; the content and quality of any demonstration or presentation; client references; demonstrated success in projects with similar requirements; reputation in the marketplace; and any other contracts or experience with the State Bar (50%).
d. The total cost of the proposal. If the proposal contains itemized rates, per piece pricing, or commission-based pricing, the State Bar reserves the right to calculate total contracted cost by calculating rates using either previous known usage activity or future projected volume. Costs will be evaluated only if a proposal is determined to be otherwise qualified. Costs should be itemized by type to allow the State Bar to implement the proposal over the term of the contract (30%).

2. The State Bar reserves the right to review proposals using a tiered evaluation system, with the top candidates advancing as finalists and receiving a full evaluation as outlined above.

E. Award and Execution of Contract

Subject to the State Bar’s right to reject any or all proposals, the HSB will be awarded the contract. In the case of a virtual tie (defined as evaluation scores within two points of one another) the Chief Operating Officer may determine who will be awarded the contract. Notice will be posted at the State Bar’s offices at 180 Howard Street, San Francisco, CA and written notice sent to bidders on or about July 10, 2017 of the Bar’s intention to award the contract to the HSB. It is anticipated that final selection of the HSBB will be made by July 17, 2017. The evaluation team will select a winning proposal subject to approval by the Board of Trustees. Upon selection, the State Bar and the selected Vendor will enter into good faith negotiations on a contract containing, without limitation, the Statement of Work and Contracting Requirements sections below.

No contract or agreement, express or implied, shall exist or be binding on the State Bar before the execution of a written contract by both parties. If agreement on the terms of such a contract cannot be reached after a period deemed reasonable by the State Bar in its sole discretion, the State Bar may enter into negotiations and sign a contract with any other bidder who submitted timely and responsive proposals to this RFP.

If, after the State Bar and the HSB agree to terms and execute a contract, that contract is terminated for any reason, the State Bar may, in its sole discretion, either enter into negotiations with the next highest scored bidder, or issue a new RFP and begin the proposal process anew.

Questions regarding the State Bar’s award of any business on the basis of proposals submitted in response to the RFP, or on any other matter in connection with the selection process, should be addressed in writing to Keith Jenkins, Procurement Unit, at keith.jenkins@calbar.ca.gov.

Where written notice is required in this RFP, the notice must be sent by U.S. mail and either facsimile or e-mail.

F. Errors in the RFP

If a bidder discovers any ambiguity, conflict, discrepancy, omission, or other error in the RFP, the bidder should immediately provide the State Bar with written notice of the problem and request that the RFP be clarified or modified. Without disclosing the source of the request, the State Bar may modify the document prior to the date fixed for submission of proposals by issuing an addendum to all potential bidders to whom the RFP was sent.

If prior to the date fixed for submissions, a bidder knows of or should have known of an error in the RFP but fails to notify the State Bar of the error, the bidder shall bid at its own risk, and if, awarded the contract, shall not be entitled to additional compensation or time by reason of the error or its later correction.
G. Questions Regarding the RFP

Questions regarding the RFP may be addressed in writing to Keith Jenkins at keith.jenkins@calbar.ca.gov. All questions must be submitted no later than seven (7) days prior to the date for submission of proposals. Questions and answers regarding the RFP may be shared with all bidders known to be interested in submitting a proposal.

If a question relates to a proprietary aspect of its proposal and the question would expose proprietary information if disclosed to competitors, the bidder may submit the question in writing, conspicuously marking it as "CONFIDENTIAL." With the question, the bidder must submit a statement explaining why the question is sensitive. If the State Bar concurs that the disclosure of the question or answer would expose proprietary information, the question will be answered, and both the question and answer will be kept in confidence, subject to the California Public Records Act. If the State Bar does not concur regarding the proprietary nature of the question, the question will not be answered in this manner and the bidder will be notified.

