 - (3) eligibility cannot be determined by the final eligibility deadline.

Rule 4.62 Access to examination answers and scores

- (A) Within sixty days of the release of examination results, examination answers to the written portions of the examination are returned to applicants for admission who have failed the California Bar Examination or who have passed or failed the First-Year Law Students' Examination. This provision does not apply to the Multistate Professional Responsibility Examination or the multiple-choice portion of the California Bar Examination.
- (B) Applicants who pass the California Bar Examination are not entitled to receive their examination answers or to see their scores.

CHAPTER 6. CONDUCT AT EXAMINATIONS

Rule 4.70 Conduct required at examinations

Applicants are expected to conduct themselves professionally at all times at an examination test center. Conduct that violates the security or administration of an examination may be reported to the Committee or, in extreme cases, require dismissal from the examination test center. Unacceptable conduct may include having unauthorized items, writing or typing after time has been called, looking at another applicant's answers, talking when silence is required, or abusive behavior.

Rule 4.71 Reports of conduct violations

A subcommittee designated by the Committee considers reports of unacceptable conduct at an examination at the first Committee meeting following the examination and within forty-five days of the meeting determines whether a violation has occurred. If it finds that there has been a violation, it must notify the applicant of its proposed sanction within thirty days. Sanctions may include referral of the matter for moral character assessment and/or assigning a score of

zero for a question, a session, or an entire examination. An examination score and determination of moral character may be held in abeyance pending resolution of the matter.

Rule 4.72 Request for hearing on conduct violation

- (A) An applicant notified of a conduct violation may file a written request for a hearing on the subcommittee's findings. The request must be filed within twenty days of receipt of the notice or the proposed sanction will take effect. For good cause shown by clear and convincing evidence the Committee may extend the filing deadline.
- (B) To hear the request, the Committee chair must appoint a panel of three Committee members, one of whom is to serve as Chair. Panel members must not have served on the subcommittee that reviewed the report of conduct violation.
- (C) Once an applicant has filed a request for a hearing on a conduct violation, the Committee must schedule a hearing within ninety days, or at a later time for good cause, and notify the applicant of the time and place of the hearing.

Rule 4.73 Procedure for hearing on conduct violation

- (A) The Committee may establish procedures for conducting hearings on conduct violations, which may include, but are not limited to, guidelines for creating records of the proceedings, limiting the duration of testimony, and setting time limits for continuances.
- (B) The applicant may be represented by counsel during the hearing. An attorney from the State Bar Office of General Counsel represents the Committee. A different attorney from this office represents the panel.
- (C) The Committee has the burden of establishing by clear and convincing evidence that a violation occurred.
- (D) The panel must render Findings and Recommendations no later than thirty days after the hearing, which must be served on the applicant and counsel present at the hearing. The panel may recommend the sanction originally proposed or any other action it deems appropriate. The applicant may request review of the panel's determination within ten days of service.²⁰

²⁰ See Rule XII § 3(d): "In response to the Findings of Fact and Recommendation of the hearing panel, the applicant may file a request for review in accordance with the provisions of Section 5, Rule I of these rules within ten (10) days from service of the decision." Rule I § 5 reads, "The Committee may act in any matter by a subcommittee composed of not less than two Committee members subject to the right of an applicant, upon written application filed within 10 days after being notified of any determination made by such a subcommittee to have the same reviewed and determined by the Committee; provided that an applicant

Rule 4.74 Review of Findings and Recommendations

- (A) If the applicant within ten days of service requests review of the panel's Findings and Recommendations, the Committee must consider the applicant's request, any record of the hearing, the Findings and Recommendations, and any supplemental material the applicant provides in accordance with Committee requirements during its next regularly scheduled meeting. Neither the applicant nor applicant's counsel is permitted to attend.
- (B) The Committee may adopt the Findings and Recommendations of the hearing panel or take any other action it deems appropriate.
- (C) The Committee will notify the applicant within ten days of its determination.
- (D) If the applicant does not request review of the Findings and Recommendations of the panel within ten days of service, the panel's Findings and Recommendations become the decision of the Committee.

