### I. INTRODUCTION

The State Bar, created in 1927 by the Legislature and adopted as a judicial branch agency by amendment to the California Constitution in 1960, is a public corporation within the judicial branch of state government. The purpose of the State Bar is to ensure that the people of California are served by the legal profession in a manner consistent with the highest standards of professional competence, care, and ethical conduct; to carry out such additional programs as may be required by law or by rule of court; and to contribute generally to the science of jurisprudence and the administration of justice. The State Bar serves as an administrative adjunct to the California Supreme Court in all matters pertaining to the admission, discipline, and regulation of California lawyers. The California Constitution, the State Bar Act, and California Rules of Court vest in the State Bar the duty to regulate the legal profession, formulate and

elevate educational and professional standards, raise the quality of legal services, advance the science of jurisprudence, and aid in the improvement of the administration of justice.

The State Bar's mission is to protect the public and includes the primary functions of licensing, regulation, and discipline of attorneys; the advancement of the ethical and competent practice of law; and support of efforts for greater access to, and inclusion in, the legal system. The State Bar is the largest state bar in the country and licenses approximately 250,000 attorneys. More information about the State Bar can be found [online](#). The State Bar's offices are located in San Francisco and Los Angeles.

## **II. STATEMENT OF WORK/PROJECT DESCRIPTION/PROJECT SCOPE**

### **A. Background**

On July 21, 2021, the State Bar Board of Trustees approved the proposed plan for preventative education for attorneys. The plan includes the preventative education through e-learning and self-assessments, as well as other methods of delivery, to reflect proactive and preventative regulation. The preventative education will include practice tools and other resources to support attorneys in continued education, professional development, and the competent practice of law.

### **B. Project Goal**

The chosen vendor will design and develop educational content ("Content") into an engaging e-learning product ("Product") and experience consistent with the best practices and current trends in the industry. The Product should be in a Shareable Content Object Reference Model ("SCORM") or an industry standard alternative that is compatible with the State Bar's existing Learning Management System (LMS), including LMS tracking of course completion and other data collection and reporting functions. To this end, the State Bar seeks a full-service vendor capable of providing: substantial collaboration, effort, and structure with State Bar staff and subject matter experts; instructional design of Content into e-learning concepts; multimedia content development and strategy; development, Q & A testing, and commissioning of the Product; and Product post-production support. Content development is ongoing; the initial Product is required to be functional and publicly available by **October 15, 2023**.

### **C. Collaboration**

The State Bar is currently developing curriculum outlines that include the new products and updates for the courses described in attachment A. Content should be developed and delivered as separate modules and sub-modules that can be completed concurrently and independent of one another. To achieve this deadline, substantial collaboration on the part of the vendor will include: reviewing existing curriculum outlines and learning objectives and determining the extent to which additional substantive content needs to be developed by the State Bar, by the vendor, or through joint collaboration; providing a structure and approach to the development of Content; providing outlines or worksheets that Content can be structured around for faster development; providing client-side project management services; adapting Word format Content into storyboards and interaction plans; and flexible and accessible teams to design, develop, and produce the Product. To meet the needs of this project the chosen vendor must possess advanced project management skills.

Vendors based in the Pacific Standard Time zone are strongly preferred to maximize the opportunities for the highest quality collaborative effort. Vendors from outside of the Pacific Standard Time zone may bid, but such vendors must maintain availability from 8 a.m. to 6 p.m. Pacific Standard Time. Constant, stable communication will be required and time zone differences exceeding those within the GMT range of North America may significantly impact the project. The State Bar reserves the right to reject proposals due to the lack of a domestic presence and team to work with, or the lack of an acceptable explanation and alternative to such a team. Vendors with knowledge of the American legal system is preferred.

### **Samples**

Proposals should include up to three (3) samples of outlines or worksheets that you provide to clients for them to structure their content around. The samples should be exemplary of the different levels and costs of collaboration intensity (high / medium / low). The samples should also demonstrate a diversity of characters that is consistent with the diversity of the State of California. Diversity should be seen in the production design, including characters, images, and voice talent. For each sample, explain: what information the client is providing; what information the collaboration effort will need to refine or uncover; the average length (in pages) a sample would be for an hour of content; and the relative price difference between the processes.

A high intensity sample will be a general, barebones outline of the material, requiring a very large amount of person-to-person collaboration time spent on the process in general. The high intensity sample should also highlight the innovation and cutting-edge technology. A less intense sample may include guidelines for questions to be inserted by the client; enabling the client to present the Content in a form more suitable for the vendor to work with directly. Development of the Content is ongoing, and so a thorough structure is highly desirable. The ideal sample outline or worksheet will provide a structure for subject matter experts to generate Content of the proper density and pacing, along with questions. This ideal sample will enable better understanding of the design and development process so that Content can be created with the Product in mind, with less time spent on process explanation and more time on collaboration.

### **D. Target Audience**

The target audience of the Product is attorneys who are admitted to the California Bar. The attorneys will range in age and will have differing levels of familiarity with how technology is shaping the educational and legal environment today. The majority of existing continuing legal education is in the form of video (live and pre-recorded), webinars, and various typed formats with inherently limited engagement opportunities, trailing advancements in the broader educational space. The proliferation of interactive media content has led to new standards for engagement which this project seeks to provide to attorneys to promote thoughtful, ethical, and competent conduct in their work with California residents.

### **E. Product Description**

The initial project, an update to the New Attorney Training Program e-learning courses, consists of several different topics, where each topic is contained in one or more modules. The current New Attorney Training Program has several modules independent of one another. Generally, attorneys are able to complete the modules in any particular

sequence; although some modules require previous completion of one or more modules, creating a module group (unordered requirement), or series (ordered requirement). In every case, maximum flexibility with respect to taking any one module is desired and attorneys are able to enter a module, work through the module for any amount of time that their schedule permits, and then exit the module with their status saved on the last page they landed. Attorneys are not required to sit for a minimum duration each time they enter a module, only completion of the full Product is ultimately required.