A bidder who believes that one or more of the RFP’s requirements is onerous or unfair, or unnecessarily precludes less costly or alternative solutions, may submit a written request that the RFP be changed. The request must set forth the recommended change and reason for proposing the change. The State Bar must receive any such request no later than seven (7) days before the deadline for submitting proposals.

H. Addenda

The State Bar may modify the RFP prior to the fixed date for submission by posting, mailing, emailing or faxing an addendum to the bidders known to be interested in submitting a proposal. If any bidder determines that an addendum unnecessarily restricts its ability to bid, it must notify the State Bar in writing no later than five (5) days before the deadline for submitting proposals.

I. Withdrawal and/or Resubmission/Modification of Proposals

A proposal may be withdrawn at any time prior to the deadline for submitting proposals by notifying the State Bar in writing of its withdrawal. The notice must be signed by the bidder. The bidder may thereafter submit a new or modified proposal, provided that it is received at the State Bar no later than the submission deadline. Modification offered in any other manner, oral or written, will not be considered. Proposals cannot be changed after the submission deadline.

A proposal may be withdrawn after the submission deadline by notifying the State Bar in writing of its withdrawal. The notice must be signed by the bidder. Proposals withdrawn after the submission deadline will not be scored.

J. Protest Procedure

A bidder may protest the award if it meets any of the following conditions:

1. The State Bar failed to follow the procedures specified in either subdivision (c) of Public Contract Code section 10344.

2. The State Bar failed to apply correctly the standards for reviewing the format requirements or evaluating the proposals as specified in this request for proposal.

3. The State Bar failed to follow the methods for evaluating and scoring the proposals specified in this request for proposal.
4. The State Bar is proposing to award the contract to a bidder other than the bidder given the highest score by the state agency evaluation committee.

A bidder qualified to protest should contact Keith Jenkins, Procurement Unit, at 415-538-2229 or keith.jenkins@calbar.ca.gov to attempt an informal resolution. If this contact is unable to resolve the protest to the bidder's satisfaction, the bidder must file a written protest prior to the award. Within five days after filing the protest, the protesting bidder shall file a full and complete written statement specifying the grounds for the protest. The written protest must state the facts surrounding the issue and the reasons the bidder believes the award to be invalid. The protest must be sent by certified or registered mail or delivered personally to:

The State Bar of California  
Attention: Chief Financial Officer  
180 Howard Street  
San Francisco, CA 94105-1617

Protests will be reviewed and decided by the State Bar’s Award Protest Team within 30 days after the State Bar issues written acknowledgment of the protest. In the event that a protest is filed, the contract award will be postponed pending resolution of the protest.

K. News Releases

News releases pertaining to the award of a contract may not be made without the prior written approval of the State Bar.

L. Disposition of Materials

All materials submitted in response to an RFP will become the property of the State Bar of California and will be returned only at the State Bar's option and at the expense of the bidder. One copy of each proposal will be retained for the State Bar's official files and become a public record pursuant to the California Public Records Act. By submitting a proposal, a bidder agrees to these terms and waives any right to pursue a cause of action for damages incurred as a result of the release of any information contained in a proposal.

IV. CONTRACTING REQUIREMENTS

Upon selection of a vendor, the terms set forth in this RFP are to be embodied in a definitive agreement containing such additional covenants and other provisions as may be mutually acceptable.

The State Bar contemplates that, in addition to the terms described above in this RFP, final agreement between the State Bar and the selected vendor will include, without limitation, the following terms. Submission of a proposal shall constitute agreement to contract on these terms, except for any term specifically reserved in the proposal for future negotiation.

A. Time of Essence

Time is of the essence with respect to Vendor's performance of the services and equipment to be provided in the final agreement.