CHAPTER 7. TESTING ACCOMMODATIONS

Rule 4.80 Eligibility for testing accommodations

Applicants with disabilities are granted reasonable testing accommodations provided that they are capable of demonstrating that they are otherwise eligible to take an examination and, in accordance with these rules, they

- (A) have submitted an Application for Registration;
- (B) submit a petition for testing accommodations on the Committee's forms with the required documentation;
- (C) establish to the satisfaction of the Committee the existence of disabilities that prevent them from taking an examination under standard testing conditions, that testing accommodations are necessary to address the functional limitations related to their disabilities and the testing accommodations sought are reasonable and appropriate for their disabilities; and,
- (D) separately apply for the examination for which testing accommodations are requested.

shall not have a right to a review by the Committee of a determination made by a subcommittee to refer an application for investigation." I don't see the connection.

Rule 4.81 Testing accommodations in general

- (A) Petitions for testing accommodations are processed on a case-by-case basis.
- (B) The Committee makes its best effort to process petitions for testing accommodations expeditiously but does not process petitions that are incomplete.
- (C) Time limits in testing accommodations rules are solely to expedite the processing of petitions and are not jurisdictional. The Committee may extend them for good cause.
- (D) An examination application fee is not refunded if a request for testing accommodations is denied.

Rule 4.82 Definitions

These definitions apply to the rules on and petitions for testing accommodations.

- (A) A “disability” is a physical or mental impairment that limits one or more of an applicant’s major life activities, and limits an applicant’s ability to demonstrate under standard testing conditions that the applicant possesses the knowledge, skills, and abilities tested on an examination.
- (B) A “physical impairment” is a physiological disorder or condition or an anatomical loss affecting one or more of the body’s systems.
- (C) A “mental impairment” is a mental or psychological disorder such as organic brain syndrome, emotional or mental illness, attention deficit/hyperactivity disorder, or a specific learning disability.
- (D) A “reasonable testing accommodation” is an adjustment to or modification of standard testing conditions that addresses the functional limitations related to an applicant’s disability by modifications to rules, policies, or practices; removal of architectural, communication, or transportation barriers; or provision of auxiliary aids and services, provided that they do not
 - (1) compromise the security or validity of an examination or the integrity or of the examination process;
 - (2) impose an undue burden on the Committee; or
 - (3) fundamentally alter the nature of an examination or the Committee’s ability to assess through the examination whether the applicant

- (a) possesses the knowledge, skills, and abilities tested on an examination; and
- (b) meets the essential eligibility requirements for admission.

Rule 4.83 Guidelines for testing accommodations

- (A) The Committee publishes guidelines for documenting the need for testing accommodations based on learning disabilities and attention deficit/hyperactivity disorder, including testing required to establish the existence of the disability and the reasonableness of the accommodations requested.
- (B) The Committee may publish guidelines for other disabilities accommodated on past examinations.

Rule 4.84 When to file a petition for testing accommodations

- (A) A Petition For Testing Accommodations is not an application for a bar examination. Filing one does not constitute filing the other or initiate its processing. An applicant must separately apply for an examination.
- (B) An applicant is encouraged to file a Petition For Testing Accommodations as far in advance as practicable. To allow sufficient processing time, general applicants are encouraged to submit their petitions at least by the beginning of their last year of law study and by attorney applicants no later than six months prior to the examination they wish to take. If an applicant waits until the final examination application deadline for a particular examination to petition for testing accommodations, it is possible that processing will not be completed or the applicant will not be able to complete all required or available procedures prior to administration of the examination.
- (C) A Petition For Testing Accommodations must be complete and receipt must be no later than
 - (1) January 15 for the February California Bar Examination;
 - (2) June 15 for the July California Bar Examination;
 - (3) May 15 for the June First-Year Law Students' Examination; or
 - (4) September 15 for the October First-Year Law Students' Examination.
- (D) Depending on the nature of a disability and the date on which a petition is filed, the Committee may determine that the changing nature of a disability

requires that the applicant file a new petition nearer the examination date or that a decision regarding the petition be deferred.