The objective of the Product is to teach concepts, then briefly test those concepts and either certify understanding or constructively address misunderstanding. If an attorney answers a question prompt incorrectly, they should be directed to an explanation of why their chosen answer was incorrect and then given subsequent chances to answer the question correctly until they do so. The question prompts must include the ability for skip logic and should include the ability branching. The education is intended to demonstrate situations in which attorneys may find themselves over the course of their profession and to facilitate both understanding and application of core concepts through critical thinking questions.

To ensure engagement throughout the entire course a variety of media formats, or modalities, is desired. The current concept includes all available text-based interactions (readings, scrolling pages, link clicking, questions and answer segments), voice recordings, and animations. The State Bar owns video content that may be included in the Product, is currently discussing additional video content, and is open to the production of further new video content as the production timeline allows.

The State Bar acknowledges that fulfillment of the required hours of e-learning time will be through a combination of multiple media formats (video, audio, readings, etc.) and that there are different strategies for calculating this time requirement. Vendors should include in their proposals the strategies they use for calculating and meeting time requirements and suggest which would best be applied to the desired Product.

The full completion of this Product by attorneys maybe mandatory or optional, and the requirement completion threshold for certain courses is 80%. Regardless of whether there is a completion threshold, for all types of Product (mandatory and non-mandatory), standard test metrics are desired to allow State Bar staff and working groups to further refine the Product. Standard metrics include: module completion statuses; where attorneys are spending their time in each module; where issues might be based on time spent; and pass rates of each question.

Other additional projects are provided in Attachment A.

### **Samples**

In lieu of formal demonstrations to the evaluation team, the State Bar will review and test three (3) samples from a vendor's portfolio. The samples should be other projects that are the most similar to the Product described in this Statement of Work. Each sample should be a live instance of an actual product developed for a client and accessed from that client's platform to ensure functionality outside of a vendor testing environment. Multiple members of the evaluation team will work through each sample;

vendors are to provide ten (10) access codes for each sample, or a single access code if it can be used concurrently by multiple individuals. It is highly preferable that the client samples provided are samples of work done for the same clients used as references. If this is not possible, vendors should prioritize the samples most relevant to the work described in this Statement of Work. The full number of references is still required and may consist of non-sample clients if necessary.

#### **F. Format Requirements**

The final format of the Product should be SCORM 1.2 compliant or an industry standard alternative that is compatible with the State Bar's LMS and has the ability to be played on the most popular computer and mobile browsers. The State Bar maintains a contract with Gnosis Connect Learning Management System for education content hosting and streaming; their platform is SCORM 1.2 compliant and available to host and stream the desired Product. Desktop support should include the current version and previous three major versions of the top four major browsers: Microsoft Edge, Apple Safari, Mozilla Firefox, and Google Chrome. Mobile support should include the current version and previous three major versions of the top four major browsers: Microsoft Edge, Apple Safari, Mozilla Firefox, and Google Chrome.

#### **G. Product Delivery**

The final Product and all related files that combine to form the final Product are to be delivered to and will be fully owned by the State Bar. The first, final Product must be delivered to the State Bar before **October 15, 2023**, each additional products being fully delivered every six months thereafter. If the vendor uses any proprietary software or file formats that would prevent a second vendor from combining, editing, or otherwise working with the final Product or its related files, then that must be clearly stated and alternative options made available in the vendor proposal. All Product modules must be capable of being updated or revised in the future by the State Bar or a third-party to accommodate changes in the law.

#### **H. Post-Product Support, Work & Cost**

Vendors may propose a flat fee, time and materials, or combination cost thereof for the currently desired Product. If hourly rates for vendor staff and assets are not proposed for the desired Product, then they must be included as rates for future work. The rates proposed for the Product are the agreed-upon rates for future work; any circumstances or services that would changes these rates must be clearly stated whether or not they are present in the current Product work. Vendors should include the cost of a maintenance agreement that addresses product updates to ensure compliance with the American with Disability Act (ADA) consistent with Web Content Accessibility Guidelines and multi-platform compatibility.

### **III. GENERAL INFORMATION**

The submission requirements for this RFP are set forth below. A proposal shall constitute an irrevocable offer for 60 Business Days following the Submission Deadline. Reference to a certain number of days in this RFP shall mean Business Days unless otherwise specified. **"Business Day"** means any day except any Saturday, any Sunday, any day which is a federal legal holiday in the United States or any day on which banking institutions in the State of California are authorized or required by law or other governmental action to close.

Contact with State Bar personnel in connection with this RFP may not be made other than as specified in this RFP. Unauthorized direct or indirect contact with any State Bar personnel may be cause for rejection of a bid.

**A. Submission Requirements**

To be considered responsive, a proposal must contain the following, prefaced by a table of contents, referenced by table number and page number, and in the order below.

1. An executive summary of no more than five pages, providing an overview of the bidder's organizational structure, history, services, market position, unique qualifications, strategic alliances, etc.

If necessary, bidders' travel expenses will be reimbursed in accordance with the State Bar's [Travel and Business-Related Expense Policy](#). It is unlawful for any person engaged in business within this state to sell or use any article or product as a "loss leader" as defined in [Section 17030](#) of the Business and Professions Code. As the State Bar may award a contract based on the initial offer, a bidder should make its initial offer on the most favorable terms available. The State Bar reserves the right, however, to have discussions with those bidders falling within a competitive range, and to request revised pricing offers from them and to make an award or conduct negotiations thereafter.
6. At least three references from clients for whom the bidder has performed services similar to those being requested in this RFP. #### **B. Submission Requirements Format Summary**

Proposals must be emailed to [Sunly.Yap@calbar.ca.gov](mailto:Sunly.Yap@calbar.ca.gov) by the Submission Deadline noted on Page 1 of this RFP.

