

RFP Application Security Assessment and Analysis Services

Q & A

September 9, 2020

1. **Q:** Can you please provide an extension of at least five business days for the submittal date?

A: There is no extension for submittal date.

2. **Q:** Per the RFP, questions from vendors must be received five days prior to the due date for proposals. Is that five business days or five calendar days?

A: It is five business days.

3. **Q:** The RFP requires submission of an electronic copy of the vendor's proposal on a flash drive. Will the State Bar consider accepting electronic responses to the RFP via email instead?

A: Bidders should submit a flash drive containing the proposal.

4. **Q:** Would vendors need to be able to begin testing on October 5 to be considered for the project?

A: It is not feasible for vendor to begin testing on October 5, 2020.

5. **Q:** The RFP mentions an Attachment A: Itemized Cost Proposal to be included with our submission. Is this a form that the State Bar will provide as I don't see another attachment other than the Attachment B Vendor History Questionnaire?

A: No, there isn't a form. Bidders should submit itemized cost proposal as attachment A.

6. **Q:** As you are only requiring the submission of a USB drive, would it be possible to email our submission instead?

A: Bidders should submit a flash drive containing the proposal.

7. **Q:** Have there been any additional amendments or addendums issued that we would need to complete our submission?

A: There is no amendment or addendum issued for this request for proposal.