B. Warranties and Representations

1. Vendor and its Personnel assigned to the project have the expertise, experience, ability, and licenses, if necessary, to perform the services in a diligent, timely and professional manner consistent with generally accepted industry standards;
2. The services will be performed in a workmanlike manner consistent with generally-accepted industry standards of practice and appropriate for the purposes contemplated by the final Agreement;

3. (i) Vendor owns all right, title, and interest in, or otherwise has full right and authority to permit the use of any Pre-Existing IP; (ii) to the best of Vendor’s knowledge, the Pre-Existing IP does not infringe the rights of any third party, and use of the Pre-Existing IP as well as any of Vendor’s intellectual property rights in connection with the applicable statement of work does not and will not violate the rights of any third parties; (iii) Vendor will comply with the terms and conditions of any licensing agreements which govern the use of third party materials; and (iv) Vendor will comply with all laws and regulations as they relate to the services and deliverables; and

4. If any deliverable fails to conform to the standard specified above, Vendor, at its sole expense, will promptly correct the defective deliverable. This remedy is cumulative of any and all other remedies to which the State Bar may be entitled pursuant to the final Agreement and applicable law.

5. Accessibility Standards. Vendor will meet certain disability accessibility standards as specified in “The State Bar of California Accessibility Standards in Procurement”, as attached to the final Agreement.

6. Inducement. The representations and warranties in the final Agreement are essential inducements on which the State Bar relies in awarding and performing under the final Agreement.

7. Survival of Warranties. Vendor’s representations and warranties under the final Agreement will survive the termination or expiration of the Agreement and will remain in full force and effect throughout the useful life of the deliverables.

C. Independent Contractors

1. The relationship of the parties established under the final Agreement is that of independent contractors. The final Agreement will not be construed to establish a partnership, joint venture, agency, employer-employee, or other similar relationship between the parties. Neither the State Bar nor Vendor is liable for any of the obligations or liabilities the other incurs.

2. Vendor Acknowledgements. Vendor further acknowledges and agrees:

   a. The State Bar may not withhold any amount for any tax or other withholdings from any sums due Vendor under the final Agreement;

   b. Unless otherwise provided in the final Agreement, Vendor must furnish all labor, tools, equipment and materials necessary for the performance of the Services;

Vendor assumes full and sole responsibility for the payment of all compensation and expenses for its employees, including workers’ compensation coverage as required, all federal, state and local income taxes, unemployment and disability insurance, Social Security and other applicable withholdings.
D. Indemnity Obligations of Vendor

1. Indemnification by Vendor. Vendor will indemnify, defend and hold harmless the State Bar, including its Board of Trustees, directors, officers, agents, and employees (as the same may be constituted from time to time and hereinafter referred to as “State Bar Indemnified Party (or Parties)”) from and against any and all claims, demands, damages, judgments, debts, liabilities, losses, obligations, costs, expenses, liens, actions or causes of action (including but not limited to reasonable attorneys’ fees, costs and expenses), whether or not litigation is actually commenced, arising out of: (a) the material breach by Vendor of any warranty, representation, term or condition made or agreed to by Vendor; (b) all products and services prepared by or for Vendor hereunder and provided to the State Bar; (c) any claim or action for personal injury, death or otherwise involving alleged defects in Vendor’s business or any of its products or services provided to State Bar; (d) any breach by Vendor of any statutory or regulatory obligation; (e) the actual or alleged infringement by Vendor of any Intellectual Property Rights of any person or entity; and/or (f) any act or omission of Vendor, its employees, agents or subvendors.

2. Indemnification Procedures.
   a. If any third party claim is commenced against any State Bar Indemnified Party entitled to indemnification under this section, notice thereof will be given to Vendor as promptly as practicable. Vendor will immediately take control of the defense and investigation of such claim and to employ and engage attorneys reasonably acceptable to the State Bar to handle and defend the same, at Vendor’s sole cost and expense. The State Bar Indemnified Party will cooperate, at the sole cost of Vendor, in all reasonable respects with Vendor and its attorneys in the investigation, trial and defense of such claim and any appeal arising therefrom; provided, however, that the State Bar Indemnified Party may, at its own cost and expense, participate, through its attorneys (including, but not limited to, its Office of General Counsel) or otherwise, in such investigation, trial and defense of such claim and any appeal arising therefrom. Vendor will not enter into a settlement of any claim that involves a remedy other than the payment of money by Vendor without the prior written consent of the State Bar. If Vendor does not assume full control over the defense of a claim that Vendor is obligated to defend as provided in this section, Vendor may participate in such defense, at its sole cost and expense, and the State Bar will have the right to defend the claim in such manner as it may deem appropriate, at the sole cost and expense of Vendor.