The proposal package must include:

1. One electronic copy containing the proposal in PDF (file-to-PDF only, do not print and scan) and attachments in its native format.
  - Proposal (.pdf)
  - Attachment B: Vendor History Questionnaire (.xls)
  - Attachment C: Cost Proposal (.xls)

If specific submission components (including the requested plans, samples, and contracts requested) are particularly large and self-contained they may be included in a separate appendix rather than in the body of the proposal. Submittals should not direct the evaluation team to general brochures, marketing materials or websites to obtain information related to the specific submission requirements; submittals that utilize references to external materials as an answer will be considered nonresponsive.

Proposals should be prepared simply and economically, providing a straightforward and concise description of the bidder's ability to meet the requirements of this RFP. Emphasis should be placed on completeness and clarity of content, and conformity to the State Bar's instructions. Proposals should not include generic promotional materials and graphics that increase page count and PDF file size without addressing substantive content. Brochures and marketing materials may be included as a supplement if desired, in hard copy or a separate PDF file.

#### **C. Rejection of Proposals**

The State Bar reserves the right in its sole discretion to reject any or all proposals in whole or in part, without incurring any cost or liability whatsoever. All proposals will be reviewed for completeness of the submission requirements. If a proposal fails to meet a material requirement of the RFP, or if it is incomplete or contains irregularities, the proposal may be rejected. A deviation is material to the extent that a proposal is not in substantial accord with RFP requirements.

Notwithstanding the foregoing, immaterial deviations may cause a bid to be rejected. The State Bar may waive an immaterial deviation or defect in a proposal. The State Bar's waiver of an immaterial deviation or defect will in no way modify the RFP or excuse a bidder from full compliance with the RFP requirements.

Any proposal may be rejected where it is determined to be not really competitive, inaccurate or unreliable, or where the cost is unreasonable.

Proposals that contain false or misleading statements may be rejected if in the State Bar's opinion, the information was intended to mislead the State Bar regarding a requirement of the RFP.

The State Bar may judge a bidder to be materially compliant, even if that bidder is noncompliant to a particular requirement of the RFP.

#### **D. Evaluation Process and Highest Scored Bidder**

An evaluation team will review, in detail, all proposals received to determine the Highest Scored Bidder ("**HSB**").

The State Bar reserves the right to determine the suitability of a proposal based on that proposal meeting the administrative and technical requirements of this RFP, and the evaluation team's assessment of the quality and performance of the services proposed and the cost of such services.

The following criteria will be used in reviewing and comparing the proposals and in determining the HSB. The weight to be assigned to each criterion appears following each item.

1. Overall responsiveness of the proposal to Sections II and III as set forth in the RFP (10 percent).
2. Agreement with the State Bar's contracting requirements (10 percent).
3. The functional and technical ability, capacity, and flexibility of the bidder to perform the contract in a timely manner, on budget and to the State Bar's standards of professionalism and customer service, as verified by: the content and quality of the proposal; the content and quality of any demonstration or presentation; client references; demonstrated success in projects with similar requirements; reputation in the marketplace; and any other contracts or experience with the State Bar (35 percent).

4. The financial viability of the bidder as evidenced by audited financial reports. (10 percent)
5. The total cost of the proposal (35 percent)

During the evaluation process, the State Bar may require a bidder to answer questions or submit additional information with regard to the proposal; and/or may require a bidder to participate in an oral interview with or make a formal presentation to the evaluation team and/or the State Bar's leadership team. A key element of any oral interview or presentation will be the participation of the specific team members that the bidder intends to work on the State Bar's account.

Following the initial review and screening of the written Proposals, using the selection criteria described below, several bidders may be invited to participate in the final selection process, which may include participation in an oral interview and/or submission of any additional information as requested by the State Bar.

- E. The State Bar reserves the right to review the proposals using a tiered evaluation system, with the top candidates advancing as finalists and receiving a full evaluation as outlined above, which may include requests for revised pricing from such bidders.

This RFP does not commit the State Bar to awarding a contract. Bidders shall bear all costs incurred in the preparation of the proposal and participating in the proposal evaluation process.

#### **F. Award and Execution of Contract**

Subject to the State Bar's right to reject any or all proposals, the HSB will be awarded the contract. In the case of a virtual tie (defined as evaluation scores within two points of one another), the Chief Administrative Officer may determine who will be awarded the contract. Notice will be emailed to the bidders on or about **June 8, 2023** of the State Bar's intention to award the contract to the HSB. It is anticipated that final selection of the HSB will be made by **June 15, 2023**. The evaluation team will select a winning proposal subject to approval by the Board of Trustees. Upon selection, the State Bar and the selected Bidder will enter into good faith negotiations on a contract containing, without limitation, the Statement of Work/Project Scope section above and Contracting Requirements section below.

No contract or agreement, express or implied, shall exist or be binding on the State Bar before the execution of a written contract by both parties. If an agreement on the terms of such a contract cannot be reached after a period deemed reasonable by the State Bar in its sole discretion, the State Bar may enter into negotiations and sign a contract with any other bidder who submitted timely and responsive proposals to this RFP.

If, after the State Bar and the HSB agree to the terms and execute a contract, and that contract is terminated for any reason, the State Bar may, in its sole discretion, either enter into negotiations with the next highest scored bidder, or issue a new RFP and begin the proposal process anew.

Questions regarding the State Bar's award of any business on the basis of proposals submitted in response to the RFP, or on any other matter in connection with the selection process, should be addressed in writing to Sunly Yap, Principal Program Analyst at [Sunly.Yap@calbar.ca.gov](mailto:Sunly.Yap@calbar.ca.gov).

Where written notice is required in this RFP, the notice must be sent by email.

#### **G. Errors in the RFP**

If a bidder discovers any ambiguity, conflict, discrepancy, omission, or other error in the RFP, the bidder should immediately provide the State Bar with written notice of the problem and request that the RFP be clarified or modified. Without disclosing the source of the request, the State Bar may modify the document prior to the Submission Deadline by issuing an addendum to all potential bidders to whom the RFP was sent.