Rule 4.85 Initial Petition For Testing Accommodations

- (A) An applicant with a qualified disability seeking testing accommodations must file a Petition for Testing Accommodations on the Committee's form, which describes the disability; specifies the accommodations requested; explains how the accommodations address the functional limitations associated with the disability; and sets forth the basis for that determination.
- (B) In addition to the Petition for Testing Accommodations, a qualified applicant seeking testing accommodations must also file one or more of the following Committee forms, as applicable: a Physical Disabilities Verification; a Learning Disabilities Verification; an Attention Deficit/Hyperactivity Disorder Verification; a Mental Disabilities Verification; or a Verification of Other Disability. A form must include information from the petitioner's treating professional that provides a professional diagnosis of the disability and describes the method used for the diagnosis, including specific tests used. Specific test results may be required to support the diagnosis. The treating professional may provide a description of the functional limitation that requires accommodation, provided the description explains how the nature and extent of limitations were determined.
- (C) If a law school has provided testing accommodations, a qualified applicant must file a Law School Verification, on the Committee's form, completed by a law school official or legal education supervisor.
- (D) If another state has provided accommodations for its bar examination, a qualified applicant must file a Bar Admissions Administrator Verification, on the Committee's form, completed by an official responsible for testing accommodations.
- (E) A Petition for Testing Accommodations is considered complete only upon receipt of all required forms that have been completed according to instructions. A petition that is incomplete by a final examination application deadline is not processed for that examination.

Rule 4.86 Subsequent petitions for testing accommodations

- (A) Testing accommodations are not automatically extended upon failure of an examination but must be requested for a subsequent examination any time before the examination application deadline.

- (B) An applicant who is permanently disabled may petition for the same accommodations rather than submit an entirely new petition. A subsequent petition must be made in accordance with Committee requirements.
- (C) An applicant who has a temporary disability or who seeks different accommodations than those previously granted must file an initial petition.²¹

Rule 4.87 Emergency petitions for testing accommodations

An applicant who becomes disabled after a final examination application filing deadline may file a Petition for Testing Accommodations, which must include the forms required by Rule 4.85, with a request that it be considered as an emergency petition. Documentation explaining the nature, date, and circumstances of the emergency must be filed with the petition. Receipt of the petition and supporting documentation must be at least ten days before the first day of the examination. This rule does not apply to disabilities that existed before the final deadline for an examination application, whether or not they were diagnosed or a visit to a treating professional could be arranged.

Rule 4.88 Committee response to Petition For Testing Accommodations

- (A) An applicant who has filed a Petition For Testing Accommodations in accordance with these rules is notified in writing within thirty days of receipt when additional information is required, and within sixty days when the petition is granted, granted with modifications, or denied. A notice of the status of the petition is sent to the applicant every thirty days thereafter if the petition is still pending.
- (B) If a complete petition is filed at least six months before the examination for which testing accommodations are sought, the applicant may expect a final determination at least a month before the examination.
- (C) With the consent of the petitioner, the Senior Executive or a consultant may confer with a specialist who has treated the petitioner.
- (D) A notice of denial of a Petition For Testing Accommodations or a modified grant is sent by certified mail. The notice states the reasons for the denial or modifications, and advises the petitioner of any right to appeal. The notice may include an excerpt of a consultant's evaluation.

Rule 4.89 Applicant response to proposed modification or request for information

An applicant has thirty days to respond to a request for additional information unless an examination schedule requires a shorter time. If the applicant fails to

²¹ Rule 4.85.

make a timely response, the request is processed on the basis of information submitted.

Rule 4.90 Committee review of denied or modified petition

- (A) An applicant notified that a Petition For Testing Accommodations has been denied or granted with modifications may appeal the decision to the Committee. The appeal must be submitted within ten days of the date of the denial or modified grant or some other reasonable period established by the Committee.
- (B) Appeals filed in connection with a particular administration of an examination must be filed no later than the first business day of the month in which the examination is to be administered. Appeals received after that date will be considered in connection with future administration of the examination.
- (B) After reviewing the appeal and supporting documentation, the Senior Executive may withdraw the prior decision and grant the accommodations requested.
- (C) If the Senior Executive does not grant an appeal, the Committee must consider it as soon as practicable. The review must be based on the original petition and supporting documentation provided by the petitioner and the Senior Executive. Oral argument is not permitted. The review must be conducted in closed session either at a regular meeting or one specially convened by teleconference. If a subcommittee has been assigned to consider the appeal, the entire Committee must consider it upon the request of any member of the subcommittee.

Rule 4.91 Confidentiality of Petitions for Testing Accommodations

Petitions for Testing Accommodations, documentation submitted in support and evaluations of requests are confidential.

Rule 4.92 False or misleading information in Petition For Testing Accommodations

False or misleading information in a Petition For Testing Accommodations is considered in determining an applicant's moral character and may result in a negative determination of moral character.