   b. If any legal work reasonably necessary to the State Bar’s defense as described herein is performed by in-house counsel for the State Bar, the State Bar will determine the value of such work at a reasonable hourly rate for comparable outside counsel and be promptly paid by Vendor; provided, however, the parties hereby confirm that such fees will be recoverable with respect to legal work performed by the State Bar’s in-house counsel only to the extent that such work is not duplicative of legal work performed by outside counsel paid for by Vendor and representing the State Bar in such matter.

   c. Survival. Vendor’s obligations under this indemnity provision will survive the expiration and termination of the final Agreement.

   d. Enforcement of this Provision. Vendor will be liable to the State Bar for all costs (including but not limited to reasonable attorneys’ fees, costs and
expenses) that may be incurred by the State Bar for the purposes of enforcing this section.

E. Rights in Work Product

1. **Intellectual Property Rights Defined.** For purposes of the final Agreement, the term “Intellectual Property Rights” means know-how, inventions, patents, patent rights, and registrations and applications, renewals, continuations and extensions thereof, works of authorship and art, copyrightable materials and copyrights (including, but not limited to, titles, computer code, designs, themes, concepts, artwork, graphics and visual elements, and methods of operation, and any related documentation), copyright registrations and applications, renewals and extensions therefore, mask works, industrial rights, trademarks, service marks, trade names, logos, trademark registrations and applications, renewals and extensions therefore, derivative works, trade secrets, rights in trade dress and packaging, publicity, personality and privacy rights, rights of attribution, paternity, integrity and other similarly afforded “moral” rights, and all other forms of intellectual property and proprietary rights recognized by the U.S. laws, and other applicable foreign and international laws, treaties and conventions.

2. **Work Product.** Vendor recognizes and agrees that all right, title and interest, including all Intellectual Property Rights, which may be prepared, procured or produced in whole or in part in, or resulting from, the Services rendered by Vendor or Subvendors pursuant to the final Agreement, including, without limitation, any and all Deliverables, (collectively referred to as "Work Product") will be owned by the State Bar. To ensure that the Work Product becomes the sole property of the State Bar, in consideration of the mutual promises contained in the final Agreement, Vendor agrees to transfer, in perpetuity, to the State Bar, all of the right, title and interest in the Work Product, in the United States of America and throughout the world, and agrees to assign any and all renewals and extensions of each such copyright that may be secured under the laws now or hereafter pertaining; and Vendor will execute at the State Bar’s expense, all documents reasonably required to perfect the foregoing rights in the State Bar. In the event Vendor fails to execute any documents, Vendor appoints the State Bar as its attorney-in-fact to execute such documents on Vendor’s behalf. Vendor hereby waives and/or transfers any and all moral rights, including without limitation any right to identification of authorship or limitation on subsequent modification that Vendor (or its employees, agents or consultants) has or may have in the Work Product or any part thereof.

3. **No Transfer of Title in and to Vendor’s Pre-Existing IP.** Notwithstanding the foregoing, the State Bar acknowledges that independent of the final Agreement, Vendor has created, acquired or otherwise has rights in and may, in connection with the performance of the final Agreement, employ certain intellectual property, including, without limitation, various concepts, ideas, methods, methodologies, procedures, processes, know-how, techniques (collectively, “Pre-Existing IP”). The State Bar and Vendor intend that title in and to such Pre-Existing IP remain vested in Vendor, provided however, that to the extent that Deliverable incorporates any Pre-Existing IP, Vendor hereby grants to the State Bar a world-wide, non-exclusive, fully paid-up, royalty-free, perpetual, irrevocable right and license to use such Pre-Existing IP as incorporated into such Deliverable to enable the State Bar to have full use of such Deliverable as contemplated by the final Agreement, including, without limitation, the right to run, execute, copy, modify, create derivative works, display, distribute and sublicense such rights.