If prior to the Submission Deadline, a bidder knows of or should have known of an error in the RFP but fails to notify the State Bar of the error, the bidder shall bid at its own risk, and if, awarded the contract, shall not be entitled to additional compensation or time by reason of the error or its later correction.

#### **H. Questions Regarding the RFP**

Questions regarding the RFP may be addressed in writing to Sunly Yap at [Sunly.Yap@calbar.ca.gov](mailto:Sunly.Yap@calbar.ca.gov). All questions must be submitted no later than **3 p.m. on April 20, 2023**. Questions and answers regarding the RFP may be shared with all bidders known to be interested in submitting a proposal.

If a question relates to a proprietary aspect of its proposal and the question would expose proprietary information if disclosed to competitors, the bidder may submit the question in writing, conspicuously marking it as "CONFIDENTIAL." With the question, the bidder must submit a statement explaining why the question is sensitive. If the State Bar concurs that the disclosure of the question or answer would expose proprietary information, the question will be answered, and both the question and answer will be kept in confidence, subject to the California Public Records Act. If the State Bar does not concur regarding the proprietary nature of the question, the question will not be answered in this manner and the bidder will be notified.

A bidder who believes that one or more of the RFP's requirements is onerous or unfair, or unnecessarily precludes less costly or alternative solutions, may submit a written request that the RFP be changed. The request must set forth the recommended change and reason for proposing the change. The State Bar must receive any such request no later than fourteen (14) calendar days before the Submission Deadline.

#### **I. Addenda**

The State Bar may modify the RFP prior to the Submission Deadline by emailing an addendum to the bidders known to be interested in submitting a proposal. If any bidder determines that an addendum unnecessarily restricts its ability to bid, it must notify the State Bar in writing no later than seven calendar days prior to the Submission Deadline.

**J. Withdrawal and Resubmission/Modification of Proposals**

A proposal may be withdrawn at any time prior to the Submission Deadline by notifying the State Bar in writing of its withdrawal. The notice must be signed by the bidder. The bidder may thereafter submit a new or modified proposal, provided that it is received at the State Bar no later than the Submission Deadline. Modification offered in any other manner, oral or written, will not be considered. Proposals cannot be changed after the evaluation process begins.

**K. Protest Procedure**

A bidder may protest the award if it meets any of the following conditions:

1. The State Bar failed to follow the procedures specified in either subdivision (c) of Public Contract Code section 10344.
2. The State Bar failed to correctly apply the standards for reviewing the format requirements or evaluating the proposals as specified in this RFP.
3. The State Bar failed to follow the methods for evaluating and scoring the proposals specified in this RFP.
4. The State Bar is proposing to award the contract to a bidder other than the bidder given the highest score by the evaluation team.

A bidder qualified to protest should contact Sunly Yap, Principal Program Analyst at [Sunly.Yap@calbar.ca.gov](mailto:Sunly.Yap@calbar.ca.gov), to attempt an informal resolution. If this contact is unable to resolve the protest to the bidder's satisfaction, the bidder must file a written protest prior to the award. Within five calendar days after filing the protest, the protesting bidder shall file a full and complete written statement specifying the grounds for the protest. The written protest must state the facts surrounding the issue and the reasons the bidder believes the award to be invalid. The protest must be sent by certified or registered mail or delivered personally to:

The State Bar of California  
Attention: Chief Administrative Officer  
180 Howard Street  
San Francisco, CA 94105-1639

Protests will be reviewed and decided by the State Bar's Award Protest Team within 30 calendar days after the State Bar issues written acknowledgment of the protest. In the event that a protest is filed, the contract award will be postponed pending resolution of the protest.

**L. News Releases**

News releases pertaining to the award of a contract may not be made without the prior written approval of the State Bar.

#### **M. Disposition of Materials**

All materials submitted in response to an RFP will become the property of the State Bar and will be returned only at the State Bar's option and at the expense of the bidder. One copy of each proposal will be retained for the State Bar's official files and become a public record pursuant to the California Public Records Act. By submitting a proposal, a bidder agrees to these terms and waives any right to pursue a cause of action for damages incurred as a result of the release of any information contained in a proposal.

### **IV. CONTRACTING REQUIREMENTS**

Upon selection of a vendor, the terms set forth in this RFP are to be embodied in a definitive agreement ("**Agreement**") containing such additional covenants and other provisions as may be mutually acceptable.

The State Bar contemplates that, in addition to the terms and conditions described above in this RFP, final agreement between the State Bar and the selected vendor will include, without limitation, the below terms and conditions ("**Contracting Requirements**"). Submission of a proposal shall constitute agreement to contract on these Contracting Requirements, except for any term specifically reserved in the proposal for future negotiation.

7. Vendor is not eligible to participate in any vacation benefits, group medical or life insurance, disability benefits, retirement benefits, or any other fringe benefits or benefit plans offered by the State Bar to its employees. The State Bar will not be responsible for withholding or paying any income, payroll, Social Security, or other federal, state, or local taxes. The State Bar will not be responsible for making any insurance contributions, including for unemployment, disability, or workers' compensation insurance on Vendor's behalf.
8. Vendor may, at Vendor's own expense, retain or employ such assistants, employees, or personnel as Vendor deems necessary to perform the Services and such individuals will be Vendor's employees or subvendors. Vendor assumes full and sole responsibility for the payment of all compensation and expenses of these assistants, employees, or personnel, including workers' compensation coverage as required, all federal, state, and local income taxes, unemployment and disability insurance, Social Security, or other applicable withholdings.

