

The State Bar of California

Employee Benefits Consulting

Request for Proposal: Questions & Responses

May 6, 2013

- 1. Can you tell me the total premium paid for Medical, Dental, Vision, Life and Disability programs?**

Approximately \$850,000 per month, but varies with the volume of terminations and/or new hires.

- 2. Are there issues or concerns with the current consultant?**

No specific issues. The current contract is soon to expire and is now open to the competitive bidding process.

- 3. What is the current compensation for the consulting services being provided to the State Bar?**

In order to preserve the aforementioned competitive bidding process, current compensation rates will not be disclosed until an award is made.