4. **Third Party Materials.** As used in the final Agreement, “Third Party Materials” means proprietary third party materials which are incorporated into the Deliverables. All Third Party Materials are the exclusive property of their respective owners. Vendor must inform the State Bar of all Third Party Materials that may be required to perform the
Services or otherwise integrated into the Deliverables. Under such circumstances, Vendor will inform the State Bar of any need to license and unless otherwise provided for by the State Bar, Vendor will obtain the license(s) necessary to permit the State Bar’s use of the Third Party Materials consistent with the usage rights granted herein. In the event Vendor fails to properly secure or otherwise arrange for any necessary licenses or instructs the use of Third Party Materials, Vendor hereby indemnifies, saves and holds harmless the State Bar from any and all damages, liabilities, costs, losses or expenses (including reasonable attorney’s fees and costs) arising out of any claim, demand, or action by a third party arising out of Vendor’s failure to obtain copyright, trademark, publicity, privacy, defamation or other releases or permissions with respect to materials included in the Deliverables.

F. Insurance Obligations of Vendor

1. Without in any way limiting Vendor’s liability pursuant to the “Indemnification” Section of the final Agreement, Vendor must maintain in full force and effect during the term of the Agreement at Vendor’s own expense, insurance in the amounts and coverages indicated below and pursuant to the following provisions.

Vendor will provide and keep in full force and effect during the term of the final Agreement, at its own cost and expense, the following insurance policies for the joint benefit of Vendor and the State Bar: (i) Commercial General Liability Insurance with a general aggregate limit (other than products/completed operations) of no less than Two Million Dollars ($2,000,000.00) and including products/completed operations coverage with a limit of no less than One Million Dollars ($1,000,000.00); at least One Million Dollars ($1,000,000.00) premises and operations limit; at least One Million Dollars ($1,000,000.00) personal and advertising injury limit; at least One Million Dollars ($1,000,000.00) each occurrence limit; (ii) Workers’ Compensation coverage as required by law, together with employer liability coverage with limits of not less than One Million Dollars ($1,000,000.00) per occurrence; (iii) Comprehensive Automobile Liability Insurance covering owned, leased, hired and non-owned vehicles, with a combined liability per occurrence limit of at least One Million Dollars ($1,000,000.00); and, (iv) Professional Liability Insurance with a general aggregate limit of Two Million Dollars ($2,000,000.00) and a per occurrence limit of at least Two Million Dollars ($2,000,000.00).

2. All insurance policies required to be maintained pursuant to this section will name the State Bar, its Board of Trustees, directors, officers, and employees as additional insureds (“Additional Insureds”). If Blanket Fidelity/Commercial Blanket Bond is required, the State Bar, its Board of Trustee, directors, officers, and employees will be named as additional loss payees (“Additional Loss Payees”). In addition, all insurance policies will: (i) be primary and non-contributing with respect to any other insurance available to the Additional Insureds, with respect to any claims arising out of the final Agreement; (ii) apply separately to each insured against whom a claim is made or suit is brought; (iii) include a waiver of subrogation provision or endorsement in favor of the State Bar; and (iv) be with insurance carrier(s) that have a minimum A.M. Best’s insurance rating of AVIII, are authorized to do business in the State of California, and are satisfactory to the State Bar.