**D. Indemnity Obligations of Vendor**

1. **Indemnification by Vendor.** Vendor will indemnify and defend and hold harmless the State Bar, including its Board of Trustees, officers, directors, agents, employees, successors, and assigns (as the same may be constituted from time to time, hereinafter referred to as "**State Bar Indemnified Party (or Parties)**") from and against any and all claims, demands, damages, debts, liabilities, losses, obligations, costs, expenses, liens, judgments, awards, penalties, fines, actions, or causes of action (including but not limited to reasonable attorneys' fees, costs, and expenses), whether or not litigation is

actually commenced (collectively, “**Losses**”), arising out of or in connection with any actual or alleged direct claim or third-party claim alleging: (i) breach by Vendor of any warranty, representation, term, condition, or obligation under the final Agreement; (ii) any claim or action related to the Work Product, the Services, and the deliverables prepared by or for Vendor in connection with the final Agreement and provided to the State Bar; (iii) any claim or action for personal injury, death, or otherwise involving alleged defects in Vendor’s business or any of its products or services prepared or created in connection with the final Agreement, whether or not provided to the State Bar; (iv) any failure by Vendor to comply with any statutory or regulatory obligation in the performance of its obligations under the final Agreement; (v) the actual or alleged infringement by Vendor of any copyright, trademark, or other proprietary right of any person or entity; (vi) breach or potential breach of data or privacy; or (vii) any act or omission of Vendor or its employees, agents, or subvendors.

**2. Indemnification Procedures.**

- a. If any third-party claim is commenced against any State Bar Indemnified Party entitled to indemnification under this Article, the State Bar will promptly give written notice thereof to Vendor, and Vendor will immediately assume the defense of such claim with counsel satisfactory to the State Bar. The State Bar’s failure to provide a notice to Vendor under this section does not relieve Vendor of any liability that Vendor may have to the State Bar. The State Bar Indemnified Party will cooperate, at the sole cost of Vendor, in all reasonable respects with Vendor and its attorneys in the investigation, trial, and defense of such claim, and in any appeal arising therefrom; provided, however, that the State Bar Indemnified Party may, at its own cost and expense, participate, through its attorneys (including, but not limited to, the State Bar’s Office of General Counsel) or otherwise, in such investigation, trial, and defense of such claim, and any appeal arising therefrom. Vendor will coordinate the defense of any third-party claim with the State Bar, including any investigation and trial, and any appeal therefrom. Vendor will not enter into a settlement of any claim that involves a remedy other than the payment of money by Vendor without the prior written consent of the State Bar. If Vendor does not assume an immediate defense of a claim that Vendor is obligated to defend, the State Bar will have the right to defend the claim in such manner as it may deem appropriate, at the sole cost and expense of Vendor.
- b. Notwithstanding anything to the contrary in this Article, the State Bar may select its own legal counsel to represent its interests, and Vendor will:
  - i. reimburse the State Bar for its costs and attorneys’ fees immediately upon request as they are incurred; and
  - ii. remain responsible to the State Bar for any Losses indemnified under this section.

- c. If any legal work reasonably necessary to the State Bar's defense as described herein is performed by the Office of General Counsel, the State Bar will determine the value of such work at a reasonable hourly rate for comparable outside counsel and it will be promptly paid by Vendor; provided, however, the Parties hereby confirm that such fees will be recoverable with respect to legal work performed by the Office of General Counsel only to the extent that such work is not duplicative of legal work performed by outside counsel paid for by Vendor and representing the State Bar in such matter.
- d. **Survival.** Vendor's obligations under this indemnity provision will survive the expiration and termination of the final Agreement.
- e. **Enforcement of this Provision.** Vendor will be liable to the State Bar for all costs (including but not limited to reasonable attorneys' fees, costs, and expenses) incurred by the State Bar for the purposes of enforcing this indemnity provision.

**E. Rights in Work Product**

- 1. **Intellectual Property Rights Defined.** For purposes of the final Agreement, the term "Intellectual Property Rights" means know-how, inventions, patents, patent rights, and registrations and applications, renewals, continuations and extensions thereof, works of authorship and art, copyrightable materials and copyrights (including, but not limited to, titles, computer code, designs, themes, concepts, artwork, graphics and visual elements, and methods of operation, and any related documentation), copyright registrations and applications, renewals and extensions thereof, mask works, industrial rights, trademarks, service marks, trade names, logos, trademark registrations and applications, renewals and extensions thereof, derivative works, trade secrets, rights in trade dress and packaging, publicity, personality and privacy rights, rights of attribution, authorship, integrity and other similarly afforded "moral" rights, and all other forms of intellectual property and proprietary rights recognized by the U.S. laws, and other applicable foreign and international laws, treaties and conventions.
- 2. **Work Product.** Vendor recognizes and agrees that all right, title, and interest, including all Intellectual Property Rights, which may be prepared, procured, or produced in whole or in part in, or resulting from, the Services rendered by Vendor pursuant to the final Agreement, including, without limitation, any and all deliverables, research, proposals, materials, reports, plans, other writings, and other work product (collectively referred to as "**Work Product**") will be owned by the State Bar. To ensure that the Work Product becomes the sole property of the State Bar, in consideration of the mutual promises contained in the final Agreement, Vendor hereby agrees to transfer, in perpetuity, to the State Bar all of the right, title, and interest in the Work Product, in the United States of America and throughout the world, and hereby assigns any and all renewals and extensions of each such copyright that may be secured under the laws now or hereafter. Vendor will execute, at the State Bar's request and

expense, during and after the Term, all further actions including execution and delivery of documents reasonably required to perfect the foregoing rights in the State Bar. In the event Vendor fails to execute any documents, Vendor appoints the State Bar as its attorney-in-fact to execute such documents on Vendor's behalf. Vendor hereby waives or transfers any and all moral rights, including without limitation any right to attribution, identification, integrity, disclosure, authorship or any other rights that may be known as "moral rights," or limitation on a subsequent modification that Vendor (or its employees, agents, or subvendors) has or may have in the Work Product or any part thereof.

