Proposed Activities	
<u>Activity 1</u>	<u>Status/Time Frame:</u>
Rules of Court and related proposals – Review, analyze, and comment on Judicial Council proposals and Federal proposals that relate to appellate court operation and appellate practice.	Ongoing, as proposals are issued for public comment (e.g., Judicial Council’s Spring, Winter, and Special Cycles). The Committee on Appellate Courts is also available to provide informal input on proposals, as may be necessary. As with other activities of the Committee on Appellate Courts, this work varies by year, depending upon the number, nature, and scope of proposals and comments.

Performance Indicators
Continuing to provide technical expertise and input on matters relating to appellate court operation and appellate practice. Providing opportunities for member involvement, and encouraging participation in efforts to improve the administration of justice in the appellate courts.

Proposed Activity Budget
Activity is ongoing throughout the year, intermingled with other Committee activities, and not associated with a particular budgetary amount.

How Activities Address State Bar Strategic Plan

Combined activities further the following goals:

Goal 2 – Providing a wide array of services and benefits to members that meet their professional development, business, and personal needs

- Seeks ways to improve and inform members about professional development opportunities and services, including continuing legal education.

Goal 3 – Ensuring that all people have access to high quality legal services regardless of financial or other circumstances

- Works collaboratively with the Judicial Council on issues relating to court access and services for self-represented litigants.

Goal 4 – Providing effective and supportive relationships with all stakeholders

- Develops supportive, collaborative relationships to assist all parts of the State Bar in successfully fulfilling the respective roles and responsibilities of members, member groups, and other stakeholders.
- Actively encourages and supports member participation in bench-bar efforts to improve the administration of justice and access to the legal system for low and moderate income Californians.
- Cultivates positive working relationship between the State Bar and the Legislative and Executive Branch.
- Actively informs the public, members, and key stakeholders about the effective operation and activities of the State Bar and its members and seeks input from stakeholders about the operation and activities of the Bar.
- Maintains the positive working relationship between the Supreme Court and the State Bar.

Goal 5 – Enhancing State Bar’s role as a contributing and accountable leader in improving the administration of justice and ensuring the rule of law in our civil society

- Encourages increased participation in State Bar activities and identifies opportunities to inspire diversity in leadership in all members of the bar.
- Enhances opportunities for and encourages attorney participation in state and local justice system policy setting activities, including the development, consideration, and support or opposition to rules of court and legislation affecting the practice of law.