3. Vendor will deliver to the State Bar offices, Attn: Risk Management, 180 Howard Street, San Francisco, CA 94105, certificates of insurance evidencing compliance with the requirements of this section (including completed certificates and policy endorsements) no later than thirty (30) days after the execution of the final Agreement. In no event will Vendor commence operations under the final Agreement before furnishing to the State Bar such certificates of insurance.
4. All policies must provide thirty (30) days’ advance written notice to the State Bar of reduction or nonrenewal of coverages, material change of coverages, or cancellation of coverages for any reason. All such notice will be sent to the Risk Management Department of the State Bar as listed in Section 3. In addition, notwithstanding any notices sent to the State Bar by the insurer, Vendor will immediately notify the State Bar when it becomes aware of any cancellation or material change in the amounts of or type of coverage of the insurance policies required.

5. Should any of the required insurance be provided under a claims-made form, Vendor will maintain such coverage continuously throughout the term of the final Agreement and, without lapse, for a period of three (3) years beyond the expiration of the final Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims will be covered by such claims-made policies.

6. Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit will be double the occurrence or claims limits specified above.

7. Should any required insurance lapse during the term of the final Agreement, requests for payments originating after such lapse will not be processed until the State Bar receives satisfactory evidence of reinstated coverage as required by the final Agreement, effective as of the lapse date. If insurance is not reinstated, the State Bar may, at its sole option, terminate the final Agreement effective on the date of such lapse of insurance. Termination will be in addition to any other rights or remedies that the State Bar may have under the final Agreement.

8. Failure to maintain insurance will constitute a material breach of the final Agreement. If Vendor fails to secure and maintain insurance policies complying with the provisions of the final Agreement, the State Bar may purchase the required insurance coverage and Vendor will reimburse the State Bar for all associated costs, which will be in addition to any other rights or remedies available to the State Bar under the final Agreement. Alternatively, the State Bar may terminate the final Agreement. Termination will be in addition to any other rights or remedies that the State Bar may have under the final Agreement.

9. If Vendor assigns, subcontracts, or delegates any portion of the duties under the final Agreement, Vendor will ensure that each assignee, subvendor, or delegate purchases and maintains the same insurance coverage required pursuant to the final Agreement, provided however, that nothing herein will be construed as permitting Vendor to assign, subcontract or delegate any portion of the duties under the Agreement without the State Bar’s prior written consent.

G. Termination

1. Termination. The State Bar may terminate the final Agreement, in its sole discretion, without cause and for any reason upon seven (7) days’ written notice to Vendor, such termination effective upon the State Bar’s delivery of such termination notice. Vendor’s sole compensation shall be for that portion of the services performed to the date of termination, together with reimbursable expenses, if any, then due pursuant to the Agreement; provided, however, that the State Bar shall not be obligated to pay Vendor for any services or expenses not authorized by the State Bar pursuant to the final Agreement.
2. **Automatic Termination.** The final Agreement will terminate automatically in the event of: (i) the bankruptcy or insolvency of either party; (ii) the death or total incapacity of Vendor; or, (iii) failure to comply with federal, state or local laws, regulations or requirements.

3. **Termination in Event of Material Breach.** Without limiting any of the rights specified in this section, either party may terminate the final Agreement (the “Terminating Party”) if the other party is in breach of a material obligation arising under the final Agreement and fails to cure that breach within fifteen (15) days following the Terminating Party’s written notice of its intention to exercise its rights under this section.

4. **Appropriation of Funds.** If the term of the final Agreement extends beyond the fiscal year in effect when the final Agreement was entered into by the Parties, Vendor acknowledges that continuation of the final Agreement may be subject to annual funding through the state legislative process. In such event, if funds to effect the continuation of the Term are not appropriated, Vendor shall commence and perform, with diligence, all actions necessary on the part of Vendor to effect the termination of the final Agreement on the date specified by the Authorized Representative and to minimize the liability of Vendor and the State Bar to third parties as a result of termination, including, without limitation, accepting the return from the State Bar of any affected equipment, products, software or hardware furnished under the final Agreement, and ceasing performance of the Services as directed by the Authorized Representative without any further obligation on the part of the State Bar.