3. **No Transfer of Title in and to Vendor's Pre-Existing IP.** Notwithstanding the foregoing, the State Bar acknowledges that independent of the final Agreement, Vendor has created, acquired, or otherwise has rights in and may, in connection with the performance of the final Agreement, employ certain intellectual property, including, without limitation, various concepts, ideas, methods, methodologies, procedures, processes, know-how, or techniques (collectively, "**Pre-Existing IP**"). The State Bar and Vendor intend that Vendor's interests in or title to such Pre-Existing IP will remain vested in Vendor; provided, however, that to the extent that Work Product incorporates any Pre-Existing IP, Vendor hereby grants to the State Bar a worldwide, perpetual, nonexclusive, fully paid-up, royalty-free, irrevocable right and license to use such Pre-Existing IP as incorporated into such Work Product to enable the State Bar to have full use of such Work Product as contemplated by the final Agreement, including, without limitation, the right to run, execute, copy, modify, create derivative works, display, distribute, and sublicense such rights. Vendor represents that its rights to any Pre-Existing IP are sufficiently broad to meet the requirements of this section.
  
4. **No Transfer of Title in and to State Bar's Pre-Existing IP.** As between Vendor and the State Bar, the State Bar is, and will remain, the sole and exclusive owner of all right, title, and interest in and to any documents, specifications, data, know-how, methodologies, software, Confidential Information and other materials provided to Vendor by the State Bar ("**State Bar Materials**"), including all Intellectual Property Rights therein. Vendor has no right or license to reproduce or use any State Bar Materials except solely during the Term to the extent necessary to perform Vendor's obligations under the final Agreement. All other rights in and to the State Bar Materials are expressly reserved by the State Bar. Vendor has no right or license to use the State Bar's trademarks, service marks, trade names, logos, symbols, or brand names.
  
5. **Third Party Materials.** As used in the final Agreement, "Third Party Materials" means proprietary third-party materials which are incorporated into the Deliverables. All Third-Party Materials are the exclusive property of their respective owners. Vendor must inform the State Bar of all Third-Party Materials that may be required to perform the Services or otherwise integrated into the Deliverables. Under such circumstances, Vendor will inform the State Bar of any need to license and unless otherwise provided for by the State Bar, Vendor will obtain the license(s) necessary to permit the State Bar's use of the Third-Party Materials consistent with the usage rights granted herein. In the event Vendor

fails to properly secure or otherwise arrange for any necessary licenses or instructs the use of Third-Party Materials, Vendor hereby indemnifies, saves and holds harmless the State Bar from any and all damages, liabilities, costs, losses or expenses (including reasonable attorney's fees and costs) arising out of any claim, demand, or action by a third party arising out of Vendor's failure to obtain copyright, trademark, publicity, privacy, defamation or other releases or permissions with respect to materials included in the Deliverables.

**F. Insurance Obligations of Vendor**

Without in any way limiting Vendor's liability pursuant to the "Indemnification" Section of the final Agreement, during the Term of the final Agreement, Vendor will maintain and keep in full force and effect at Vendor's own cost and expense, the below insurance policies for the joint benefit of Vendor and the State Bar.
  - (i) **Commercial General Liability Insurance** coverage having a combined single limit of not less than One Million Dollars (\$1,000,000) for bodily injury and property damage liability, Two Million Dollars (\$2,000,000) annual aggregate, and One Million Dollars (\$1,000,000) for products/completed operations. Such commercial general liability insurance coverage will be with an insurance carrier with an A.M. Best rating of not less than A:X.
  - (ii) **Workers' Compensation** coverage if Vendor has one or more employees as defined by the State of California, coverage as required by applicable California state law and federal statutes covering liability for injuries to all persons employed by the insured in the conduct of its operations, together with employer's liability insurance in the amount of One Million Dollars (\$1,000,000) for each accident and One Million Dollars (\$1,000,000) policy limit for bodily injury by disease. Such umbrella liability insurance coverage will be with an insurance carrier with an A.M. Best rating of not less than A:X.
2. If **Blanket Fidelity/Commercial Blanket Bond** is required, the State Bar, its Board of Trustee, directors, officers, and employees will be named as additional loss payees ("**Additional Loss Payees**"). In addition, all insurance policies will: (i) be primary and noncontributing with respect to any other insurance available to the Additional Insureds, with respect to any claims arising out of the final Agreement; (ii) apply separately to each insured against whom a claim is made or suit is brought; (iii) include a waiver of subrogation provision or endorsement in favor of the State Bar; and (iv) be with insurance carrier(s) that are authorized to do business in the State of California, and are satisfactory to the State Bar.

845 S. Figueroa Street  
Los Angeles, CA 90017

Please include certificates of insurance evidencing compliance with the requirements in this Article. Each certificate will provide that the issuing company (the insurer) will mail written notice to the State Bar 30 calendar days prior to any cancellation of the policies or reduction in coverage or amount. In addition, Vendor will also provide prompt written notice to the State Bar if there are any cancellations or lapses, reductions in coverage or coverage limit, or other material changes to the insurance policies. Failure to maintain insurance will constitute a material breach of the final Agreement. If Vendor fails to secure and maintain the required insurance policies as set forth in this Section, the State Bar may, but is not required to, purchase the required insurance

coverage and Vendor will reimburse the State Bar for all the associated costs. Should any required insurance lapse during the term of the final Agreement, requests for payments originating after such lapse will not be processed until the State Bar receives satisfactory evidence of reinstated coverage as required by the final Agreement, effective as of the lapse date. If Vendor assigns, subcontracts, or delegates any portion of the duties, Vendor will ensure that each such assignee, subvendor, or delegee purchases and maintains insurance coverage required by the final Agreement.

4. Should any of the required insurance be provided under a claims-made form, Vendor will maintain such coverage continuously throughout the term of the final Agreement and, without lapse, for a period of three years beyond the expiration of the final Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the final Agreement, such claims will be covered by such claims-made policies.
5. Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit will be double the occurrence or claims limits specified above.

**G. Termination**

1. The State Bar may terminate the final Agreement, in its sole discretion, with or without cause and for any reason upon 30 calendar days written notice to Vendor. Vendor's sole compensation will be for that portion of the Services performed by Vendor to the date of termination, together with reimbursable expenses, if any, then due pursuant to the final Agreement; provided, however, that Vendor will not be paid for any services or reimbursable expenses associated with any work or service which was not authorized by the State Bar pursuant to the final Agreement.
2. The final Agreement will terminate automatically in the event of the bankruptcy or insolvency of either Party.
3. If the Term of the final Agreement extends into fiscal year(s) subsequent to that in which it is signed, it is understood that the continuation of the final Agreement is subject to an authorization of sufficient funding for such purpose by the California State Legislature and the Governor of the State of California. If sufficient funds are not so authorized, the Parties mutually agree that the final Agreement may be terminated or amended as appropriate in response to such occurrence. If the final Agreement is terminated, Vendor agrees to relieve the State Bar of any further obligations, except for the State Bar's obligation to pay for the Services already performed or reimbursable expenses already incurred up to the date of termination pursuant to the final Agreement.
4. No Party will be liable or responsible to the other Party, nor be deemed to have defaulted under or breached the final Agreement, for any failure or delay in

fulfilling or performing any terms of the final Agreement, when and to the extent such failure or delay is caused by or results from acts beyond the affected Party's ("Impacted Party") reasonable control, including, without limitation, the following force majeure events ("Force Majeure Events"): (a) acts of God; (b) flood, fire, earthquake, other specific potential disasters or catastrophes, such as epidemics, pandemics, or quarantines, or explosions; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot, or other civil unrest; (d) government order or law; (e) actions, embargoes, or blockades in effect on or after the date of the final Agreement; (f) action by any governmental authority; (g) national, regional, or local emergency; (h) strikes, labor stoppages or slowdowns, or other industrial disturbances; or (i) shortage of adequate power or transportation facilities. The Impacted Party will give notice within seven (7) days of the Force Majeure Event to the other Party, stating the period of time the Force Majeure Event is expected to continue, and describing the impact on performance of the Services and other obligations under the final Agreement. Notwithstanding the preceding sentence, if either Party's performance is affected by any Force Majeure Event, either Party may terminate the final Agreement by written notice to the other Party, without any penalty, liability, or any other costs or damages, whatsoever.

5. Upon expiration, cancellation, or termination of the final Agreement, or at any other time upon the State Bar's written request, Vendor will, within seven calendar days after such expiration, cancellation, termination, or written request:
  - a. deliver to the State Bar all deliverables (whether complete or incomplete), Work Product and all materials, equipment, and other property provided for Vendor's use by the State Bar;
  - b. deliver to the State Bar all tangible documents and other media, including any copies, containing, reflecting, incorporating, or based on the Confidential Information;
  - c. permanently erase all the Confidential Information from Vendor's computer and phone systems; and
  - d. certify in writing to the State Bar that Vendor has complied with the requirements of this Section.

#### **H. Confidentiality and Publicity**

1. **Confidentiality Obligations.** Vendor agrees to maintain in strictest confidence any nonpublic, proprietary, or confidential information, or material disclosed or provided by the State Bar to Vendor or its employees, consultants, vendors, subvendors, and agents (collectively, "**Vendor's Representatives**"), either orally, in writing, electronically or in any other form or medium, or that Vendor or Vendor's Representatives may otherwise receive access to in connection with the Services, concerning any aspect of the affairs of the State Bar, including by way of example and without limitation any information or material pertaining to

the State Bar's operations, processes, plans, policies, procedures, Board of Trustees, leadership, management, employees, personnel, vendors, volunteers, legal and regulatory affairs, financial data, licensees (former and current), applicants, and relationships with third-parties ("**Confidential Information**"). Confidential Information also includes any notes, analyses, compilations, studies or other material, Work Product, deliverables or documents prepared by Vendor and Vendor's Representatives which contain, reflect, or are based, in whole or in part, on the Confidential Information. Confidential Information also includes any confidential or proprietary information of any third-party who may disclose such information to the State Bar in the course of the State Bar's affairs. Confidential Information will also include the existence and terms of the final Agreement. Confidential Information does not include information that: (a) is or becomes a part of the public domain through no act or omission of Vendor or Vendor's Representatives; (b) is lawfully disclosed to Vendor or Vendor's Representatives by a third-party without restrictions on disclosure; or (c) was in Vendor or Vendor's Representative's lawful possession, as established by documentary evidence, prior to the disclosure by the State Bar.

2. Vendor will safeguard such Confidential Information and will take all necessary steps to protect such Confidential Information. Vendor will only use and disclose Confidential Information to Vendor's Representatives requiring such Confidential Information to perform the Services pursuant to the final Agreement. Vendor will require each of Vendor's Representatives to execute a written agreement containing obligations of confidentiality substantially similar to those in the final Agreement. All Confidential Information furnished to Vendor by the State Bar is the sole and exclusive property of the State Bar or, where applicable, other third-parties. Vendor will notify the State Bar immediately of any unauthorized use, access, or disclosure of Confidential Information and take all commercially reasonable steps to prevent further use, access, or disclosure.
  
3. Vendor will not disclose Confidential Information or permit it to be disclosed, in whole or part, to any third-party without the prior written consent of the State Bar in each instance. If any person or entity requests by a subpoena or court order any information or materials relating to the final Agreement which is within the possession, custody, or control of Vendor (or the possession, custody, or control of personnel, employees, agents, or representatives of Vendor), Vendor will promptly inform the State Bar of such request and cooperate with the State Bar to the extent the State Bar objects or moves to quash such request or subpoena. Notwithstanding any contrary provision contained herein, Vendor may disclose Confidential Information to the extent that such disclosure is required by law or regulation, or is pursuant to a valid order of a court of competent jurisdiction or an authorized governmental authority; provided that Vendor: (a) immediately notifies the State Bar in writing of the disclosure request and to the extent not prevented from doing so by an applicable government authority, provides the State Bar a copy of the order by the applicable court or governmental authority so the State Bar may seek a protective order or another appropriate remedy; (b) cooperates with the State Bar if it seeks a protective order or other appropriate remedy preventing or

limiting disclosure; and (c) seeks confidential treatment of any Confidential Information required to be disclosed before disclosure. If the State Bar cannot obtain a protective order, another appropriate remedy, or otherwise fails to quash the legal process requiring disclosure, Vendor will work with the State Bar to disclose the requested Confidential Information only to the extent required by such law, regulation, or order.