### H. Confidentiality and Publicity

1. **Confidentiality Obligations.** "Confidential Information" means all information identified in written or oral format by the State Bar as confidential, a trade secret or proprietary information, including without limitation, membership or applicant records, data, non-public information pertaining to financial, personnel, or the activities, business or operations of the State Bar. Vendor will not disclose Confidential Information to any third party other than persons in the direct employ of Vendor or SubVendors who have a need to have access to and knowledge of the Confidential Information solely for the purpose of carrying out Vendor’s duties under the final Agreement. Vendor must take appropriate measures by instruction and agreement prior to disclosure to such employees to assure against unauthorized use or disclosure. Confidential Information does not include information which: (a) Vendor can demonstrate was rightfully in possession of or known to Vendor without any obligation of confidentiality prior to receiving it from the State Bar; (b) is, or subsequently becomes, legally and publicly available without breach of the final Agreement; (c) is rightfully obtained by Vendor from a source other than the State Bar without any obligation of confidentiality; or (d) is disclosed by Vendor under a valid order created by a court or government agency, provided that Vendor provides prior written notice to the State Bar of such obligation and the opportunity to oppose such disclosure. Upon written demand of the State Bar, Vendor will cease using the Confidential Information and return the Confidential Information and all copies, notes or extracts thereof to the State Bar within ten (10) days of receipt of notice. The parties agree that this Section applies retroactively to all disclosures made by the State Bar prior to the execution of the final Agreement, and that the terms and conditions herein supersede any prior non-disclosure and confidentiality agreement previously entered into by the parties.

2. **Injunctive Relief.** Vendor hereby acknowledges and agrees that in the event of any breach of the final Agreement by Vendor, including, without limitation, the actual or threatened disclosure or unauthorized use of Confidential Information in violation of the
final Agreement, the State Bar will suffer an irreparable injury, such that a remedy at law
will not afford it adequate protection against, or appropriate compensation for, such
injury. Accordingly, Vendor hereby agrees that the State Bar will be entitled, upon
proper showing of probable risk of such injury, to seek specific performance of Vendor’s
obligations under the final Agreement and injunctive or other equitable relief as a remedy
for any such breach or anticipated breach without the necessity of posting a bond. Any
such relief will be in addition to and not in lieu of any appropriate relief in the way of
monetary damages as may be granted by a court of competent jurisdiction.

3. No Publicity. Without the State Bar’s prior written consent, Vendor may not issue any
public announcements concerning the State Bar, including, without limitation,
referencing the State Bar on Vendor’s website or other publicity or promotional
materials.

I. Compliance with Laws

Vendor must comply with all applicable laws, ordinances and regulations adopted or established
by federal, state or local governmental bodies or agencies, including but not limited to the
provisions of the Fair Employment and Housing Act (Government Code section 12900 et seq.)
and any applicable regulations promulgated thereunder (California Code of Regulations, Title 2,
section 7285.0 et seq.), Americans with Disabilities Act /ADA Amendments Act of 2008, and
section 508 of the Rehabilitation Act. Vendor must include the non-discrimination and
compliance provisions of this clause in all subcontracts to perform work under the final
Agreement.

J. Staffing

1. No Assignment, Subcontracting, Delegation or Transfer

a. Vendor shall not assign, subcontract, delegate or otherwise transfer any of the
rights, duties or obligations of the final Agreement to any third party without the
prior written consent of the State Bar and compliance with the requirements set
forth below.