4. **Injunctive Relief.** Vendor acknowledges that irreparable harm can result to the State Bar and to third parties by disclosure or threatened disclosure of Confidential Information that cannot be adequately relieved by money damages alone. Accordingly, the State Bar may seek equitable remedies including a temporary or permanent injunction or other equitable relief from any court of competent jurisdiction, without the necessity of showing actual damages and without the necessity of posting any bond or other security. The equitable relief will be in addition to, not in lieu of, legal remedies, monetary damages, or other available forms of relief. If the State Bar incurs any loss or liability arising out of disclosure or use of any Confidential Information by any one or more of Vendor's Representatives other than as authorized herein, that disclosure or use will be deemed to have been by Vendor for purposes of determining whether Vendor breached any of its obligations under the final Agreement.

Vendor will include the nondiscrimination and compliance provisions of this Section in all subcontracts that will perform work under the final Agreement.

**J. Staffing**

1. **No Assignment, Subcontracting, Delegation or Transfer.**
  - a. Vendor will not assign, subcontract, delegate, or otherwise transfer any of the rights, duties, or obligations set forth in the final Agreement to any third-party without the prior written consent of the State Bar.
  - b. **Conditions Precedent for Vendor to Subcontract the Services.** Vendor may retain independent subvendors to furnish Services and access Confidential Information (as defined in Section IV, subsection H) only in accordance with this section (hereinafter referred to as "Subvendors").

All Subvendors must be approved in advance in writing by the State Bar, such approval to be granted in the State Bar's sole discretion. In advance of providing any Services or receiving any Confidential Information, all Subvendors will execute a written agreement reasonably satisfactory to the State Bar: (i) sufficient to secure compliance by such Subvendors with the obligations of confidentiality concerning Confidential Information as set forth in Section IV, subsection H; (ii) in accordance with Section IV, subsection E.2. (Rights in Work Product), acknowledging Subvendor's obligation to transfer and/or assign any rights, title, and interest to all materials and Work Product in connection with performance hereunder; and (iii) effecting assignments of all Intellectual Property Rights concerning the Work Product, including the Deliverables to the State Bar as specified in Section IV, subsection E. - c. **Assignment of Personnel.** Vendor must have control of its employees and Subvendors (if any) (individually and collectively, "Personnel") it assigns to the work of the Project; provided, however, that if the State Bar becomes dissatisfied with the performance of any of Vendor's Personnel providing Services, the State Bar may notify Vendor of the details of the unsatisfactory performance and the parties will cooperate to remedy the problem as soon as reasonably possible. If the State Bar makes such a request, Vendor will use its best efforts to reassign any Personnel who are the subject of the State Bar's dissatisfaction and instead attempt to provide Services through replacement Personnel. Services performed under the terms of the final Agreement will be performed at the State Bar's offices or Vendor's offices.
- d. **Vendor's Project Liaison.** Vendor must designate an employee of sufficient management rank to act as its representative in dealing with the State Bar ("Vendor's Project Liaison"). Vendor's Project Liaison must represent Vendor and have responsibility for ensuring that Vendor performs its obligations under the final Agreement and for communicating with the State Bar regarding Project status and issues. Vendor must use reasonable efforts to minimize changing the person who is serving as Vendor's Project Liaison during the Term.

#### K. Vaccination Policy

- a. **Vaccination Required.** Vendor acknowledges and agrees that Vendor and/or Vendor's Representatives must be fully vaccinated against COVID-19 prior to performance of any Services onsite at a State Bar facility. Moderna, Pfizer, and Johnson & Johnson vaccines will be accepted by the State Bar. The term "fully vaccinated" means that an individual received the second dose of a two-dose vaccine series (Moderna or Pfizer) or the single dose of the Johnson & Johnson vaccine no later than two weeks prior to the first instance of the performance of

any Services onsite at a State Bar facility. Vendor warrants that Vendor or any relevant Vendor's Representative will provide the State Bar with documentation verifying proof of vaccination status no later than five (5) days prior to the first instance of the performance of any Services onsite at a State Bar facility. Such documentation shall be in the form of (i) a copy of the individual's CDC COVID-19 vaccination card, (ii) documentation of the vaccination from the individual's healthcare provider, or (iii) a screenshot of the individual's digital record from California's digital vaccination record system. Vendor further acknowledges and agrees that Vendor and Vendor's Representatives will abide by any additional COVID-19 health and safety measures that may be required by the State Bar from time to time.

- b. **Medical/Religious Exemptions, Testing.** An individual may receive an exemption from the mandatory vaccination requirement as a reasonable accommodation if the individual has a medical condition that prevents them from receiving a COVID-19 vaccine, as verified by their medical provider, or can establish a confirmed sincerely held religious belief that prohibits them from receiving a vaccine. If Vendor or any of Vendor's Representatives is granted an exemption based on medical or religious grounds, such exempted individual must agree to be tested weekly regardless of whether they are on a regular onsite schedule, unless in the sole discretion of the State Bar, a less frequent testing schedule is deemed appropriate.

#### **L. General Provisions**

1. **Jurisdiction.** The final Agreement is deemed to have been made and entered into by the parties at San Francisco, California and will be construed according to the laws of the State of California. Any litigation arising out of or in connection with the final Agreement will be filed in the appropriate court in San Francisco, California.