b. Conditions Precedent for Vendor to Subcontract the Services. Vendor may
retain independent Vendors to furnish Services and access Confidential
Information (as defined in Section IV, subsection H.1.) only in accordance with
this section (hereinafter referred to as “Subvendors”). All Subvendors must be
approved in advance in writing by the State Bar, such approval to be granted in
the State Bar’s sole discretion. In advance of providing any Services or
receiving any Confidential Information, all Subvendors will execute a written
agreement reasonably satisfactory to the State Bar: (i) sufficient to secure
compliance by such Subvendors with the obligations of confidentiality
concerning Confidential Information as set forth in Section IV, subsection H of
the final Agreement; (ii) in accordance with Section IV, subsection E.2. (Rights
in Work Product), acknowledging Subvendor's obligation to transfer and/or
assign any rights, title, and interest to all materials and Work Product in
connection with performance hereunder; and (iii) effecting assignments of all
Intellectual Property Rights concerning the Work Product, including the
Deliverables to the State Bar as specified in Section IV, subsection E. The State
Bar, upon request, may review such agreements at any time before or after
execution by such SubVendors to ensure compliance with the final Agreement.

c. Assignment of Personnel. Vendor must have control of its employees and
Subvendors (if any) (individually and collectively, “Personnel”) it assigns to the
work of the Project; provided, however, that if the State Bar becomes
dissatisfied with the performance of any of Vendor’s Personnel providing
Services, the State Bar may notify Vendor of the details of the unsatisfactory
performance and the parties will cooperate to remedy the problem as soon as
reasonably possible. If the State Bar makes such a request, Vendor will use its
best efforts to reassign any Personnel who are the subject of the State Bar’s
dissatisfaction and instead attempt to provide Services through replacement
Personnel. Services performed under the terms of the final Agreement will be
performed at the State Bar's offices or Vendor's offices.

d. **Vendor’s Project Liaison.** Vendor must designate an employee of sufficient
management rank to act as its representative in dealing with the State Bar
(“Vendor’s Project Liaison”). Vendor’s Project Liaison must represent Vendor
and have responsibility for ensuring that Vendor performs its obligations under
the final Agreement and for communicating with the State Bar regarding Project
status and issues. Vendor must use reasonable efforts to minimize changing the
person who is serving as the Vendor’s Project Liaison during the Term.

K. **General Provisions**

1. **Force Majeure.** Neither party will be deemed in default of the final Agreement or any
provision hereunder to the extent that any delay or failure in the performance of the
obligations of such party (other than the payment of money) results from any significant
and material causes beyond its reasonable control and without fault or negligence by such
party. Examples of such causes include, but are not limited to, (a) acts of God or public
enemy, (b) acts of the government in either its sovereign or contractual capacity, (c) fires,
(d) floods, (e) epidemics, (f) quarantine restrictions, (g) strikes, (h) embargoes, (i)
earthquakes, and (j) unusually severe weather.

2. **Jurisdiction.** The final Agreement is deemed to have been made and entered into by the
parties at San Francisco, California and will be construed according to the laws of the
State of California. Any litigation arising out of or in connection with the final
Agreement will be filed in the appropriate court in San Francisco, California.

3. **Audit.** The State Bar reserves the right to have an independent audit conducted of
Vendor’s compliance with the terms of the final Agreement if the State Bar reasonably
believes such audit is necessary to ensure confidentiality and or financial or program
accountability or integrity. Accordingly, Vendor agrees that the State Bar or its
designated representative will have the right to review and to copy any records and
supporting documentation pertaining to the performance of the final Agreement. Vendor
agrees to maintain such records for possible audit for a minimum of two (2) years after
final payment, unless a longer period is stipulated. Vendor agrees to allow interviews of
any employees who might reasonably have information related to such records. Further,
Vendor agrees to include a similar right of the State Bar to audit in any subcontract
related to the performance of the final Agreement.

4. **License.** In those instances where required, the Vendor represents and warrants that the
Vendor holds a license, permit or special license to perform the services pursuant to the
final Agreement, as required by law, or employs or works under the general supervision
of the holder of such license, permit or special license and shall keep and maintain all
such licenses, permits or special licenses in good standing and in full force and effect at
all times while the Vendor is performing the services pursuant to the final Agreement.
